Kindergators : Hands Off, Harry!

Penguin
Harrison is a boy who loves life and likes to share with others, but as he grows older the people around him are finding that he stands too close and maybe hugs a little too much--until his father teaches him the Space Saver rhyme, a method for determining just the right amount of space to leave between himself and others.

Celebrates the 100th Day of Kindergarten

Penguin
Beautifully illustrated by Madalena Moniz's subtle watercolors, Today I Feel . . . follows a child through a whole range of emotions, from adored to curious to strong. Not all of the emotions are positive and not all of them are simple, but they are all honest and worthy of discussion with a young child.

On the Blue Comet

Katherine Tegen Books

If Fancy Nancy got angry. Really, really angry. Millie is quiet. Millie is sweet. Millie is mild. But the kids at school don't listen to her. And she never gets a piece of birthday cake with a flower on it. And some girls from her class walk right on top of her chalk drawing and smudge it. And they don't even say they're sorry! So that's when Millie decides she wants to be fierce! She frizzes out her hair, sharpens her nails and runs around

like a wild thing. But she soon realizes that being fierce isn't the best way to get noticed either, especially when it makes you turn mean. So Millie decides to be nice--but to keep a little of that fierce backbone hidden inside her. In case she ever needs it again. With bright art and an adorable character, it's easy to empathize with Millie. Because everyone has a bad day, once in a

while. Praise for MILLIE FIERCE "Millie Fierce is a delightfully naughty mix between Maurice Sendak's *Where the Wild Things Are* and Molly Bang's *When Sophie Gets Angry.*"--

Howard B. Wigglebottom Learns About Courage

Penguin A girl grieves the loss of her dog in an aching beautiful wordless epic from the Caldecott Honor-winning creator of Journey. This year's summer vacation will be very

different for a young girl and her family without Sascha, the beloved family dog, along for the ride. But a wistful walk along the beach to gather cool, polished stones becomes a brilliant turning point in the girl's grief. There, at the edge of a vast ocean beneath an infinite sky, she uncovers, alongside the reader, a profound and joyous truth. In his first picture book following the conclusion of

his best-selling Journey trilogy, Aaron Becker achieves a tremendous feat, connecting the private, personal loss of one child to a cycle spanning millennia — and delivering a stunningly layered tale that demands to be pored over again and again.

Teach toddlers safe ways to express big

feelings
Toddlers are still learning how to speak, socialize, and understand their emotions. It's common for them to react with their hands when they get frustrated--but hitting is never okay. What to Do When You Feel Like Hitting helps toddlers understand why hitting is not allowed and shows them how to react to their feelings with actions that are safe and kind. This illustrated

entry into no hitting books for toddlers features: Alternatives to hitting--Kids will learn how to use "gentle hands" to squeeze a stuffed animal when they feel upset, scribble a picture to get out their frustration, and practice taking deep breaths to calm down. A light touch--The language is kid-friendly and positive, encouraging toddlers to understand and communicate their feelings, not just keep their hands to

themselves. Engaging illustrations--Big, beautiful pictures help kids see the ideas in action and keep their attention on the page. Get the best in no hitting books for toddlers with a storybook that helps them learn empathy and compassion. *McDuff Moves in Viking* Harry has trouble keeping his hands off his classmates until Tina thinks of the perfect piece of gym equipment to teach him

about personal space. *Kindergators: Hands Off, Harry!* National Center for Youth Issues Preferring to speak in nonsense languages to tell her parents how she feels, little Sophie is challenged to use her words but prefers to communicate with a baby sister who understands her better. By the award-winning creator of the Max & Ruby series. **Too Cool for this School**

Simon and Schuster Children will follow Henry as he deals with his feelings of anger and his bad habit of hitting through various situations involving friends and family. His big brother Ben cheats at hide-and-seek. A group of children playing in the park leave him out of their game. His father asks him to behave while they shop. Readers are given a description of the situation,

three choices, the action chosen by the character, and consequences of that choice. The interactive question-and-answer approach engages the reader in real-life situations while the charming, colorful illustrations keep the tone of the book whimsical and playful.

**When
Dinosaurs
Go Visiting**

QEB Publishing
When dinosaurs go visiting, they wear their nicest clothes.

Their nicest shoes, their nicest shirts, their nicest pair of hose. This rollicking, rhyming verse describes a colorful cast of dancing dinos whose favorite activity is socializing. The hilarious story perfectly matches the whimsy of the illustrations, as a familiar event is brought to life in this playful picture book. A delightful read-along treat, it's perfect for storytime at home or amusement on the road. *What to Do*
