A tour-de-force by rising

indy comics star Gene Yang, American Born Chinese tells the story of three apparently unrelated characters: Jin Wang, who moves to a

new neighborhood with his family only to discover that he's the only Chinese-American student at his new school; the powerful Monkey King,

<p>subject of one of the oldest and greatest Chinese fables; and Chin-Kee, a personification of the ultimate negative Chinese stereotype, who is ruining his cousin Danny's life with his yearly visits. Their lives and stories come together with an unexpected twist in this action-packed modern fable. American Born Chinese is an amazing ride, all the way up to the astonishing climax. American Born</p>	<p>Chinese is a 2006 National Book Award Finalist for Young People's Literature, the winner of the 2007 Eisner Award for Best Graphic Album: New, an Eisner Award nominee for Best Coloring and a 2007 Bank Street - Best Children's Book of the Year. This title has Common Core Connections <i>Persepolis</i> Univ. Press of Mississippi First UK publication for this modern classic</p>	<p>'Moving, tender, beautifully drawn, painfully honest and probably the most important graphic novel since Jimmy Corrigan.' a blustery Midwestern winter, *Blankets* is the tale of two brothers growing up in rural isolation, and of the budding romance between two young lovers. A tale of security and discovery, of playfulness and tragedy, of a fall from grace and the origins of faith, *Blankets* is a profound and utterly beautiful work.

Unveiling Desire Vintage
Through a curation of different forms of art,

the "7 Stages of Grief" explores how artists of all mediums experience each stage of grief. Whether it be through photographs, poems, music, or drawings, each one of these pages tells a unique story about each individual artist.

Race to Incarcerate Pantheon
Collecting chapters from authors all over the world, this volume examines and expounds the rich tapestry of meanings,

expressions, and cultural insights found in the medium of comics.

The 7 Stages of Grief

Pantheon
"This is a stunning and original book. It will intervene in existing fields and discourses to change the way Islamic fundamentalism is viewed in the West."—Caren Kaplan, Associate Professor of Women and Gender Studies and Chair of Cultural Studies at the University of

California Davis. "Between Warrior Brother and Veiled Sister is an original and venturesome piece of work. It is daring in its willingness to test just how far the definition of 'fundamentalism' might be extended in contemporary Iran. It sketches lucidly the gendered crises of identity that have emerged there in the wake of colonization/Europeanization and decolonization

."—Parama Roy, Associate Professor of English at UC Riverside, author of *Indian Traffic: Identities in Question in Colonial and Postcolonial India*. "Between Warrior Brother and Veiled Sister is groundbreaking, enlightening, and challenges mainstream constructions of Islam as fanatic and backward. This book will similarly contribute to the writings on race and gender

relations, religion and secularism, cultural nationalism, religious fundamentalism, and popular culture and visual media. The personal, biographical and visual examples are effective in making the more nuanced and complex theoretical arguments tangible and provocative. Exciting and innovative."—Ella Shohat, Professor of Cultural Studies, New York University
The Sigh A&C

Black
As far back as
she can
remember,
Azadeh
Moaveni has
felt at odds
with her
tangled
identity as an
Iranian-
American. In
suburban
America,
Azadeh lived
in two worlds.
At home, she
was the
daughter of
the Iranian
exile
community,
serving tea,
clinging to
tradition, and
dreaming of
Tehran.
Outside, she
was a
California girl
who practiced
yoga and

listened to
Madonna. For
years, she
ignored the
tense standoff
between her
two cultures.
But college
magnified the
clash between
Iran and
America, and
after
graduating,
she moved to
Iran as a
journalist. This
is the story of
her search for
identity,
between two
cultures
cleaved apart
by a violent
history. It is
also the story
of Iran, a
restive land
lost in the
twilight of its
revolution.
Moaveni's

homecoming
falls in the
heady days of
the country's
reform
movement,
when young
people
demonstrated
in the streets
and shouted
for the Islamic
regime to end.
In these
tumultuous
times, she
struggles to
build a life in a
dark country,
wholly unlike
the luminous,
saffron and
turquoise-
tinted Iran of
her
imagination.
As she leads
us through the
drug-soaked,
underground
parties of
Tehran, into

the hedonistic lives of young people desperate for change, Moaveni paints a rare portrait of Iran's rebellious next generation. The landscape of her Tehran — ski slopes, fashion shows, malls and cafes — is populated by a cast of young people whose exuberance and despair brings the modern reality of Iran to vivid life.

