### Apocalypse Party

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

### How Ancient Wisdom Can Change Your Life

Marvel Enterprises  
A collection of timely essays by the internationally acclaimed and bestselling essayist, philosopher, literary critic and author of *The Name of the Rose* and *The Prague Cemetery*. Inventing the Enemy covers a wide range of topics on which Umberto Eco has written and lectured over the last ten years, from the discussion of ideas that have inspired his earlier novels - exploring lost islands, mythical realms, and the medieval world in the process - to a disquisition on the theme that runs through his most recent novel, *The Prague Cemetery*, that every country needs an enemy, and if it doesn't have one, must invent it. Eco's lively new collection examines topics as diverse as St Thomas Aquinas's notions about the soul of an unborn child, indignant reviews of James Joyce's *Ulysses* by fascist journalists of the 1920s and 1930s, censorship, violence and Wikileaks. These are essays full of passion, curiosity, and obsessions by one of the world's most esteemed scholars and critically acclaimed, bestselling novelists.

*On the Shoulders of Giants* Warner Books (NY)

A moving exploration of the most common but most mysterious procedure in medicine. For many of the 40 million Americans who undergo anesthesia each year, it is the source of great fear and fascination. From the famous first demonstration of anesthesia in the Ether Dome at Massachusetts

General Hospital in 1846 to today's routine procedure that controls anxiety, memory formation, pain relief, and more, anesthesia has come a long way. But it remains one of the most extraordinary, unexplored corners of the medical world. In *Counting Backwards*, Dr. Henry Jay Przybylo—a pediatric anesthesiologist with more than thirty years of experience—delivers an unforgettable account of the procedure's daily dramas and fundamental mysteries. Przybylo has administered anesthesia more than 30,000 times in his career—erasing consciousness, denying memory, and immobilizing the body, and then reversing all of these effects—on newborn babies, screaming toddlers, sullen teenagers, even a gorilla. With compassion and candor, he weaves his experiences into an intimate exploration of the nature of consciousness, the politics of pain relief, and the wonder of modern medicine. Filled with intensity and humanity, with moments of near-disaster, life-saving success, and simple grace, *Counting Backwards* is for anyone curious about what happens after we lose consciousness.

### Translation as Negotiation

Houghton Mifflin Harcourt  
*The Trouble with Happiness* is a powerful new collection of short stories by Tove Ditlevsen, "a terrifying talent" (Parul Sehgal, *New York Times*). A newly married woman longs, irrationally, for a silk umbrella; a husband chases away his wife's beloved cat; a betrayed mother impulsively sacks her housekeeper. Underneath the surface of these precisely observed tales of marriage and family life in mid-century Copenhagen pulse currents of desire, violence, and despair, as women and men struggle to escape from the roles assigned to them and dream of becoming free and happy—without ever truly understanding what that might mean. Tove Ditlevsen is one of Denmark's most famous and beloved writers, and her autobiographical *Copenhagen Trilogy* was hailed as a masterpiece on re-publication in English, lauded for its wry humor, limpid prose, and powerful honesty. The poignant and understated stories in *The Trouble with Happiness*, written in the 1950s and 1960s and never before translated into English, offer readers a new chance to encounter the quietly devastating work of this essential twentieth-century writer.

. . . not merely interesting and novel, but also exceedingly provocative and heuristically fertile. --*The Review of Metaphysics* . . . essential reading for anyone interesting in . . . the new reader-centered forms of criticism. --*Library Journal* In this erudite and imaginative book, Umberto Eco sets forth a dialectic between 'open' and 'closed' texts.

Bonding HarperCollins

"Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves—it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of *Negative Space* "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles slopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of *Hunchback '88*

Human Croquet W. W. Norton & Company

*On the Shoulders of Giants* collects previously unpublished essays from the last fifteen years of Umberto Eco's life. With humor and erudition, one of the great contemporary thinkers takes on the roots of Western culture, the origin of language, the nature of beauty and ugliness, the imperfections of art, and the lure of mysteries.

A Rose by Any Name Houghton Mifflin Harcourt

Winner of the Stowe Prize Winner of the NBCC Prize for Nonfiction This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and activism continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

When Hurricane Katrina swept everything from its path, Peggy Martin's famous rose garden was left under 20 ft of water and mud. Everyone thought nothing would recover. But after the water receded,

a single no-name old-fashioned rose stood alone. The rose finally earned a name and brought hope to all for miles around.

Watchers of Time Random House

"IT IS STAN," screamed the unhinged monk. "STAN HAS COME AMONGST US!" "Stan?" cried the abbot and I in bewilderment. "Who is Stan?" I realized my mistake, and retyped the line. "IT IS SATAN," screamed the unhinged monk. "SATAN HAS COME AMONST US!" Mega-selling author, Marco Ocrum, is on the edge of a nervous breakdown, and needs complete rest. Police Chief Como Galahad—Marco's main character—needs a volunteer to go under-cover at the Abbey, a remote celebrity retreat run as a medieval monastery, where something fishy is afoot. There's only one solution—Marco books into the Abbey for a detox, just a few days before a hundred A-listers fly in for a grand gala dinner. Could anything go wrong? Could Marco write a labyrinth of astounding twists to leave all the world's top celebrities moments from an awful death? Will you be amazed by the ending? You bet! Fast, funny, and utterly different. Welcome to the weird world of *The Awful Truth*.

*The name of the rose* BecomeShakespeare.com

Read the enthralling medieval murder mystery behind the BBC TV Series *The year is 1327*.

