In John Buchan's thrill-a-minute novel Salute to Adventurers, hero Andrew Garvald makes his way from the dreary moors of his native land to the deceptively bucolic landscape of early colonial America. Faced with adversity, danger and social scorn, Garvald nevertheless stands firm in his commitment to bringing fairness and order to the burgeoning colony. Will he achieve this aim and live to tell the tale?

Management and Organization 2e EBOOK GENERAL PRESS

In every passing moment (whether you are aware of it or not) you are in either your Endogenic or Exogenic state of mind. Depending on which state you are in, you feel, think, and act differently. These differences affect how others experience you. They shape your character traits and your path in life. In The Duogenic Leader, Dr. Aebi-Magee presents her innovative and ground-breaking

psychological theory about our two states of mind and describes how this discovery can rapidly advance leadership, innovation, intelligence, and personal power. Learning to choose between Endogenic and Exogenic unlocks a realm of self-awareness and psychological knowledge. In an inspiring and uplifting way, Dr. Aebi-Magee guides readers to a new understanding of themselves and others that is clear and thought-provoking. As a leadership consultant for two decades, Dr. Aebi-Magee has helped successful leaders improve their companies, advance their careers, boost strategic thinking, and become greater leaders. A native of Switzerland, Dr. Aebi-Magee has a PhD and masters in psychology from the University of Zürich and earned the title of Psychoanalyst in association with the Freud Institute and the Psychoanalytical Institute of Zürich. The Duogenic Leader takes you on a journey of human discovery. Seeing the Endogenic and Exogenic states in yourself and others leads to startling realizations about awareness, confidence, and authenticity that help you live a richer and more meaningful life. For business professionals, this manifests in a new and deeper understanding of human dynamics, communication, charisma, and leadership. Reading The Duogenic Leader triggers frequent contemplation. It inspires ideas about how you might unlock your innovative potential, overcome self-imposed limitations, better understand others, solve problems faster, have less confusion in life, advance your intelligence, improve your relationships with others, be a better parent, advance your career faster, prevent dysfunctional behavior, find more joy, and lead a more fulfilling life. Critical of Exogenic dominance in society and rich with sharp human observations, The Duogenic Leader offers profound clarity and insight for anyone who wants to advance personally or professionally. Broken into two distinct parts, The Duogenic Leader makes an academic subject fully accessible. Part One precisely explains the underlying dynamics and introduces the new terms "Endogenic" and "Exogenic" to describe the two states of being in which we experience every moment of life. Part Two illustrates more than fifty specific situations that show you how to spot repeating patterns of these dynamics in all aspects of work and life. The author sheds new light on topics like collaboration, trust, confidence, authority, innovation, learning, love, motivation, manipulation, authenticity, power, fear, and dozens of other issues important to business, leadership, and self-development.

In today's complex work world, things no longer get done simply because someone issues an order and someone else follows it. Most of us work in socially intricate organizations where we need the help not only of subordinates but of colleagues, superiors, and outsiders to accomplish our goals. This often leaves us in a "power gap" because we must depend on people over whom we have little or no explicit control. This is a book about how to bridge that gap: how to exercise the power and influence you need to get things done through others when your responsibilities exceed your formal authority. Full of original ideas and expert insights about how organizations—and the people in them—function, *Power and Influence* goes further, demonstrating that lower-level personnel also need strong leadership skills and interpersonal know-how to perform well. Kotter shows how you can develop sufficient resources of "unofficial" power and influence to achieve goals, steer clear of conflicts, foster creative team behavior, and gain the cooperation and support you need from subordinates, coworkers, superiors—even people outside your department or organization. He also shows how you can avoid the twin traps of naivete and cynicism when dealing with power

relationships, and how to use your power without abusing it. *Power and Influence* is essential for top managers who need to overcome the infighting, foot-dragging, and politicking that can destroy both morale and profits; for middle managers who don't want their careers sidetracked by unproductive power struggles; for professionals hindered by bureaucratic obstacles and deadline delays; and for staff workers who have to "manage the boss." This is not a book for those who want to "grab" power for their own ends. But if you'd like to create smooth, responsive working relationships and increase your personal effectiveness on the job, Kotter can show you how—and make the dynamics of power work for you instead of against you.

Migrant Influence and National Power in the Early American Republic Penguin Canada

"This NIV Zondervan Study Bible is a tremendous tool for informed Bible reading and study. I highly recommend this publication." Tim Keller, Redeemer Presbyterian Church, New York City "Let the NIV Zondervan Study Bible equip you for more faithful theological thinking and doctrinal integrity." R. Albert Mohler, Jr., President of the Southern Baptist Theological Seminary The NIV Zondervan Study Bible, featuring Dr. D. A. Carson as general editor, is built on the truth of Scripture and centered on the gospel message. An ambitious and comprehensive undertaking, Dr. Carson, with committee members Dr. T. Desmond Alexander, Dr. Richard S. Hess, Dr. Douglas J. Moo, and Dr. Andrew David Naselli, along with a team of over 60 contributors from a wide range of evangelical denominations and perspectives, crafted all-new study notes and other study tools to present a biblical theology of God's special revelation in the Scriptures. To further aid the readers' understanding of the Bible, also included are full-color maps, charts, photos and diagrams. In addition, a single-column setting of the Bible text provides maximum readability. 8.9-point type size

