It contains step-by-step guides to performance management techniques such as limiting factor analysis and variance analysis. Exam formulae are highlighted and explained and detailed examples throughout the text will help build your understanding and reinforce learning.

ACCA Paper F5, Performance Management BPP Learning Media

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his

marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, The Goal is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

ACCA F5 Performance Management PM

Becker Professional Education Ltd
This examiner-reviewed Study Text contains all you need to know for F5, featuring practical applications of management accounting techniques. Knowledge that you should have from your earlier studies such as basic variance analysis is clearly identified and briefly reviewed. Topics that many students struggle with, such as learning curves, are clearly explained with plenty of examples and questions to help your understanding. Key terms are identified throughout to help you to learn new terminology such as short-termism and total quality management.

Performance management (PM). BPP Learning Media

Writing is one of the key factors in professional success. It is one of the ways in which managers appraise you. Write well and clients and colleagues will rate you. Write poorly and you could harm your prospects. This book explains how to write well in the workplace. Christopher Stoakes

is a lawyer and trainer acclaimed for his concise style
