WILLIAMSON DEVYN

When a Man Cries Cambridge University Press

A child wanders too far into the Knysna Forest ... he never returns. Nine years later government officials working on a census find a white child living with a Coloured family in the mountains beyond the forest. They take him away from the stricken Fiela, who has brought him up as her son, and give him back to his 'original' family. Stunned and helpless, Benjamin waits for Fiela to reclaim him. But, powerless against authority, Fiela never comes. Benjamin has to grow up before he can go in search of the truth ...

Xhosa oral poetry has defied the threats to its integrity over two centuries, to take its place in a free South Africa. This volume establishes the background to this poetic re-emergence, preserving and transmitting the voice of the Xhosa poet. *The Hidden Life of Hanna Why* Andrews McMeel Publishing

A Xhosa prince reluctantly leaves the University College of Fort Hare and goes back to the land of his ancestors to take his place as king of the Mpondomise. The clash of his modern ideas and the traditional beliefs of his people mirrors the dash of the western way of life with African custom and tradition -- church-people versus traditionalists, school people versus 'red-ochre people', boarding school activities versus the inkundla or assembly at the royal place. The conclusion, that disaster can be averted only by the willingness of opposing forces to work together for mutual comprehension of the legitimate claims of tradition and modernity, gives a foretaste of the spirit that governed modern South Africa's political transformation. *Ingqumbo Yeminyanya -- The Wrath of the Ancestors* -- is a classic of Xhosa literature. A C Jordan has a keen eye for detail, a delightful sense of humour and a dramatic style. Literal translations of Xhosa images,

idioms and proverbs transport readers to the Tsolo district and conjure up the memorable speeches of the Mpondomise counsellors.

An African Elegy A&C Black

An urban swindler finds his way to the village of Nyanyadu in rural South Africa where he dupes the villagers with the promise of untold riches.

Lullabies Word to the World Ministries Dreams are the currency of Okri's writing, particularly in this first book of poems, *An African Elegy*, but also in his books of short stories and prize-winning novel *The Famished Road*. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an

upbeat restorative ending' - Giles Foden, Times Literary Supplement

 New Africa Books

This powerful and widely acclaimed autobiography of Sindiwe Magona's early years in South Africa gives an account of her eventful first 23 years--a candid story of triumph and endurance in the face of hardships relentlessly reinforced by the apartheid system.

Bibliography of the Xhosa language to the year 1990 Word to the World Ministries
 Three hungry goats roam the South African landscape where, just across the bridge, there is a koppie—a small hill in the midst of the land—that is covered in sweet, green grass and would be delicious to eat. They're too afraid of the fierce monster that lives beneath the bridge to cross, until one day they are hungry enough to try. Each goat must test their bravery and attempt outsmarting the monster, or else be gobbled up. A retelling of a beloved children's fable, this story reflects African contexts while maintaining the universal qualities of the original.