Salute to Adventurers Zondervan

Once again, John Ralston Saul presents the story of Canada's past so that we may better understand its present - and imagine a better future. Historic moments are always uncomfortable, Saul writes in this impassioned argument, calling on all of us to embrace and support the comeback of Aboriginal peoples. This, he says, is the great issue of our time - the most important missing piece in the building of Canada. The events that began late in 2012 with the Idle No More movement were not just a rough patch in Aboriginal relations with the rest of Canada. What is happening today between Aboriginals and non-Aboriginals is not about guilt or sympathy or failure or romanticization of the past. It is about citizens' rights. It is about rebuilding relationships that were central to the creation of Canada. These relationships are just as important to its continued existence. The centrality of Aboriginal issues and peoples has the potential to open up a more creative way of imagining ourselves and a more honest narrative for Canada. Wide in scope but piercing in detail, "The Comeback" presents a powerful portrait of modern Aboriginal life in Canada, in contrast with the perceived failings so often portrayed in politics and in media. Saul illustrates his arguments by compiling a remarkable selection of letters, speeches and writings by Aboriginal leaders and thinkers, showcasing the extraordinarily rich, moving and stable indigenous point of view across the centuries.

The Beatles Extraordinary Plagiarists John Wiley & Sons

Ebook: *Purchasing and Supply Chain Management*

A Guide to Achieving Influencer Status Online Harper Collins

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

The Power of Faith; exemplified in the life and writings of the late Mrs. I. Graham of New York
HarperCollins Leadership

"Pfeffer [blends] academic rigor and practical genius into wonderfully readable text. The leading thinker on the topic of power, Pfeffer here distills his wisdom into an indispensable guide." —Jim Collins, author of New York Times bestselling author *Good to Great* and *How the Mighty Fall* Some people have it, and others don't—Jeffrey Pfeffer explores why in *Power*. One of the greatest minds in management theory and author or co-author of thirteen books, including the seminal business school text *Managing With Power*, Pfeffer shows readers how to succeed and wield power in the real world.

Well-researched and daring! A bomb waiting to explode! Revolutionary! THE BEATLES: EXTRAORDINARY PLAGIARISTS by EDGAR O. CRUZ cuts the Beatles? apple to reveal the core of the artistry: Where did all the pumping and smashing songs by John Lennon, Paul McCartney, George Harrison and Ringo Starr come from? Following their creative cycle, it presents the origination of the 213 officially released songs, the first it is ever attempted. The brief of two decades of extensive research and editorial work, this 172-page book in seven chapters details how African-Americans shaped the art of the Four Lads of Liverpool and made them the most viable rock act of all time. Based on the recollections of the Beatles and the group's constant insiders, past & present musicologists and pop culture historians, authoritative sources such as Time, Newsweek, The New York Times, Rolling Stone, NME, Playboy, and the author's own unique probing on the subject, here's the Beatles naked!

Spotlight on the Art of Resilience Harvard Business Press

The authors argue against the aggressive selling of ideas and instead emphasize listening, genuine engagement and commitment to a lasting business relationship in order to get someone to come around to one's way of thinking.

Ten Days that Shook the World Wildside Press LLC

The U.S. Constitution traces the complicated evolution of our nation's most important document. From its roots in English political history through the Magna Carta and the writings of John Locke to early colonial treaties such as the Mayflower Compact and the Articles of Confederation, this volume vividly documents the challenges and difficulties in securing the "blessings of liberty." Challenging review questions encourage meaningful reflection and historical analysis. Tests, answer key, bibliography, and bonus timeline included.

Enhance Your Presence Penguin

Specifically written for paralegal students, CONSTITUTIONAL LAW: PRINCIPLES AND PRACTICE, 2nd Edition identifies and explains the concepts behind constitutional law, and connects them to everyday experiences both inside the law practice and out. Carefully edited for non-lawyers, the major cases presented show how the Supreme Court's decisions impact lawyers, lawmakers, and the general public, while breaking down complex concepts for paralegals-in-training to grasp more easily. Each chapter also contains numerous pedagogical elements including learning objectives, review and analysis questions, and vocabulary terms to build reader confidence with the material, and demonstrate the ways paralegals perform in the workplace. Focusing on practical application, CONSTITUTIONAL LAW: PRINCIPLES AND PRACTICE, 2nd Edition offers multiple hands-on opportunities to help students excel. Helpful appendices include samples of commonly used legal documents, while the readings are packed with hypothetical cases, ethical dilemmas, and end-of-chapter assignments for practicing analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Age of Influence The Floating Press

Resilience is largely an exercise of mindset and mindfulness, of perspective and persistence, of ways of thinking and of will. Inside, you will find personal stories and their lessons that are intended to help anyone who is struggling with a personal test or dealing with loss.

Real Influence Power and Influence

Stranger Citizens examines how foreign migrants who resided in the United States gave shape to citizenship in the decades after American independence in 1783. During this formative time, lawmakers attempted to shape citizenship and the place of immigrants in the new nation, while

granting the national government new powers such as deportation. John McNelis O'Keefe argues that despite the challenges of public and official hostility that they faced in the late 1700s and early 1800s, migrant groups worked through lobbying, engagement with government officials, and public protest to create forms of citizenship that worked for them. This push was made not only by white men immigrating from Europe; immigrants of color were able to secure footholds of rights and citizenship, while migrant women asserted legal independence, challenging traditional notions of women's subordination. *Stranger Citizens* emphasizes the making of citizenship from the perspectives of migrants themselves, and demonstrates the rich varieties and understandings of citizenship and personhood exercised by foreign migrants and refugees. O'Keefe boldly reverses the top-down model wherein citizenship was constructed only by political leaders and the courts. Thanks to generous funding from the Sustainable History Monograph Pilot and the Mellon Foundation the ebook editions of this book are available as Open Access (OA) volumes from Cornell Open (cornellopen.org) and other Open Access repositories.
