#### The Book of Aron Penguin

From the acclaimed author who enthralled the world with *Exodus*, *Battle Cry*, *QB VII*, *Topaz*, and other beloved classics of twentieth-century fiction comes a sweeping and powerful epic adventure that captures the "terrible beauty" of Ireland during its long and bloody struggle for freedom. It is the electrifying story of an idealistic young Catholic rebel and the valiant and beautiful Protestant girl who defied her heritage to join his cause. It is a tale of love and danger, of triumph at an unthinkable cost -- a magnificent portrait of a people divided by class, faith, and prejudice -- an unforgettable saga of the fires that devastated a majestic land . . . and the unquenchable flames that burn in the human heart.

#### Exodus Feiwel & Friends

Analyzes how the Warsaw Ghetto Uprising was interpreted and commemorated following the revolt. *The Haj Orion*

The first biography of the massively popular author of *Exodus* and *Trinity*, who "was as feisty as any of his fictional creations" (*Publishers Weekly*). As the #1 *New York Times*-bestselling author of *Exodus*, *Mila 18*, *QB VII*, and *Trinity*, Leon Uris blazed a path to celebrity with books that readers couldn't put down. Uris's thirteen novels sold millions of copies, appeared in fifty languages, and were adapted into equally successful movies and TV miniseries. Few writers equaled his fame in the mid-twentieth century. His success fueled the rise of mass-market paperbacks, movie tie-ins, and author tours. Beloved by the public, Uris was, not surprisingly, dismissed by literary critics. Until now, his own life—as full of drama as his fiction—has never been the subject of a book. Now Ira Nadel traces Uris from his disruptive youth to his life-changing experiences as a marine in World War II. These experiences, coupled with Uris's embrace of his Judaism and desire to write, led to his unprecedented success and the lavish excesses of a career as a best-selling author. Nadel reveals that Uris lived the adventures he described, including his war experiences in the Pacific (*Battle Cry*), life-threatening travels in Israel (*Exodus*), visit to Communist Poland (*Mila 18*), libel trial in Britain (*QB VII*), and dangerous sojourn in fractious Northern Ireland and the Irish Republic (*Trinity*). Nadel also demonstrates that Uris's talent for writing action-packed yet thoroughly researched novels meshed perfectly with the public's desire to revisit and understand the tumultuous events of recent history—making him far more popular (and wealthier) than more literary authors—while paving the way for future blockbuster writers such as Irving Wallace and Tom Clancy.

Jill Uris and her novelist husband, set out on an odyssey to research Ireland. This book draws from a cornucopia of Irish literature and weds it to perfection with Jill's photographs. The result is to sweep you into the poignance, the tragedy, and the lyrical wit that is Ireland. -- Publisher description

The acclaimed National Book Award finalist—"one of the United States' finest writers," according to Joshua Ferris, "full of wit, humanity, and fearless curiosity"—now gives us a novel that will join the short list of classics about children caught up in the Holocaust. Aron, the narrator, is an engaging if peculiar and unhappy young boy whose family is driven by the German onslaught from the Polish countryside into Warsaw and slowly battered by deprivation, disease, and persecution. He and a handful of boys and girls risk their lives by scuttling around the ghetto to smuggle and trade contraband through the quarantine walls in hopes of keeping their fathers, mothers, brothers, and sisters alive, hunted all the while by blackmailers and by Jewish, Polish, and German police, not to mention the Gestapo. When his family is finally stripped away from him, Aron is rescued by Janusz Korczak, a doctor renowned throughout prewar Europe as an advocate of children's rights who, once the Nazis swept in, was put in charge of the Warsaw orphanage. Treblinka awaits them all, but does Aron manage to escape—as his mentor suspected he could—to spread word about the atrocities? Jim Shepard has masterfully made this child's-eye view of the darkest history mesmerizing, sometimes comic despite all odds, truly heartbreaking, and even inspiring. Anyone who hears Aron's voice will remember it forever.

*Battle Cry* Independently Published

we are all just one small disaster away from sinking, and sometimes you only realise when you're gasping for air On a daylight street in Minneapolis Minnesota, a Black man is asphyxiated - by callous knee of an officer, by cruel might of state, and under crushing weight of colony. In Melbourne the body of another woman has been found - this time, after catching a late tram home. The Atlantic has run out of the English alphabet, when christening hurricanes this season. The earth is on fire - from the redwoods of California, to Australia's east coast. The sea draws back, and tsunamis lash out in Samoa and Sumatra. Water rises in Sulawesi and Nagasaki. Bloating cod are surfacing, all along the Murray Darling. The virus arrives, and the virus thrives. Authorities seal the public housing towers up, and truck in one cop to every five residents. Notre Dame is ablaze - the cathedral spire blackened, and teetering. Out in Biloela, the deportation vans have arrived. Every Friday, in cities all across the world, children are walking out of school. The wolves are circling. The wolves are circling. These poems speak of the world that is, and sing for a world that may one day be. [Flags Over the Warsaw Ghetto](#) Avon

