If you were free from fear,

who would you have the

freedom to be? #1 New

York Times best-selling

author

Gabrielle Bernstein charts a path to heal trauma, unlearn fear, and remember love. What if you could wake up every day without anxiety? View your past with purpose, not regret? Live happy, peaceful, and free from fear? You can—and Gabrielle Bernstein will show you the way. Gabby has long been loved by her readers as a spiritual teacher, motivational speaker, and

catalyst for profound inner change. Her new book presents her most powerful teaching yet: a plan for transforming the pain of your past, whatever that may be, into newfound strength and freedom. You'll learn: • Why most people feel stuck in patterns that make them unhappy—and what to do about it • 9 transformational, yet untapped, techniques for serenity and genuine happiness—fr

om techniques for “reparenting” yourself to bodywork practices for freeing the stuck energy of past trauma

- The mindset shift that can do more for you than decades of personal work
- How to go into the places that scare you—and come away freer than ever before

“This book is my gift to you,” Gabby writes. “It will answer your questions about why you feel blocked, scared, anxious,

depressed, or alone, and it will liberate you from the belief system that has kept you small for so long. . . . By taking this path you will become the best version of yourself. You will become new.”

How Christianity Led to Freedom, Capitalism, and Western Success

Random House
Lives grind to a halt when people don't know how to relate to their past. Some believe "the past is

nothing" and attempt to suppress the brokenness again and again. Others miss out on renewal and change by making the past more important than their present and future. Neither approach moves people toward healing or hope. Pastor and biblical counselor Stephen Viars introduces a third way to view one's personal history--by exploring the role of the past as God intended.

Using Scripture to lead readers forward, Viars provides practical measures to understand the important place "the past" is given in Scripture replace guilt and despair with forgiveness and hope turn failures into stepping stones for growth This motivating, compassionate resource is for anyone ready to review and release the past so that God can transform their

behaviors, relationships, and their ability to hope in a future.

The Book of Five Rings (Annotated)

Penguin
This classic work of political theory and practice offers an account of the modern Machiavellians , a remarkable group who have been influential in Europe and practically unknown in the United States. The book devotes a long section to Machiavelli himself as well as to such modern

What is karma? Most people understand karma as a balance sheet of good and bad deeds, virtues and sins. The mechanism that decrees that we cannot evade the consequences of our own actions. In reality, karma has nothing to do with reward and</p>

punishment. Karma simply means action: your action, your responsibility. It isn't some external system of crime and punishment, but an internal cycle generated by you. Accumulation of karma is determined only by your intention and the way you respond to what is happening to you. Over time, it's possible to become ensnared by your own unconscious patterns of

behavior. In Karma, Sadhguru seeks to put you back in the driver's seat, turning you from a terror-struck passenger to a confident driver navigating the course of your own destiny. By living consciously and fully inhabiting each moment, you can free yourself from the cycle. Karma is an exploration and a manual, restoring our understanding of karma to its original potential for freedom and

empowerment instead of a source of entanglement. Through Sadhguru's teachings, you will learn how to live intelligently and joyfully in a challenging world.
