In the heart of Northern England, three respectable couples, married on the same day, at the same church, and

by the same vicar, join to celebrate 25 years of blissful matrimony. Or so they think... The happy celebrations are brought to a sudden halt by a shocking revelation - these pillars of the community aren't quite as respectably married as they thought they were. As the home truths fly like confetti and conjugal rites turn to farcical fights, an evening of sparkling comic mayhem erupts. With a photographer from the local paper due to arrive any second, a missing housekeeper and

a doorbell that won't stop ringing, can the three couples keep a lid on their embarrassing secret? Penned in 1938, this is a classic comedy that is a blessed union of laughs and surprises.

"Contemporary American Jewry: Grounds for Optimism or Pessimism?" with assessments from more than 20 experts in the field. The third chapter examines antisemitism in Contemporary America. Chapters on "The Domestic Arena" and "The International Arena" analyze the year's events as they affect American Jewish communal and political affairs. Three chapters analyze the demography and geography of the US, Canada, and world Jewish

populations. Part II provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, synagogues, Hillels, day schools, camps, museums, and Israeli consulates. The final chapters present national and local Jewish periodicals and broadcast media; academic resources, including Jewish Studies programs, books, journals, articles, websites, and research libraries; and lists of

 Alison Oddey's interviews with prominent performing women span generations, cultures, perspectives, practice and the best part of the twentieth-century, telling various stories collectively. Stand-ups, 'classic' actresses, film and television personalities, experimental and 'alternative' practitioners discuss why they want to perform, what motivates them, and how their personal history has contributed to their desire

to perform. Oddey's critical introductory and concluding chapters analyze both historical and cultural contexts and explore themes arising from the interviews. These include sense of identity, acting as playing (recapturing and revisiting childhood), displacement of roots, performing, motherhood and 'being', performing comedy, differences between theatre, film and television performance, attitudes towards and relationships with audiences, and working

with directors. The prominent subtext of motherhood reveals a consciousness of split subjectives with and beyond performance. This new edition of the book includes three new interviews with actresses, and is useful primary resource material for undergraduate students on performance studies courses.

April, 1984. Winston Smith thinks a thought, starts a diary, and falls in love. But Big Brother is watching him, and the door to Room 101 can swing open in the blink of

an eye. Its ideas have become our ideas, and Orwell's fiction is often said to be our reality. The definitive book of the 20th century is re-examined in a radical new adaptation exploring why Orwell's vision of the future is as relevant as ever.

J.B. Priestley is considered

by many to be an old-fashioned playwright whose work is locked in a pre-war world of provincialism and whose ideas are way past their sell-by date. In *Time and the Rose Garden*, internationally recognised author Anthony Peake reassesses the plays and novels of this fascinating writer. In doing so, Peake argues that Priestley should be recognised as one of the most prescient of all middle century playwrights and that his ideas on time, consciousness and

mortality can be found in hugely popular blockbusters such as *The Matrix*, *Vanilla Sky*, *Deja Vu*, *Sliding Doors*, *Butterfly Effect* and many others.

In this lively comedy of love and money in sixteenth-century Venice, Bassanio wants to impress the wealthy heiress Portia, but lacks the necessary funds. He turns to his merchant friend, Antonio, who is forced to borrow from

Shylock, a Jewish moneylender. When Antonio's business falters, repayment becomes impossible, and by the terms of the loan agreement, Shylock is able to demand a pound of Antonio's flesh. Portia cleverly intervenes, and all ends well (except of course for Shylock).

Spanish Theatre 1920 - 1995 Taylor & Francis
 Since the late 1990s, Rupert Goold has garnered a reputation as one of the UK's most exciting and provocative theatre directors. His exhilarating, risk-taking productions of both

classic texts and new plays have travelled from regional stages to the National Theatre, the West End, Broadway and beyond. Through his artistic directorship of Northampton's Royal & Derngate, the touring theatre company Headlong and London's Almeida Theatre, he has radically transformed, not only the companies themselves, but the landscape of British theatre. This is the first book to survey and analyse the full range of Goold's work to date and

is a vital resource for students, scholars and fans of his work. Based on extensive interviews with Goold and some of the playwrights, designers, actors and other creatives who have collaborated with him, *The Theatre of Rupert Goold* provides an account of Goold's work from the beginnings of his career to the present day, offering a backstage view of the creative processes behind some of his most successful productions including: *Paradise Lost*, *Faustus* (Royal & Derngate); *Macbeth*

(Chichester Festival Theatre); *The Tempest*, *Romeo and Juliet* (RSC); *Six Characters in Search of an Author*, *ENRON* (Headlong); *Time and the Conways* (National Theatre); *Charles III and Ink* (Almeida). *The Theatre of Rupert Goold* is an accessible and fascinating guide to Goold's approach to making theatre, an approach that asks provocative questions of the modern world in the most theatrical ways imaginable.