The Warsaw Ghetto Uprising has become a symbol of heroism throughout the world. A short time before the uprising began, Pawel Frenkel addressed a meeting of the Jewish Military fighters: Of course we will fight with guns in our hands, and most of us will fall. But we will live on in the lives and hearts of future generations and in the pages of their history.... We will die before our time but we are not doomed. We will be alive for as long as Jewish history lives! On the eve of Passover, April 19, 1943, German forces entered the Warsaw ghetto equipped with tanks, flame throwers, and machine guns. Against them stood an army of a few hundred young Jewish men and women, armed

with pistols and Molotov cocktails. Who were these Jewish fighters who dared oppose the armed might of the SS troops under the command of SS General Juergen Stroop? Who commanded them in battle? What were their goals? In this groundbreaking work, Israel's former Minister of Defense, Prof. Moshe Arens, recounts a true tale of daring, courage, and sacrifice that should be accurately told out of respect for and in homage to the fighters who rose against the German attempt to liquidate the Warsaw ghetto, and made a last-ditch fight for the honor of the Jewish people. The generally accepted account of the Warsaw Ghetto Uprising is incomplete. The truth begins with the existence of not one, but two resistance organizations in the ghetto. Two young men, Mordechai Anielewicz of the Jewish Fighting Organization (ZOB), and Pawel Frenkel of the Jewish Military Organization (ZZW), rose to lead separate resistance organizations in the ghetto, which did not unite despite the desperate battle they were facing. Included is the complete text of The Stroop Report translated into English.

**28 Days: A Novel of Resistance in the Warsaw Ghetto** Farrar, Straus and Giroux

"Passionate summary of the inhuman treatment of the Jewish people in Europe, of the exodus in the nineteenth and twentieth centuries to Palestine, and of the triumphant founding of the new Israel."—The *New York Times* *Exodus* is an international publishing phenomenon—the towering novel of the twentieth century's most dramatic geopolitical event. Leon Uris magnificently portrays the birth of a new nation in the midst of enemies—the beginning of an earthshaking struggle for power. Here is the tale that swept the world with its fury: the story of an American nurse, an Israeli freedom fighter caught up in a glorious, heartbreaking, triumphant era. Here is *Exodus*—one of the great bestselling novels of all time.

Decades after Hitler's fall, Nazis are still trying to kill John Cooper His marriage destroyed by drinking, John Cooper returns to Cambridge, Massachusetts, trying to recapture the joy he felt as an undergraduate in Harvard University's sacred halls. He is just beginning to piece his life together when he gets a telegram calling him home to Minnesota. The message comes from Buenos Aires, and with Cooper's family history, that can mean only one thing: The Nazis are staging a comeback. To John and his brother, their grandfather was a kind, distinguished old man. But to the American people, he was the worst kind of traitor. An industrialist who spent the 1930s in business with Fascists, he became infamous as "America's Number One Nazi." When Hitler's old lieutenants decide to get together a Fourth Reich, the Coopers are the first family they call. John hasn't even made it to Minnesota when the first attempt on his life comes—a message that if he isn't ready to honor his family legacy, he will die for it.

Less than a hundred years from now, the world as we know it no longer exists. Cities have disappeared beneath the sea, technology no longer functions, and human civilization has reverted to a much more primitive state On an isolated northern island, the people of Wing are trying to hold onto their way of life—even as the sea continues to claim precious acres and threatens to claim their very lives. Only fifteen-year-old Mara has the vision and the will to lead her people in search of a new beginning in this harsh, unfamiliar world. This compelling and powerful story set in the near future will hit home with teens, especially those who are ever more aware of the increasingly controversial climate crisis we face in our world today.

From the #1 *New York Times* bestselling author of the Penn Cage series comes a gripping World War II thriller that "vaporizes almost every cliché about the limits of the genre...[it's] good enough to read twice" (*Kirkus Reviews*). It is January 1944—and as Allied troops prepare for D-Day, Nazi scientists develop a toxic nerve gas that will repel and wipe out any invasion force. To salvage the planned assault, two vastly different but equally determined men are sent to infiltrate the secret concentration camp where the poison gas is being perfected on human subjects. Their only objective: destroy all traces of the gas and the men who created it—no matter how many lives may be lost...including their own.

This Edgar Award-winning debut kicks off a cult favorite crime series with a noirish tale of murder set along Canada's Sunshine Coast. To Karl Alberg, the coastal town of Sechelt, just north of Vancouver, looks like the perfect place to soothe a psyche that's been battered by big-city police work. Bees buzz among the roses, and the local librarian is attractive, intriguing, and unattached. Perhaps he has at last come in from the cold. But sunny towns can conceal a lot of secrets—some of them bleak enough to make a man yearn for some nice straightforward urban crime. In 1986 L.R. Wright's *The Suspect* became the first Canadian novel to win an Edgar award, beating out titles by Ruth Rendell and Jonathan Kellerman. It went on to become a cult favorite among mystery fans, who prized its delicately etched sense of melancholy and intriguing character studies of the cop, his quarry, and the enigmatic librarian who proves an unlikely bridge between the two.

