STUDENTS
Each year we help more than two million students score high with our courses, bestselling books, and award-winning software: WE GET RESULTS
Students who take our courses for the SAT, ACT, and many other tests see score improvements that have been verified by independent accounting firms. The proven techniques we teach in our courses are in this book. AND IF IT'S ON THE SAT II: HISTORY EXAM, IT'S IN THIS BOOK
We don't try to teach you everything there is to know about history--only what you'll need to know to score high on the SAT II exam. There's a big difference. In Cracking the SAT II: History, 1999-2000 Edition, you will learn to think like the test makers and:
*Eliminate answer choices that look right but are planted to fool you *Earn more points by knowing in advance what American and world history topics are likely to be tested *Score higher by using the "era" approach to remembering historical facts
*Employ specific techniques for cracking both the American and world history tests
Practice your skills on the three full-length sample tests inside (two for American history and one for world history). The

questions are just like the ones you'll see on the actual SAT II: History exam, and we fully explain every solution. *Cracking the SAT U. S. and World History Subject Tests, 2013-2014 Edition* Princeton Review Provides a review of computer science concepts, sample questions and answers, and two full-length practice exams. *SAT 2400 in Just 7 Steps* Princeton Review Provides
