JOHNSON GUERRA

The '49 Indian Milkweed Editions
Bestselling author Sherman Alexie tells
the story of Junior, a budding cartoonist

growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and

collectors alike.

India and Asian Geopolitics Doubleday Books for Young Readers

Wearne, a journalist who has lived in Mexico and Central America, identifies the numbers and types of indigenous peoples today, showing that numbers are increasing--a testimony to their tenacity; the conquest is 500 years old, yet it continues, as does indigenous resistance. Writing with passion and sensitivity, he chronicles the story of colonialism, the efforts to maintain indigenous cultures in the face of assimilation policies, and the new movement uniting indigenous peoples across the continent. Includes numerous appendices, among them a chronology, population figures, a list organizations working on indigenous issues, and an

annotated bibliography. Annotation

Indian Horse Westland

Adventure abounds when a toy comes to
life in this classic novel! It's Omri's
birthday, but all he gets from his best
friend, Patrick, is a little plastic warrior
figure. Trying to hide his disappointment,
Omri puts his present in a metal
cupboard and locks the door with a
mysterious skeleton key that once
belonged to his great-grandmother.

Little does Omri know that by turning the
key, he will transform his ordinary plastic
toy into a real live man from an
altogether different time and place! Omri
and the tiny warrior called Little Bear
could hardly be more different, yet soon
the two forge a very special friendship.
Will Omri be able to keep Little Bear
without anyone finding out and taking
his new friend away?

On Indian Ground Brookings Institution
Press

The decade from the 2008 global
financial crisis to the 2020 coronavirus
pandemic has seen a real transformation
of the world order. The very nature of
international relations and its rules are
changing before our eyes. For India, this
means optimal relationships with all the
major powers to best advance its goals.

It also requires a bolder and non-reciprocal approach to its neighbourhood. A global footprint is now in the making that leverages India's greater capability and relevance, as well as its unique diaspora. This era of global upheaval entails greater expectations from India, putting it on the path to becoming a leading power. In *The India Way*, S. Jaishankar, India's Minister of External Affairs, analyses these challenges and spells out possible policy responses. He places this thinking in the context of history and tradition, appropriate for a civilizational power that seeks to reclaim its place on the world stage.

Bury My Heart at Wounded Knee

Brookings Institution Press

A young Indian mystic, a contemporary

of Buddha, sacrifices everything to search for the true meaning of life.

India Calling Duke University Press

This sweeping epic set in 19th-century India begins in the foothills of the towering Himalayas and follows a young Indian-born orphan as he's raised in England and later returns to India where he falls in love with an Indian princess and struggles with cultural divides. *The Far Pavilions* is itself a Himalayan achievement, a book we hate to see come to an end. It is a passionate, triumphant story that excites us, fills us with joy, move us to tears, satisfies us deeply, and helps us remember just what it is we want most from a novel.

M.M. Kaye's masterwork is a vast, rich and vibrant tapestry of love and war that ranks with the greatest panoramic sagas

of modern fiction, moving the famed literary critic Edmond Fuller to write: "Were Miss Kaye to produce no other book, *The Far Pavilions* might stand as a lasting accomplishment in a single work comparable to Margaret Mitchell's achievement in *Gone With the Wind*."

The Return of the Native Harper Collins

The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (*The Wall Street Journal*). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown

focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

[The Light in the Forest](#) Delacorte Press
It's been over a year since Omri discovered in *The Indian in the Cupboard* that, with the turn of a key, he could magically bring to life the three-inch-

high Indian figure he placed inside his cupboard. Omri and his Indian, Little Bear, create a fantastic world together until one day, Omri realizes the terrible consequences if Little Bear ever got trapped in his "giant" world. Reluctantly, Omri sends the Indian back through the cupboard, giving his mother the magic key to wear around her neck so that he will never be tempted to bring Little Bear back to life. But one year later, full of exciting news, Omri gives way to temptation when he finds that his mother has left the magic key lying on the bathroom sink. A whole new series of adventures awaits Omri as he discovers that his Indian has been critically wounded during the French and Indian Wars and desperately needs Omri's help. Now, helplessly caught between his own

life and his cupboard life of war and death, Omri must act decisively if he is to save Little Bear and his village from being completely destroyed. What began as a harmless game has turned into a horrible nightmare, a nightmare in which Omri is irrevocably involved, and from which he may never escape.

The Mystery of the Cupboard

HarperCollins

Describes suggested activities to accompany the reading of *The Return of the Indian* by Lynne Reid Banks.

