## WILLIAMS HOPE

*Transactions* Iron Gold

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

In 1954 in the segregated South, Emily Chandler's childhood innocence is shattered when she and her brother discover a young black woman alone and dying in childbirth. Emily confronts the tragedy when she returns to her roots many years later to attend the funeral of a beloved nanny and finds herself the target of a stalker. As the saga of secrets, tragedy and discovery unfolds she enlists the help of Adelle Jones -- the family laundress and part-time voodoo practitioner -- in the search for blues musician Charlie Dixon, the nanny's missing son. This novel, set in the South Carolina Lowcountry, brings to life the eclectic personalities and explosive issues that continue to shape the New South.

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY, BUZZFEED, AND SHELF AWARENESS "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . An old man is dying. When the old man is dead they will come for him. And they will come for her, to make him hurt. John Hart has written three New York Times bestsellers and won an unprecedented two back-to-back Edgar Awards. His books have been called "masterful" (Jeffery Deaver) and "gripping" (People) with "Grisham-style intrigue and Turow-style brooding" (The New York Times). Now he delivers his fourth novel—a gut-wrenching, heart-stopping thriller no reader will soon forget. HE WOULD GO TO HELL At the Iron Mountain Home for Boys, there was nothing but time. Time to burn and time to kill, time for two young orphans to learn that life isn't won without a fight. Julian survives only because his older brother, Michael, is fearless and fiercely protective. When tensions boil over and a boy is brutally killed, there is only one sacrifice left for Michael to make: He flees the orphanage and takes the blame with him. TO KEEP HER SAFE For two decades, Michael has been an enforcer in New York's world of organized crime, a prince of the streets so widely feared he rarely has to kill anymore. But the life he's fought to build unravels when he meets Elena, a beautiful innocent who teaches him the meaning and power of love. He wants a fresh start with her, the chance to start a family like the one he and Julian never had. But someone else is holding the strings. And escape is not that easy. . . . GO TO HELL, AND COME BACK BURNING The mob boss who gave Michael his blessing to begin anew is dying, and his son is intent on making Michael pay for his betrayal. Determined to protect the ones he loves, Michael spirits Elena—who knows nothing of his past crimes, or the peril he's laid at her door—back to North Carolina, to the place he was born and the brother he lost so long ago. There, he will encounter a whole new level of danger, a thicket of deceit and violence that leads inexorably to the one place he's been running from his whole life: Iron House. Now with an excerpt of John Hart's next book *The Hush*, available in February 2018.

An explosive WWII saga of two enemy combatants—an American pilot and German U-boat officer—united by fate in an epic fight for survival . . . Lieutenant Karl Hagan earned his wings the hard way. But when his plane is shot down behind enemy lines, he's forced to make the hardest decision of his life: trusting the enemy. Oberleutnant Wilhelm Albrecht wore his Iron Cross with pride. But when his U-boat is attacked in a devastating air raid, he abandons ship and finds an

unlikely ally: the pilot who bombed him. It is November of 1944. The tides of war have turned. Allies have taken back France, and German troops have retreated. But for Karl and Wilhelm, the war is far from over. Each must be prepared to lie for the other, fight for the other, or die with the other. But their short-lived alliance won't truly be put to the test until they reach the end of the line—inside a POW camp . . . "Military-thriller fans should make Young's work an essential addition to their reading lists." —Booklist (starred review)

A decade ago, Darrow was the hero of the revolution he believed would break the chains of the Society, and abolish the color-coded caste system. But the Rising has shattered everything, and brought endless war. New foes emerge to threaten what has been earned, and throughout the worlds other destinies entwine with Darrow's to change his fate forever. A young Red girl flees tragedy in her refugee camp, and achieves for herself a new life she could never have imagined. An ex-soldier broken by grief is forced to steal the most valuable thing in the galaxy -- or pay with his life. And Lysander au Lune, the heir in exile to the Sovereign, wanders the stars with his mentor, Cassius, haunted by the loss of the world that Darrow transformed, and dreaming of what will rise from its ashes.