But Quinn is a man with an explosive secret that can shatter his political ambitions, threaten his life, and tear the country apart—a secret buried for over a half century—that even he does not know...

**Mila 18** Minotaur Books

Master storyteller Leon Uris, internationally acclaimed author of such bestsellers as *Exodus*, *Topaz*, *QB VII*, *Trinity*, *The Haj* and *Mitla Pass*, continues the epic story of the Irish struggle for freedom in *Redemption*. A dramatic saga set against the backdrop of growing unrest in Ireland and a world on the brink of the First World War, *Redemption* weaves together a cast of unforgettable characters that form the heart and soul of three extraordinary Irish families. hey love freedom more than life, and they will fight to the death to win it. From the magnificence of New Zealand's green mountains, to the bloody beaches and cliffs of Gallipoli, to the streets of Dublin and the shipyards of Belfast, *Redemption* follows three Irish Patriots on their odysseys of freedom and passion- in a monumental tale of the men and women who loved, fought, and died for the chance to be free.

### The Jewish Heroes of Warsaw Schocken

Fifty years after his first novel, *Battle Cry*, took the world by storm, Leon Uris returns to the topic that first inspired him to write books that captivate, educate, and thrill -- the Marine Corps. In the years following the Civil War, first-generation Irish-American Zachary O'Hara, son of a legendary Marine and a force of a man in his own right, finds himself playing a critical role in the very future of the Marines. If he can persuade the Secretary of the Navy that the Marines are more crucial than ever to America's safety and security -- all the while hefting a heavier secret weight in his heart -- he'll save the corps and make his career. But there's an obstacle in his path that this warrior had not planned on. Amanda Blanton Kerr, the daughter of a ruthless industrialist, is a woman on a mission of her own; passionate, obstinate, and whip-smart, she's an heiress poised to blaze a trail for her sex. O'Hara's *Choice* is the story of the inevitable collision of these two handsome, fighting spirits. Getting their souls' desire could jeopardize everything they -- and their parents before them -- scraped and struggled to achieve. Duty to country, love of family, and a tormented passion intertwine in this latest epic by Leon Uris, international bestselling author of such classics as *Exodus*, *Trinity*, and *Battle Cry*. A riveting, sweeping tale in inimitable Uris style, O'Hara's *Choice* is this master of the historical novel at his most brilliant.

### **Redemption** University of Texas Press

"I find it hard even now to get into focus all these horrors, my mind is really quite incapable of taking in everything I saw because it was all so completely foreign to everything I had previously believed or thought possible." British Major Ben Barnett's words echoed the sentiments shared by medical students, Allied soldiers, members of the clergy, ambulance drivers, and relief workers who found themselves utterly unprepared to comprehend, much less tend to, the indescribable trauma of those who survived at the Bergen-Belsen concentration camp. The liberation of Bergen-Belsen by the British in April 1945 was a defining point in history: the moment the world finally became inescapably aware of the Holocaust. But what happened after Belsen was liberated is still a matter of dispute. Was it an epic of medical heroism or the culmination of thirteen years of indifference to the fate of Europe's Jews? This startling investigation by acclaimed documentary filmmaker and historian Ben Shephard draws on an extraordinary range of materials--contemporary diaries, military

documents, and survivors' testimonies--to reconstruct six weeks at Belsen beginning on April 15, 1945, and reveals what actually caused the post-liberation deaths of nearly 14,000 concentration camp inmates who might otherwise have lived. Why did it take almost two weeks to organize a proper medical response? Why were the medical teams sent to Belsen so poorly equipped? Why, when specialists did arrive, did they get so much of the medicine plain wrong? For the first time, Shephard explores the humanitarian and medical issues surrounding the liberation of the camp and provides a detailed, illuminating account that is far more complex than had been previously revealed. This gripping book confronts the terrifying aftermath of war with questions that still haunt us today.

"As moving as it is gripping. A winner on all fronts."—Booklist (starred review) "Heart-pounding...This is Gross's best work yet, with his heart and soul imprinted on every page."—Kirkus Reviews (starred review) Poland, 1944. Alfred Mendl and his family are brought on a crowded train to a Nazi concentration camp after being caught trying to flee Paris with forged papers. His family is torn away from him on arrival, his life's work burned before his eyes. To the guards, he is just another prisoner, but in fact Mendl—a renowned physicist—holds knowledge that only two people in the world possess. And the other is already at work for the Nazi war machine. Four thousand miles away, in Washington, DC, Intelligence lieutenant Nathan Blum routinely decodes messages from occupied Poland. Having escaped the Krakow ghetto as a teenager after the Nazis executed his family, Nathan longs to do more for his new country in the war. But never did he expect the proposal he receives from "Wild" Bill Donovan, head of the OSS: to sneak into the most guarded place on earth, a living hell, on a mission to find and escape with one man, the one man the Allies believe can ensure them victory in the war. Bursting with compelling characters and tense story lines, this historical thriller from New York Times bestseller Andrew Gross is a deeply affecting, unputdownable series of twists and turns through a landscape at times horrifyingly familiar but still completely new and compelling.