THE ROOM ON THE ROOF Open Road + Grove/Atlantic

A prize-winning writer offers "an affecting portrait of his childhood home, Leech Lake Indian Reservation, and his people, the Ojibwe" (*The New York Times*). A member of the Ojibwe of

northern Minnesota, David Treuer grew up on Leech Lake Reservation, but was educated in mainstream America. Exploring crime and poverty, casinos and wealth, and the preservation of native language and culture, *Rez Life* is a strikingly original blend of history, memoir, and journalism, a must read for anyone interested in the Native American story. With authoritative research and reportage, he illuminates issues of sovereignty, treaty rights, and natural-resource conservation. He traces the policies that have disenfranchised and exploited Native Americans, exposing the tension that marks the historical relationship between the US government and the Native American population. Ultimately, through the eyes of students, teachers, government

administrators, lawyers, and tribal court judges, he shows how casinos, tribal government, and the Bureau of Indian Affairs have transformed the landscape of modern Native American life. “Treuer’s account reads like a novel, brimming with characters, living and dead, who bring his tribe’s history to life.” —Booklist “Important in the way Dee Brown’s *Bury My Heart at Wounded Knee* was when it came out in 1970, deeply moving readers as it schooled them about Indian history in a way nothing else had.” —Minneapolis Star-Tribune “[A] poignant, penetrating blend of memoir and history.” —People *The Indian in the Cupboard Complete Collection* (*The Indian in the Cupboard*; *Return of the Indian*; *Secret of the Indian*; *The Mystery of the Cupboard*;

The Return of the Indian Yearling

The Secret of the Indian Farrar, Straus
and Giroux

A CLASSIC COMING-OF-AGE STORY

WHICH HAS HELD GENERATIONS OF

READERS SPELLBOUND Rusty, a sixteen-year-old Anglo-Indian boy, is orphaned, and has to live with his English guardian in the claustrophobic European part in Dehra Dun. Unhappy with the strict ways of his guardian, Rusty runs away from home to live with his Indian friends.

Plunging for the first time into the dream-bright world of the bazaar, Hindu festivals and other aspects of Indian life, Rusty is enchanted . . . and is lost forever to the prim proprieties of the European community. This special edition marks the 60th anniversary of

this award-winning book, written when the author was just seventeen. Poignant, heart-warming and an absolute classic, this book is forever a joy to read.

Return Of the Indian Yearling

On Indian Ground: California is the first in a series of ten books on American Indian/Alaska Native/Native Hawaiian education. The focus of this text is the 110 tribes in California and the best practices available to educators of native students in K-16. This volume explores the history of California Indian education as well as current policies on early childhood education, gifted education, curriculum, counseling, funding, and research. The chapters provide a unique look at crosscutting themes, such as sustainability, economic development, health and wellness, and historical

trauma and bias.

Island of the Blue Dolphins Harper Collins

Tim Giago weaves memoir, commentary, reflection and poetry together to boldly illustrate his often-horrific experiences as a child at an Indian Mission boarding school run by the Catholic Church.

Through his words, the experience of one Indian child becomes a metaphor for the experience of many who were literally ripped from their tribal roots and torn from their families for nine months of the year in order to be molded to better fit into mainstream America. They were not allowed to speak their own languages or follow their traditional customs, and cases of physical, sexual and psychological abuse were common. As a result, the Mission school

experience often resulted in isolation, confusion, and intense psychological pain. This has contributed to problems including alcoholism, drug abuse, family violence and general alienation in an entire generation of Native Americans. Dramatic and intensely moving black-and white illustrations by Giago's daughter Denise illuminate the text.

A clear-eyed look at modern India's role in Asia's and the broader world One of India's most distinguished foreign policy thinkers addresses the many questions facing India as it seeks to find its way in the increasingly complex world of Asian geopolitics. A former Indian foreign secretary and national security adviser, Shivshankar Menon traces India's

approach to the shifting regional landscape since its independence in 1947. From its leading role in the “nonaligned” movement during the cold war to its current status as a perceived counterweight to China, India often has been an after-thought for global leaders—until they realize how much they needed it. Examining India’s own policy choices throughout its history, Menon focuses in particular on India’s responses to the rise of China, as well as other regional powers. Menon also looks to the future and analyzes how India’s policies are likely to evolve in response to current and new challenges. As India grows economically and gains new stature across the globe, both its domestic preoccupations and international choices become more

significant. India itself will become more affected by what happens in the world around it. Menon makes a powerful geopolitical case for an India increasingly and positively engaged in Asia and the broader world in pursuit of a pluralistic, open, and inclusive world order.