Franciscans in a wealthy Italian abbey are suspected of heresy, and Brother William of Baskerville arrives to investigate. When his delicate mission is suddenly overshadowed by seven bizarre deaths, Brother William turns detective. William collects evidence, deciphers secret symbols and coded manuscripts, and digs into the eerie labyrinth of the abbey where extraordinary things are happening under the cover of night. A spectacular popular and critical success, *The Name of the Rose* is not only a narrative of a murder investigation but an astonishing chronicle of the Middle Ages. 'Whether you're into Sherlock Holmes, Montaigne, Borges, the nouvelle critique, the Rule of St. Benedict, metaphysics, library design, or *The Thing from the Crypt*, you'll love it' *Sunday Times* *THE ROSE AND THE RING* Bloomsbury Publishing

In this prescient essay collection, the acclaimed author of *Foucault's Pendulum* examines the cultural trends and perils at the dawn of the 21st century. In the last decade of the 20th century, Umberto Eco saw an urgent need to embrace tolerance and multiculturalism in the face of our world's ever-increasing interconnectivity. At a talk delivered during the first Gulf War, he points out the absurdity of armed conflict in a globalized economy where the flow of information is unstoppable and the enemy is always behind the lines. Elsewhere, he questions the influence of the news media and identifies its contribution to our collective disillusionment with politics. In a deeply personal essay, Eco recalls his boyhood experience of Italy's liberation from fascism. He then analyzes the universal elements of fascism, including the "cult of tradition" and a "suspicion of intellectual life." And finally, in an open letter to an Italian cardinal, Eco reflects on a question underlying all the reflections in the book: What does it mean to be moral or ethical when one doesn't believe in God? "At just 111 pages, *Five Moral Pieces* packs a philosophical wallop surprising in such a slender book. Or maybe not so surprising. Eco's prose here is beautiful."—*January Magazine*

*Naming the Rose* Picador

Thousands of years ago, Indian Yogis possessed the knowledge to obtain the weapons of the gods. However, this knowledge could only be transferred from a Guru to his disciple by word of mouth. In today's world, one mystic, who calls himself Guruji, still possesses this knowledge and is using it to

empower an innocent person's life. Only, this empowerment could be a deception and the innocent person is a thirteen year old boy with a stutter... In this intertwining tale, an ambitious yet unsuccessful Shankar, in search of his identity, is manipulated to embark on a never-told-before fantasy tale; only to rediscover the father he never knew and unmask the mystical Guruji. Amidst this confounding concoction of ancient myths, deluding personas and dispersed emotions, will Shankar ever be able to separate fact from fiction and find his true identity?

[An Inspector Ian Rutledge Novel](#) Bloomsbury Publishing USA

'Fascinating...I'll never look at a rose in quite the same way again.' Adrian Tinniswood The rose is bursting with meaning. Over the centuries it has come to represent love and sensuality, deceit, death and the mystical unknown. Today the rose enjoys unrivalled popularity across the globe, ever present at life's seminal moments. Grown in the Middle East two thousand years ago for its pleasing scent and medicinal properties, it has become one of the most adored flowers across cultures, no longer selected by nature, but by us. The rose is well-versed at enchanting human hearts. From Shakespeare's sonnets to Bulgaria's Rose Valley to the thriving rose trade in Africa and the Far East, via museums, high fashion, Victorian England and Belle Epoque France, we meet an astonishing array of species and hybrids of remarkably different provenance. This is the story of a hardy, thorny flower and how, by beauty and charm, it came to seduce the world.

**Explorations in the Semiotics of Texts** Little, Brown

In 1327, Brother William of Baskerville is sent to investigate charges of heresy against Franciscan monks at a wealthy Italian abbey but finds his mission overshadowed by seven bizarre murders.

[A Reckoning with the History of Slavery Across America](#) Algonquin Books

A collection of essays and addresses includes the author's musings on Ptolemy, his reflections on the experimental writings of Borges and Joyce, and confessions about his own ambitions and

anxieties. By the author of *The Name of the Rose*. 35,000 first printing.

**My Uncle Fulton Sheen** Houghton Mifflin Harcourt

A New York Times Book Review Notable Book of the Year Part fairy tale, part mystery, part coming-of-age novel, this novel tells the story of Isobel Fairfax, a girl growing up in Lythe, a typical 1960s British suburb. But Lythe was once the heart of an Elizabethan feudal estate and home to a young English tutor named William Shakespeare, and as Isobel investigates the strange history of her family, her neighbors, and her village, she occasionally gets caught in Shakespearean time warps. Meanwhile, she gets closer to the shocking truths about her missing mother, her war-hero father, and the hidden lives of her close friends and classmates. A stunning feat of imagination and storytelling from Kate Atkinson, *Human Croquet* is rich with the disappointments and possibilities every family shares.

**A Cultural History of the Rose** Houghton Mifflin Harcourt

Now a series starring John Turturro as William of Baskerville airing on SundanceTV Umberto Eco's first novel, an international sensation and winner of the Premio Strega and the Prix Médicis Étranger awards The year is 1327. Benedictines in a wealthy Italian abbey are suspected of heresy, and Brother William of Baskerville arrives to investigate. When his delicate mission is suddenly overshadowed by seven bizarre deaths, Brother William turns detective. His tools are the logic of Aristotle, the theology of Aquinas, the empirical insights of Roger Bacon—all sharpened to a glistening edge by wry humor and a ferocious curiosity. He collects evidence, deciphers secret symbols and coded manuscripts, and digs into the eerie labyrinth of the abbey, where "the most interesting things happen at night." "Like the labyrinthine library at its heart, this brilliant novel has many cunning passages and secret chambers . . . Fascinating . . . ingenious . . . dazzling." - Newsweek
