A level 1 Oxford Bookworms Library graded readers. Written for Learners of English by Tim Vicary. England and Scotland in the 1500s. Two famous queens – Mary, the Catholic Queen of Scots, and Elizabeth I, the Protestant Queen of England. It was an exciting and a dangerous time to be alive, and to be a queen. Mary was Queen of Scotland when she was one week old. At sixteen, she was also Queen of France. She was tall and beautiful, with red-gold hair. Many men loved her and died for her. But she also had many enemies – men who said: ‘The death of Mary is the life of Elizabeth.’ *Back from Westminster* Oxford University Press

A level 2 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Written for Learners of English by Tim Vicary. All they could hear was the wind, and the waves crashing on to the rocks. All they could see was the night. They could not see the ship, broken in two. They could not see the people holding on to the dark wet rock, slowly dying of cold. And they could not hear the cries for help – only the wind. How could they save the people on the rock? Was their wooden boat stronger than the iron ship? Were a man and his daughter stronger than the great waves that broke the ship in two? The Forfarshire was wrecked off the north-east coast of England in 1838. This is the true story of Grace Darling – a girl who became a famous heroine on that stormy night.

A level 3 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Tim Vicary. On a September day in 1821, in the church of a Yorkshire village, a man and six children stood around a grave. They were burying a woman: the man’s wife, the children’s mother. The children were all very young, and within a few years the two oldest were dead, too. Close to the wild beauty of the Yorkshire moors, the father brought up his young family. Who had heard of the Brontës of Haworth then? Branwell died while he was still a young man, but the three sisters who were left had an extraordinary gift. They could write marvellous stories – Jane Eyre, Wuthering Heights, The Tenant of Wildfell Hall . . . But Charlotte, Emily, and Anne Brontë did not live to grow old or to enjoy their fame. Only their father was left,

alone with his memories.

Death in the Freezer - With Audio Level 2 Oxford Bookworms Library BRILL

Healthcare delivery systems have evolved greatly in recent years thanks to technological advances. Shifts in care, diagnosis and treatment have decreased the importance of traditional methods of care delivery and new ways have been developed to monitor and treat heart disease, inflammation and infection, cancer, diabetes and other chronic conditions. Monitoring techniques, in combination with imaging and telemetrics, can provide real-time, continuous evaluation of many conditions, and technology has not only helped to extend our lifespan but has contributed to an

improved quality of life for all citizens. This book examines and summarizes current and emerging trends in cybertherapy. It is divided into five main sections: critical reviews; evaluation studies; original research; clinical observations; and work in progress. The book underlines the progress cybertherapy has made in treating a variety of disorders; it also explores the challenges still to be faced, including the development of easy-to-use and more affordable hardware and software, as well as objective measurement tools. It also highlights the need to address potential side effects, and the importance of implementing more controlled studies to evaluate the strength of cybertherapy in comparison to traditional therapies, and will be of interest to all those involved in the delivery of healthcare today.