An enlightening narrative exploring an oft-overlooked aspect of the sixteenth president's life, *An American Marriage* reveals the tragic story of Abraham Lincoln's marriage to Mary Todd. Abraham Lincoln was apparently one of those men who regarded "connubial bliss" as an untenable fantasy. During the Civil War, he pardoned a Union soldier who had deserted the army to return home to wed his sweetheart. As the president signed a document sparing the soldier's life, Lincoln said: "I want to punish the young man—probably in less than a year he will wish I had withheld the pardon." Based on thirty years of research, *An American Marriage* describes and analyzes why Lincoln had good reason to regret his marriage to Mary Todd. This revealing narrative shows that, as First Lady, Mary Lincoln accepted bribes and kickbacks, sold permits and pardons, engaged in extortion, and peddled influence. The reader comes to learn that Lincoln wed Mary Todd because, in all likelihood, she seduced him and then insisted that he protect her honor. Perhaps surprisingly, the 5'2" Mrs. Lincoln often physically abused her 6'4" husband, as well as her children and servants; she humiliated her husband in public; she caused him, as president, to fear that she would disgrace him publicly. Unlike her husband, she was not profoundly opposed to slavery and hardly qualifies as the "ardent abolitionist" that some historians have portrayed. While she provided a useful stimulus to his ambition, she often "crushed his spirit," as his law partner put it. In the end, Lincoln may not have had as successful a presidency as he did—where he showed a preternatural ability to deal with difficult people—if he had not had so much practice at home.

NEW YORK TIMES BESTSELLER • *Red Rising* hit the ground running and wasted no time becoming a sensation. *Golden Son* continues the stunning saga of Darrow, a rebel forged by tragedy, battling to lead his oppressed people to freedom. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR, BUZZFEED, AND BOOKLIST • "Gripping . . . On virtually every level, this is a sequel that hates sequels—a perfect fit for a hero who already defies the tropes. [Grade:] A"—Entertainment Weekly As a Red, Darrow grew up working the mines deep beneath the surface of Mars, enduring backbreaking labor while dreaming of the better future he was building for his descendants. But the Society he faithfully served was built on lies. Darrow's kind have been betrayed and denied by their elitist masters, the Golds—and their only path to liberation is revolution. And so Darrow sacrifices himself in the name of the greater good for which Eo, his true love and inspiration, laid down her own life. He becomes a Gold, infiltrating their privileged realm so that he can destroy it from within. A lamb among wolves in a cruel world, Darrow finds friendship, respect, and even love—but also the wrath of powerful rivals. To wage and win the war that will change humankind's destiny, Darrow must confront the treachery arrayed against him, overcome his all-too-human desire for retribution—and strive not for violent revolt but a hopeful rebirth. Though the road ahead is fraught with danger and deceit, Darrow must choose to follow Eo's principles of love and justice to free his people. He must live for more. Praise for *Golden Son* "Stirring . . . When the gods come calling, you don't get to say no. Patrick Collins is three years into a career as a special agent for the Supernatural Operations Agency when the gods come calling to collect a soul debt he owes them. An immortal has gone missing in New York City and bodies are showing up in the wake of demon-led ritual killings that Patrick recognizes all too easily from his nightmares. Unable to walk away, Patrick finds himself once again facing off against mercenary magic users belonging to the Dominion Sect. Standing his ground alone has never been a winning option in Patrick's experience, but it's been years since he's had a partner he could trust. Looking for allies in

all the wrong places, Patrick discovers the Dominion Sect's next target is the same werewolf the Fates themselves have thrown into his path. Patrick has been inexplicably attracted to the man from their first meeting, but desire has no place in war. That doesn't stop Patrick from wanting what he shouldn't have. Jonothon de Vere is gorgeous, dangerous, and nothing but trouble to the case, to the fight against every hell, and ultimately, to Patrick's heart and soul. In the end, all debts must be paid, and Patrick can only do what he does best—cheat death. *A Ferry of Bones & Gold* is a 115k word m/m urban fantasy with a gay romantic subplot and a HFN ending.

