LILLIANNA SASHA

A Literal Translation of the Andria of Terence [by T.A. Blyth] Franco Angeli

Terence's Hecyra raises social, literary and theatrical issues of great interest to modern students of Roman comedy and, indeed, of Roman culture more broadly. The play pays strikingly close attention to the domestic problems of women and experiments boldly with traditional comic forms, not only in its creation of anticipatory suspense, but through its variations on traditional situations and roles and its metatheatrical qualities. In addition, Terence's response in his prologues to the play's two putative failures is important, if tendentious, evidence for the mechanics of theatrical performance in the second century, especially the conjunction of theatrical and gladiatorial shows. This edition opens the play's many interpretive challenges to wider scrutiny while remaining attentive to the linguistic needs of students at all levels.

La letteratura latina: Dalle origini alla crisi della repubblica

Maggioli Editore

Menander was the founding father of European comedy. From Ralph Roister Doister to What the Butler Saw, from Henry Fielding to P. G. Wodehouse, the stock motifs and characters can be traced back to him. The greatest writer of Greek New Comedy, Menander (c.341-290 BC) wrote over one hundred plays but until the twentieth century he was known to us only by short quotations in ancient authors. Since 1907 papyri found in the sand of Egypt have brought to light more and more fragments, many substantial, and in 1958 the papyrus text of a complete play was published, The Bad-Tempered Man (Dyskolos). His romantic comedies deal with the lives of ordinary Athenian families, and they are the direct ancestors not only of Roman comedy but also of English comedy from the Renaissance to the present day. This new verse translation is accurate and highly readable, providing a consecutive text with supplements based on the dramatic situation and surviving words in the damaged papyri. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Il ruolo della letteratura latina all'interno del più vasto mondo della cultura antica; le sue evoluzioni e i legami con le vicende politiche del tempo. Da Livio Andronico a Isidoro di Siviglia, Hubert Zehnacker e Jean-Claude Fredouille affrontano circa nove secoli di una letteratura che per la sua unità e la sua continuità, sia di lingua sia di riferimenti artistici, va ben al di là della storia

politica e istituzionale di Roma e forma la matrice della nostra cultura occidentale. Questo classico degli studi letterari non si concentra sui soli autori chiave, ma affronta anche scrittori minori, testimoni di una permanenza culturale indispensabile per la nascita delle grandi opere, nel solco di una storia che si sviluppa sulla base della circolazione delle idee, delle mode estetiche e letterarie. Scandito secondo i grandi periodi della storia di Roma, il testo segue un ordine cronologico e affronta con attenzione le forme e i generi letterari così come il loro contesto, con una trattazione chiara e completa anche della letteratura latina cristiana, spesso trascurata nei manuali.

The First Jesuits HOEPLI EDITORE

This is a book about Roman comedy, ancient theatre imagery, and seven medieval illustrated manuscripts of Terence's six Latin comedies. These manuscript illustrations, made between 800 and 1200, enabled their medieval readers to view these comedies as "mirrors of life".

Storia del teatro latino Mondadori Education

When Hamlet receives a visitation from the ghost of his late father, he uncovers a plot that will lead him on a journey of vengeance and self destruction. Shakespeare's timeless play is retold with easy to follow text. The comic strip format provides an accessible introduction to the works of Shakespeare. Valentino Forlini's colourful, dynamic illustrations bring the story to life for young readers.

John W. O'Malley gives us the most comprehensive account ever written of the Society of Jesus in its founding years, one that heightens and transforms our understanding of the Jesuits in history and today. Following the Society from 1540 through 1565, O'Malley shows how this sense of mission evolved. He looks at everything—the Jesuits' teaching, their preaching, their casuistry, their work with orphans and prostitutes, their attitudes toward Jews and "New Christians," and their relationship to the Reformation. All are taken in by the sweep of O'Malley's story as he details the Society's manifold activities in Europe, Brazil, and India.

Fragmentary texts play a central role in Classics. Their study poses a stimulating challenge to scholars and readers, while its

methods and principles, far from being rigidly immutable, invite constant reflection on its methods, approaches, and goals. By focusing on some of the most relevant issues that fragmentologists have to face, this book contributes to the ongoing and lively debate on the study of fragmentary texts. This volume contains an extensive theoretical introduction on the study of textual fragments, followed by eight essays on a wide variety of topics relevant to the study of fragmentary texts across literary genres. The chapters range from archaic Greek epics (the Hesiodic corpus) to late-antique grammarian Nonius Marcellus as a source of fragments of Republican literature. All contributions share a nuanced, critical attention to the main methodological implications of the study of fragmentary texts and mutually contribute to highlighting the field's common specificities and limitations, both in theory and in editorial practice. The book offers a representative spectrum of fragmentological issues, providing all readers with an interest in Classics with an up-to-date, methodologically aware approach to the field.

The Continuity of Classical Literature Through Fragmentary Traditions Routledge

This contribution by Gesine Manuwald provides an introduction to all varieties of 'Roman comedy', including primarily *fabula palliata* ('New Comedy', as represented by Plautus and Terence) as well as *fabula togata*, *fabula Atellana*, *mimus* and *pantomimus*.

Che cos'è l'istituto dell'affido familiare? Solo una formula giuridica o anche pedagogica? È sempre esistito, e come? Perché riguarda solo i minori? Qual è il suo fine? Come si giunge ad una decisione di questo genere? Come si accoglie in casa o a scuola un minore in affido? Perché in un modo e non in un altro? Come si affrontano, e perché, i problemi e le risorse di un minore in affido

nei luoghi più importanti dell'educazione, cioè in famiglia, a scuola, nei gruppi coetanei, nella comunità? In che senso l'osservazione pedagogica e gli strumenti narrativi diventano strategie metodologico-didattiche importanti nel governo, nella promozione e nella valutazione della qualità educativa di un affido? Sono le domande principali a cui risponde questo volume dedicato all'esplorazione di un tema pressoché trascurato nel panorama editoriale italiano. In questo modo, l'autrice ha inteso sostenere i genitori affidatari e gli insegnanti nel ricercare con intenzionalità e grande competenza i percorsi di personalizzazione degli interventi educativi e didattici richiesti in generale per tutti i ragazzi, ma in maniera peculiare per i minori in affido.

Terenzio nel rinascimento (saggio) Bureau Biblioteca Univ. Rizzoli

'I thought you'd do what the common run of slaves normally do, cheating and tricking me because my son's having an affair.' Terence's comedies have provided plots and characters for comic drama from classical times to the present; the outstanding comic playwright of his generation at Rome, he has influenced authors from Molière and Wycherley to P. G. Wodehouse. Scheming slaves, parasites, prostitutes, pimps, and boastful soldiers populate his plays, which show love triumphing over obstacles of various kinds, and the problems that arise from ignorance, misunderstanding, and prejudice. Although they reflect contemporary tensions in Roman society, their insights into human nature and experience make them timeless in their appeal. Peter Brown's lively new translation does full justice to Terence's style and skill as a dramatist. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Comedies La Nuova Italia

First published in 1928, *The Correspondence of Spinoza* is deeply interesting in many ways. It presents a pageant of the leading types of seventeenth-century mentality. It affords contemporary glimpses of important scientific researches and discoveries. It brings us into touch with some of the social and political events and tendencies of the period. This book includes correspondent letters containing things of first-rate importance for the correct interpretation of the philosophy of Spinoza.
