#1 New York Times bestselling author Kendare Blake returns with the highly anticipated third book in the Three Dark Crowns series! And while Arsinoe, Mirabella, and Katharine all have their own scores to settle, they aren't the only queens stirring things up on Fennbirn Island. Queen Katharine has waited her entire life to wear the crown. But now that she finally has it, the murmurs of dissent grow louder by the day. There's also the alarming issue of whether or not her sisters are actually dead—or if they're waiting in the wings to usurp the throne. Mirabella and Arsinoe are alive, but in hiding on the mainland and dealing with a nightmare of their own: being visited repeatedly by a specter they think might be the fabled Blue Queen. Though she says nothing, her rotting, bony finger pointing out to sea is clear enough: return to Fennbirn. Jules, too, is in a strange place—in disguise. And her only confidants, a war-gifted girl named Emilia and her oracle friend Mathilde, are urging her to take on a role she can't imagine filling: a legion-cursed queen who will lead a rebel army to Katharine's doorstep. A collection of the first three Dark Queens books! This set will only be up for a very limited time, so make sure to grab your copy now!The Sea Queen-Calypso, Queen of the Seas, is mad. Spitting mad. Ghosts of the dead are fouling her waters. She wants this problem fixed, and she wants it fixed now. Rushing off in search of Hades, Lord of the Underworld, to demand answers, she's soon shocked to discover him bound and standing trial before a jury of his peers—for nothing less than murder. Calypso normally despises the beastly gods, all of them, but there's something about seeing Hades bound as he is that gives her an evilly clever idea. Tired of being a virgin queen, she wishes to shed that boring image once and for all, and no one seems quite as fit for the task as the gorgeous and brooding Hades. Of course, there is the minor problem of murder to deal with, but Calypso is bound and determined to have her way. And when a dark queen gets an idea, nothing and no one can stand in her way... The Passionate Queen--Once upon a time a dragon dared to fall in love with the Queen of Hearts... Zelena Hermosa wants only one thing, to be free. But for a morphling like her freedom will never be possible. Bought by a witch as a baby, she's been raised in a household that knows no kindness or love. She's a broken, dirty child the day she meets her prickly little dragon boy. Ragoth Nur, heir to the throne of Drakon has just stolen a golden apple from Zeus's favored orchard. In order to make sure he doesn't have to face the wrath of the gods (but especially his mom) he runs off to wonderland to enjoy his treat and there bumps into the human girl who will change the course of his life forever. There's so much more to the Queen of Heart's than the stories. So much more than the vindictive woman who shouts, "Off with her heads." This is the true story of the woman, the legend, and the myth... The Ice Queen--Long ago, tragedy struck and turned a young woman into the ice queen of legend... Evil has come to Luminesa's forest. The Goblin has stolen three innocents and thrust them into a violent and terrible time loop - in her own lands. And the only way to save them is to go to them herself. But there's a problem, because the moment Luminesa steps foot inside that magicked place she too will get sucked into the Goblin's nefarious scheme. Freedom can only be had if she can figure out the riddle of the key, and she only has one month to try. Failure means death for them all. There is absolutely no time or room for romance, but that's exactly what happens when she first sets eyes on the centaur male, Alador. Luminesa's been

burned in love before, nearly losing her life to the hands of a crazed male she'd once thought a friend. Since that night she's hated men, all men, no matter what form they come in. But Alador is different, kind, gentle...with soulful green eyes that seem to peer through the icy veil of her legend to see the real woman beneath. His touch makes her burn, and his kisses make her feel alive again. Luminesa will do everything in her power, to make sure they all leave there alive. Even if that means killing anything that stands in her way...

Ice queens can't be hurt because they have no feelings. They also can't fall in love...or so they tell themselves. Having to pretend everything is fine after being jilted by the crown prince was bad enough, but now, Lady Daniella is being exiled to a distant castle 'to recover.' Except, her exile happens to include an order from the king to investigate the murder of the castle's former owner, the old Duke of Westlake. At least she'd never been in love with the old Duke of Westlake. Too bad she can't say the same thing about his brother, the dashing heir apparent just returned from battle. But facing down an awkward childhood crush who is just as determined as she is to unravel the mystery is the least of Daniella's worries. Someone in the shadows is watching her. Someone who doesn't want to her to solve this murder. Someone that's already killed once to buy silence. Someone who will force Daniella to choose whether love will be what defeats her or the only thing that could save her...if only she will let it.

Critics love *The Evil Queen*: "Showalter (the Everlife books) delivers an entertaining series opener that

condemns prejudice while championing self-determination. Romance-sweet and steamy, gay and straight-features prominently, action and humor abound, and the mystery of how each character figures into the legend imparts intrigue."—Publishers Weekly "The novel's conceit has a lot of potential with its deconstruction of a cherished fairy tale, an interesting take on good and evil as actions rather than fate, and a long cast of characters in ever evolving roles that will leave readers wondering who they are supposed to be."—Kirkus Reviews