'Another sizzling space epic to entice, excite and tease. 5 STARS' - Starburst Darrow was born a slave. He became a weapon. He ended centuries of Gold rule, broke the chains of an empire, and now he's the hero of a brave new republic. But at terrible cost. At the edge of the solar system, the grandson of the emperor he murdered dreams of revenge. In his hidden fortress in the oceans of Venus, the Ash Lord lies in wait, plotting to crush the newborn democracy. And, at home, a young Red girl who's lost everything to the Rising questions whether freedom was just another Gold lie. In a fearsome new world where Obsidian pirates roam the Belt, famine and genocide ravage Mars, and crime lords terrorise Luna, it's time for Darrow and a cast of new characters from across the solar system to face down the chaos that revolution has unleashed. \*\*\*\*\* Further praise for Iron Gold 'Fascinating . . . This is one you absolutely will have to read' - The BiblioSanctum '[Iron Gold] offers us both a continuation of the story Brown has been telling for years right alongside an eye-opening widening of his universe, as though we're watching it all through an exquisitely calibrated telescope that can slide on perfect bearings from one side of the solar system to the other without the slightest blur . . . Mature science fiction existing within the frame of blazing space opera' - NPR Books 'The books are an exhilarating fusion of *The Hunger Games*, *Blade Runner* and *Dune*. Amid a pulse-pounding narrative, they fearlessly tackle major issues like the fragility of democracy and the fallibility of human nature to betray its ideals even when freedom is attained' - Express '[A] thoughtful blend of action, intrigue, and prosaic human drama' - Publishers Weekly 'Iron Gold offers more of everything we loved about the first three books. Pierce Brown builds upon the foundations of the incredible universe and story he spun in the first trilogy, pivoting on his characters' flaws and fallibility to steer the narrative in unexpected directions. Suffice it to say, readers will be soon be dying to read the next one' - Barnes & Noble 'This book lives up to every expectation I have for Pierce Brown . . . you MUST read this, it will not disappoint!' - The Speculative Herald 'Brown succeeds not only in writing a great book, but adding to the world and Red Rising's mythos . . . The mix of political intrigue, action and thematic journeys elevate this book from a simple sci-fi adventure into something more thought-provoking and rewarding. Fans of Brown and his series should really enjoy this latest addition to Red Rising' - FlickeringMyth.com

From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers

for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

In February 2018, our small church in the sleepy town of Newfoundland, Pennsylvania held a marriage blessing ceremony and invited members from around the world to bring their AR 15 rifles. Planning this event had begun more than 6 months before. Although there was concern about the recent tragic events in the Parkland, Florida school shooting, it was our sense that if God had inspired us 6 months ago, He wasn't going to change His Mind due to one lunatic. There was no way we could have anticipated the firestorm of publicity that followed. "Gun Church in PA Blesses AR 15's!" "The Gun Church in Pennsylvania!" screamed the headlines! This book tells the real reasons for the ceremony, and how those are related to the serious challenges facing our nation and world. I would urge people to get a copy! An excellent apologetic for the 2nd Amendment. A handbook for dealing for some of the big mistakes people make when talking about the 2nd Amendment, self-defense and limiting the power of government. An excellent compilation of some of the major 2nd Amendment topics we need to have at our finger tips! Larry Pratt, Host Gun Owner's News Hour Radio on GCN

At approximately 09.00hrs on the 15th June 1996, an unassuming white lorry was parked on Corporation Street in the city centre of Manchester, England; it contained over 3000 pounds of high explosive. At 11.15hrs the same day, Manchester witnessed the detonation of the largest device on the British mainland since the second World War ... The Irish Republican Army claimed responsibility for the attack. Based around actual events, LETTERBOX tells the story of Liam Connor, an ordinary boy brought up in Manchester by a seemingly ordinary family. He goes to the local school, loves football and has a best friend called Sean ... an ordinary life! Unbeknown to Liam, his father, Michael Connor, harbors a dark historic secret, following a life a lot less ordinary ... as a furtive, yet high ranking soldier within the IRA. As a result of extraordinary circumstances, Liam's innocent and carefree world is shattered when he is exposed to the truth about his family's heritage and then learns about the tragic death of his father at the hands of the SAS. Consumed with both hate and the need to seek retribution, Liam is taken to Ireland where he is intensively trained to become a highly skilled and efficient soldier within the Irish Republican Army ... He is 16 years old! Some years later, following the drug-induced death of his beloved sister, Liam is given the opportunity to exact his revenge on those he believed should truly be blamed for the tragedies in his life ... The British Government! Thus, on the 15th June 1996, it was Liam's responsibility to drive the bomb laden lorry into the unsuspecting city of Manchester and let the voice of the IRA be clearly heard ... And listened to!!

Handbook of Preparative Inorganic Chemistry, Volume 2, Second Edition focuses on the methods, mechanisms, and chemical reactions involved in conducting experiments on inorganic chemistry. Composed of contributions of various authors, the second part of the manual focuses on elements and compounds. Included in the discussions are copper, silver, and gold. Numerical calculations and diagrams are presented to show the properties, compositions, and chemical reactions of these materials when exposed to varying laboratory conditions. The manual also looks at other elements such as scandium, yttrium, titanium, zirconium, hafnium, and thorium. Lengthy discussions on the characteristics and nature of these elements are presented. The third part of the guidebook discusses special compounds. The manual also provides formula and subject index, including an index for procedures, materials, and devices. Considering the value of information presented, the manual can best serve the interest of readers and scientists wanting to institute a system in the conduct of experiments in laboratories.