The
revolutionary
work of

graphic storytelling that inspired a new art form. Will Eisner was present at the dawn of comics. In the 1940s, he pushed the boundaries of the medium with his acclaimed weekly comic strip *The Spirit*, and with the publication of *A Contract with God* in 1978, he created a new medium altogether: the graphic novel. It was unlike anything seen before, heralding an era when

serious cartoonists were liberated from the limiting confines of the comic strip. Eisner's work was a shining example of what comics could be: as inventive, moving, and complex as any literary art form. Eisner considered himself "a graphic witness reporting on life, death, heartbreak, and the never-ending struggle to prevail." A Contract with God begins with a gripping tale that mirrors the artist's real-life tragedy, the death of his daughter. Frimme Hersh, a devout Jew, questions his relationship with God after the loss of his own beloved child. Hersh's crisis is intertwined with the lives of the other unforgettable denizens of Eisner's iconic Dropsie Avenue, a fictionalized version of the quintessential New York City street where he came of age at the height of the Depression. This centennial edition showcases Eisner's singular visual style in new high-resolution scans of his original art, complete with an introduction by Scott McCloud and an illuminating history of Eisner's seminal work. Now readers can experience the legendary book that launched a unique art form and reaffirmed Will Eisner as one

of the great pioneers of American graphic storytelling.

Zahra's Paradise

Pantheon
From the winner of the National Book Critics Circle Award comes a story about the Holocaust that "burns itself into the reader's imagination with almost surreal powers" (The New York Times). "Read this great little book of Cynthia Ozick's: It contains dazzling staggering pages filled

with sadness and truth."
—Elie Wiesel, Chicago Tribune A devastating vision of the Holocaust and the unfillable emptiness it left in the lives of those who passed through it.

Cultural Excavation and Formal Expression in the Graphic Novel Firefly

Books
The intersections of law and contemporary culture are vital for comprehending the meaning and significance of

law in today's world. Far from being unsophisticated mass entertainment, comics and graphic fiction both imbue our contemporary culture, and are themselves imbued, with the concerns of law and justice. Accordingly, and spanning a wide variety of approaches and topics from an international array of contributors, Justice draws comics and graphic fiction into the range

of critical resources available to the academic study of law. The first book to do this, *Graphic Justice* broadens our understanding of law and justice as part of our human world—a world that is inhabited not simply by legal concepts and institutions alone, but also by narratives, stories, fantasies, images, and other cultural articulations of human meaning. Engaging with key legal issues (including copyright, education, legal ethics, biomedical regulation, and legal personhood) and exploring critical issues in criminal justice and perspectives on international rights, law and justice—all through engagement with comics and graphic fiction—the collection showcases the vast breadth of potential that the medium holds. *Graphic Justice* will be of interest to academics and postgraduate students in: cultural legal studies; law and the image; law, narrative and literature; law and popular culture; cultural criminology; as well as cultural and comics studies more generally. [Embroideries](#) Houghton Mifflin Harcourt From the author of *Persepolis*, comes this illustrated fairy tale. *Rose* is one of three daughters of a

<p>rich merchant who always brings gifts for his girls from the market. One day Rose asks for the seed of a blue bean, but he fails to find one for her. She lets out a sigh in resignation, and her sigh attracts the Sigh, a mysterious being that brings the seed she desired to the merchant. But every debt has to be paid, and every gift has a price, and the Sigh returns a year later to take the</p>	<p>merchant's daughter to a secret and distant palace. <i>Lipstick Jihad</i> U of Minnesota Press "Groundbreaking and unforgettable." --Kirkus (starred review) "This is a powerful, eye-opening graphic novel that will foster empathy and understanding in readers of all ages." --The Globe and Mail "In league with Art Spiegelman's <i>Maus</i> and Marjane Satrapi's <i>Persepolis</i>, this is a must-purchase for</p>	<p>any teen or adult graphic novel collection." --School Library Journal (starred review) From the pen of former Daily Star (Lebanon) reporter Samya Kullab comes this breathtaking and hard-hitting story of one family's struggle to survive in the face of war, displacement, poverty and relocation. <i>Escape from Syria</i> is a fictionalized account that calls on real-life circumstances and true tales</p>
--	---	---

of refugee families to serve as a microcosm of the Syrian uprising and the war and refugee crisis that followed. More than 22,000 copies of the book have sold to date and sadly there is no end in sight for the catastrophe in Syria. Knowing a personal story from behind the news helps young people to understand. The story spans six years in the lives of Walid, his wife Dalia, and their two children,