Run and Hide HarperCollins UK

At age 12 Elijah Nicholas Wilson ran away from his family. Fighting off the constraints of his Mormon upbringing he found a new home with a Shoshone Indian tribe. Under their guidance, particularly of the Great Chief Washakie, he learned how to live and survive in the wild lands of the far west. When Elijah turned fourteen, to prevent reprisals against his tribe for his 'abduction, ' he returned to his white family. He then

worked as a Pony Express rider, stagecoach driver, trapper, translator, hostler, Indian agent, and whatever else was required to support himself and his family. Elijah Wilson was known as 'Yagaiki' when among the Shoshones, and in his later years as Uncle Nick when entertaining young children with his adventurous exploits. The White Indian Boy is his story.

On Indian Ground St. Martin's Griffin
Based on his own extraordinary life, Gregory David Roberts' *Shantaram* is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. "It took me a long time and most of the world to learn what I know about love and fate

and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the

Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

Siddhartha Penguin UK

"By patient accumulation of anecdote and detail, Rustad evolves Shetler's story into something much more human, and humanly tragic, into a layered inquisition and a reportorial force....suffice it to say Rustad has done what the best storytellers do: tried to track the story to its last twig and then stepped aside." —New York Times Book Review In the vein of Jon Krakauer's *Into the Wild*, a riveting work of narrative nonfiction centering on the unsolved disappearance of an American backpacker in India—one of at least two dozen tourists who have met a similar fate in the remote and storied Parvati Valley. For centuries, India has enthralled westerners looking for an exotic getaway, a brief immersion in yoga and meditation, or in rare cases, a

true pilgrimage to find spiritual revelation. Justin Alexander Shetler, an inveterate traveler trained in wilderness survival, was one such seeker. In his early thirties Justin Alexander Shetler, quit his job at a tech startup and set out on a global journey: across the United States by motorcycle, then down to South America, and on to the Philippines, Thailand, and Nepal, in search of authentic experiences and meaningful encounters, while also documenting his travels on Instagram. His enigmatic character and magnetic personality gained him a devoted following who lived vicariously through his adventures. But the ever restless explorer was driven to pursue ever greater challenges, and greater risks, in what had become a personal quest—his own hero's journey.

In 2016, he made his way to the Parvati Valley, a remote and rugged corner of the Indian Himalayas steeped in mystical tradition yet shrouded in darkness and danger. There, he spent weeks studying under the guidance of a sadhu, an Indian holy man, living and meditating in a cave. At the end of August, accompanied by the sadhu, he set off on a “spiritual journey” to a holy lake—a journey from which he would never return. Lost in the Valley of Death is about one man's search to find himself, in a country where for many westerners the path to spiritual enlightenment can prove fraught, even treacherous. But it is also a story about all of us and the ways, sometimes extreme, we seek fulfillment in life. Lost in the Valley of Death includes 16 pages of color photographs.

Shantaram Open Road Media
 "Pankaj Mishra transforms a visceral, intimate story of one man's humble origins into a kaleidoscopic portrait of a society bedazzled by power and wealth—what it means on a human level, and what it costs. *Run and Hide* is a spectacular, illuminating work of fiction." —Jennifer Egan, author of *Manhattan Beach*
 Growing up in a small railway town, Arun always dreamed of escape. His acceptance to the prestigious Indian Institute of Technology, enabled through great sacrifice by his low-caste parents, is seemingly his golden ticket out of a life plagued by everyday cruelties and deprivations. At the predominantly male campus, he meets two students from similar backgrounds. Unlike

Arun—scarred by his childhood, and an uneasy interloper among go-getters—they possess the sheer will and confidence to break through merciless social barriers. The alumni of IIT eventually go on to become the financial wizards of their generation, working hard and playing hard from East Hampton to Tuscany—the beneficiaries of unprecedented financial and sexual freedom. But while his friends play out Gatsby-style fantasies, Arun fails to leverage his elite education for social capital. He decides to pursue the writerly life, retreating to a small village in the Himalayas with his aging mother. Arun's modest idyll is one day disrupted by the arrival of a young woman named Alia, who is writing an exposé of his former classmates. Alia, beautiful and

sophisticated, draws Arun back to the prospering world where he must be someone else if he is to belong. When he is implicated in a terrible act of violence committed by his closest friend from IIT, Arun will have to reckon with the person he has become. Run and Hide is Pankaj

Mishra's powerful story of achieving material progress at great moral and emotional cost. It is also the story of a changing country and global order, and the inequities of class and gender that map onto our most intimate relationships.