Time is one of life's great mysteries. From sand passing through an hourglass to 'time's winged chariot hurrying

near', we often perceive it as an unrelenting force which exists outside of ourselves. And yet anyone who remembers the long summers of childhood or has sat watching an agonisingly slow ticking clock feels that time is elastic. So which is it? Anthony Peake puts forward an incredible hypothesis about the relationship between time and consciousness. His theory explains many enigmatic phenomena, including déjà vu, precognition, near-death experience and altered

states. Building upon the ideas of his groundbreaking *Is There Life After Death?* and drawing upon a remarkable breadth of science, philosophy and literature, his utterly compelling theory may change the way you view your life forever. Praise for Anthony Peake "Peake has the gift to explain complex theories in simple words" - Evelyn Elsaesser-Valarino, author of *Lessons from the Light*. "I found Peak's theory to be as thought-provoking an exhilarating as a great

film" - Colin Wilson, author of *The Outsider*. *London in the Thirties* Bloomsbury Publishing How do you survive in a land that no longer has a place for you? In the Irish war of independence in the 1920s, hundreds of stately homes were burnt to the ground and the owners' ancestral lands seized. Many of these dispossessed aristocratic Anglo-Irish families left their home country for a brand new beginning elsewhere, drawing a thick veil over the past. Others stayed on in

Ireland, doing their best to assimilate into a society that no longer had a place for them. International playwright Ann Henning Jocelyn follows the story of three generations of such a family up until the present day, examining their struggle for identity against an ever evolving cultural, political and social landscape. Implicit in between the lines is also the story of Ireland. Reflecting an imposed social system that turned everyone into a victim, *Only Our Own* follows one nation's journey from a

highly polarised society to a modern integrated one, ready at last to rise above age-old bitter divisions. On a personal level, the play explores the dilemma of living with or without a traumatic past; the inter-generational gap between people emotionally linked but faced with different life options; and, ultimately, the need to develop and adjust to a world rapidly changing around you. *Only Our Own* Gateway "There have been strange rumours about this house. Although it was in a state

of ruin, lights were seen in the windows every Christmas Eve: music was heard: voices and laughter..." The first production in sixty years of R. C. Sherriff's supernatural drama. *Christmas Eve, 1951*. As Britain rebuilds itself after the war, John Greenwood has it all – a successful business, a beautiful house and an aristocratic wife. But as he bids farewell to the guests leaving his annual Christmas party, a gust of wind slams the front door shut, starting a chain of

events that makes him doubt everything he has ever known... From the writer of one of the 20th century's most acclaimed plays, Journey's End, The White Carnation is a ghostly tale of one man's chance to do things differently.

'An exquisitely-written, generous, funny, thoughtful book about the everyday joys of being alive. I love it.' Dolly

Alderton 'J. B. Priestley is one of our literary icons of the 20th Century and it is time that we all became re-acquainted with his genius.' Dame Judi Dench 'My apology, my little bit of penitence, for having grumbled so much, for having darkened the breakfast table, almost ruined the lunch, nearly silence the dinner party, for all the fretting and chafing, grouching and croaking, for the old glum look and the thrust-out lower lip. So my long-suffering kinsfolk, my patient friends, may a

glimmer of that delight which has so often possessed me, but perhaps too frequently in secret, now reach you from these pages.' There are times when there doesn't seem much to smile about. And for those times, there is this book. J. B Priestley's 1949 classic teaches us that joy may be found in even the simplest things, and that we all have the capacity to appreciate them. Delight comprises a series of short essays, all focussing on a single simple pleasure, from

reading detective stories in bed to smoking a pipe in the bath; from 'Cosy planning' to the earliest summer mornings; and from mineral water in the bedrooms of foreign hotels to the small of bacon in the morning. Combining poignant memories of his childhood with glimpses of his interior world, panoramas of life abroad with thoughts about writing, music, theatre - some strictly personal, some universal -this highly readable book bursts with humour and literary flare

on every page.

The central themes of this collection of essays are the mystery of time past, present and future, and the problems of redemption. They are concerned with modern literature, the threat of

meaninglessness in the postmodern condition, and the possibility of salvation. In an age of deferral and difference, this book addresses itself to eschatology and apocalypse, and redemption in, through, but particularly of, time

itself. Hell and madness are never far away, yet the reconfiguration of time and the breaking in of the transcendent continue to suggest theological possibilities beyond the wastelands of the twentieth century. To those possibilities we look in hope.