Amina and Youssef. Forced to flee from Syria, they become asylum-seekers in Lebanon, and finally resettled refugees in the West. It is a story that has been replayed thousands of times by other families. When the family home in Aleppo is destroyed by a government-led bomb strike, Walid has no choice but to take his wife and children and flee their war-torn and much loved

homeland. They struggle to survive in the wretched refugee camps of Lebanon, and when Youssef becomes very ill as a result of the poor hygienic conditions, his father is forced to take great personal risk to save his family. Walid's daughter, the young Amina, a whip-smart grade-A student, tells the story. As she witnesses firsthand the harsh realities that her family must endure if they are to survive --

swindling
smugglers,
treacherous
ocean
crossings, and
jihadist
militias -- she
is forced to
grow up very
quickly in
order to help
her parents
and brother.
Kullab's
narrative
masterfully
maps both the
collapse and
destruction of
Syria, and the
real-life
tragedies
faced by its
citizens still
today. The
family's
escape from
their
homeland
makes for a
harrowing
tale, but with

their safe
arrival in the
West it serves
as a hopeful
endnote to
this ongoing
worldwide
crisis.

We all have
dreams—thing
s we fantasize
about doing
and generally
never get
around to.
This is the
story of Azar
Nafisi's dream
and of the
nightmare
that made it
come true. For
two years
before she left
Iran in 1997,
Nafisi
gathered

seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—Pride and Prejudice, Washington Square, Daisy Miller and Lolita—their Lolita, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw

as an immoral work that preached falsehoods of “the Great Satan,” she decided to let him put Gatsby on trial and stood as the sole witness for the defense. Azar Nafisi’s luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women’s lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a

startlingly original voice. Praise for Reading Lolita in Tehran “Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. The ayatollahs

don’t know it, but Nafisi is one of the heroes of the Islamic Republic.”—Geraldine Brooks, author of *Nine Parts of Desire*

A MEMOIR OF GROWING UP AS A GIL IN REVOLUTIONARY IRAN, PERSEPOLISE PROVIDES A UNIQUE GLIMPSE INTO A NEARLY UNKNOWN AND UNREACHABLE WAY OF LIFE.

Reading Lolita in Tehran
Longman Publishing Group
'There is, as you pick it up, nothing to prepare you for its power'
OBSERVER
'Quite simply,

one of the most beautiful books I have ever read' AMINATTA FORNA How do we navigate our complex histories for our children? What is our duty to share and what must we leave for them to discover? Writing to his daughter, David Chariandy asks difficult, unsettling, perhaps impossible questions - questions made all the more poignant by our current political landscape.

With tender, spare and luminous prose, Chariandy looks both into his heart and mind and out to the world and humanity. In the tradition of Ta-Nehisi Coates and Chimamanda Ngozi Adichie, this is a book about race; this is a book about family. **Understanding Comics** Harper Collins "Do not underestimate the power of the book you are holding in your hands." —Michelle Alexander More than 2

million people are now imprisoned in the United States, producing the highest rate of incarceration in the world. How did this happen? As the director of The Sentencing Project, Marc Mauer has long been one of the country's foremost experts on sentencing policy, race, and the criminal justice system. His book *Race to Incarcerate* has become the essential text for

understanding the exponential growth of the U.S. prison system; Michelle Alexander, author of the bestselling *The New Jim Crow*, calls it "utterly indispensable." Now, Sabrina Jones, a member of the World War 3 Illustrated collective and an acclaimed author of politically engaged comics, has collaborated with Mauer to adapt and update the original book into a vivid and

compelling comics narrative. Jones's dramatic artwork adds passion and compassion to the complex story of the penal system's shift from rehabilitation to punishment and the ensuing four decades of prison expansion, its interplay with the devastating "War on Drugs," and its corrosive effect on generations of Americans. With a preface by Mauer and a foreword by

Alexander, *Race to Incarcerate: A Graphic Retelling* presents a compelling argument about mass incarceration's tragic impact on communities of color—if current trends continue, one of every three black males and one of every six Latino males born today can expect to do time in prison. The race to incarcerate is not only a failed social policy, but also one that prevents a

just, diverse society from flourishing.

Embroideries Uncivilized Books

This first full-length scholarly study of comic books as a narrative form attempts to explain why comic books, traditionally considered to be juvenile trash literature, have in the 1980s been used by serious artists to tell realistic stories for adults

Persian Historiography
Univ of Wisconsin Press

A memoir done in the form of a graphic novel by a cult favorite comic artist offers a darkly funny family portrait that details her relationship with her father--a funeral home director, high school English teacher, and closeted homosexual.

Comic Books as History
