The Truce at Bakura Sourcebook Del Rey

Stranded on Tatooine with a broken-down hyperdrive, Dash Rendar and crew--his Nautolan copilot, Eaden Vrill, and a droid named Leebo--have to find a way to raise credits. It comes in the lovely form of Javul Charn, a multi-talented human holostar being stalked by an over-zealous fan. She needs bodyguards to protect her during her tour along the Corellian Run; Dash needs credits. It's a perfect match...until things begin to go wrong--seriously and dangerously wrong. By the time Dash realizes that the threat to Javul is not what it seems, he's in up to his neck in a conspiracy that goes much deeper than anything he would have signed up for. Even with the help of his hated rival--Han Solo--will Dash be able to protect this spoiled entertainer, all the while being reminded that he couldn't protect his own family?

Andrew Jackson Spectra

Based on all six of the Star Wars movies, tells the story of Anakin Skywalker from his birth in slavery to his death as the powerful Darth Vader. Reprint.

Fury: Star Wars Legends (Legacy of the Force) Enclave Publishing
No sooner has Darth Vader's funeral pyre burned to ashes on Endor than the Alliance intercepts a call for help from a far-flung Imperial outpost. Bakura is on the edge of known space and the first to meet the Ssi-ruuk, cold-blooded reptilian invaders who, once allied with the now dead Emperor, are approaching Imperial space with only one goal; total domination. Princess Leia sees the mission as an opportunity to achieve a diplomatic victory for the Alliance. But it assumes even greater importance when a vision of Obi-Wan Kenobi appears to Luke Skywalker with the message that he must go to Bakura-or risk losing everything the Rebels have fought so desperately to achieve. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Star Wars Litres

Collects the first three books in the Star Wars series, offering a glimpse of how Anakin Skywalker became aware of his power and turned to the dark side.

Luke Skywalker and the Shadows of Mindor Del Rey

Her memories are blocked. Her freedom is gone. Her crime is a mystery. When Ming Dalamani awakens from twenty years of suspended animation, she recalls only fragments of her former life: the life she led before she was arrested by the governing interplanetary corporation, Renasco, for a now unremembered crime. Relocated to an alien world far from the only home she has ever known, Ming serves a powerful Renasco representative to repay her debt. But daily she lives with deadly threats from two men--the hideous mutant Zardir Huekk and the handsome, secretive musician Tieg Innig--who both want the same thing: information. Renasco-trained as a calligrapher in three dimensions, Ming begins to remember more: a clan, a mission, and interstellar piracy. Ming must decide where her loyalties lie: with her powerful new employer, with a budding resistance

movement... or elsewhere.

Star Wars. The Truce at Bakura. Spectra

The Heart of the Jedi Darth Vader and the Emperor are no more. The Alliance has officially become the New Republic. As Han Solo, Princess Leia, and the new Chief-of-State Mon Mothma emerge triumphant against the diminishing Empire, the Imperial Remnant fights on until the long-silent Imperial Senate rises up to call for peace. But not everyone wants peace, and High Admiral Tharkus has made plans to ensure the Empire will reemerge under his rule. At his side stands the mysterious Dioskouroi, beings of rare and deadly powers! For Luke Skywalker, exhausted from years of fighting, the time has come to depart upon a journey of discovery, a journey that will lead him to a secret long ago hidden by Obi-Wan Kenobi. ♦♦♦ The Heart of the Jedi, Kenneth C. Flint's lost Star Wars novel, commissioned and approved by Lucasfilm, and set to be released in 1993, disappeared without a trace. For many years fans wondered what became of the book and why it was never published, and so it was chalked up to yet another tragic "lostworlds" story that no one would ever get to read or enjoy... or so we thought! Kenneth C. Flint's complete novel The Heart of the Jedi has at last been unearthed! Published on StarWarsTimeline.net, it has been edited to fit into the existing Expanded Universe, taking place a short time after The Truce at Bakura and the end of issue #107 of the Marvel series, but before the X-Wing comic-book series. Reprinted here in paperback for the first time, this is a non-profit listing for private collectors only. The downloadable PDF is freely available here:

Note: I'd like to clear a few things up. This is an unofficial fan printing of an unofficial fan story. IE: Bootleg Fanfiction. Disney owns Star Wars©, not The Heart of the Jedi. I am not making money off this venture. This is being printed AT COST only. The price paid is merely to Amazon for printing charges. There was a fan printing briefly available in 2015. I, and most others, missed that one. Some time ago, I decided I wanted a copy of "The Heart of the Jedi" for my bookshelf. I downloaded the PDF, formatted it for paperback, sized it so it would fit in with other MMPs, and did some Photoshop work for a Batam-era appropriate cover. I put it on Amazon, ordered my copy, and was done. Then, quite frankly, I forgot about it. The increase in copies sold has lead to a few rumors. I'd like to address some of them: The increase in copies sold has lead to a few rumors. I'd like to address some of them: I am not Ken Flint. I am not Joe Bongiorno. I am not affiliated with Disney. This book is not outselling Disney Star Wars. The way the Amazon Ranking algorithm works is based on sales per hour, not lifetime sales. I am not Timothy Zahn. I know him. He is an amazing mentor and an inspiration to me. I would never try and sabotage his work or steal his thunder. Everyone go buy Thrawn. I want to say everyone go buy MY book! But at this point, I think

anonymity is safer than infamy. EU fans, stop trying to stick a thumb in Disney's eye. We're not going to change anything. Disney fans, just ignore the EU fans and let them have their silly little book. Stop tattling to Disney. Finally, I would like to publicly apologize to Ken for any appearance that I might be stealing his work. That was not the intent. --A Star Wars Fan

Wind and Shadow Del Rey

One Extraordinary Woman and the Enemy Within Lady Firebird Angelo Caldwell has been sentenced to death "in absentia" for treason, sedition, and heresy. The last thing she expects is a summons to return home and be confirmed as an heiress of her royal house. But merciless foes are destroying entire cities of the Federate worlds. These renegades are trying to wipe out the messianic Caldwell bloodline, and they have almost eradicated the royal Angelos. To help trap an assassin, Firebird agrees to wear the heiress's tiara for one day of perilous pageantry. Still, Firebird's deadliest enemy—the one that can destroy or bereave her—isn't that renegade assassin. Neither is it the despotic regent who hopes to seize the Angelos' throne, nor even the threat of dying in a desperate military strike at the renegades' world. Unless she can bring her own pride to heel, everything she cherishes will be lost.
