**One Day a Smile Next
Day a Tear** iUniverse
Naseeruddin Shah's
sparkling memoir of his
early years, 'from zero to
thirty-two', spans his
extraordinary journey
from a feudal hamlet near
Meerut, to Catholic
schools in Nainital and
Ajmer, and finally to stage
and film stardom in
Mumbai. Along the way,
he recounts his passages
through Aligarh
University, the National
School of Drama and the
Film and Television
Institute of India, where

his luck finally began to
change. And Then One
Day tells a compelling
tale, written with rare
honesty and consummate
elegance, leavened with
tongue-in-cheek humour.
There are moving
portraits of family
members, darkly funny
accounts of his
school days, and vivid
cameos of directors and
actors he has worked
with, among them
Ebrahim Alkazi, Shyam
Benegal, Girish Karnad,
Om Puri and Shabana
Azmi. The accounts of his
struggle to earn a living
through acting, his
experiments with the
craft, his love affairs, his
early marriage, his

successes and failures are
narrated with remarkable
frankness and objective
self-assessment.
Brimming with delightful
anecdotes as well as
poignant, often painful
revelations, this book is a
tour de force.
One Day in December
Astra Publishing House
A gentle, delicately
illustrated story, told from
the perspective of a
young boy who has lost a
beloved grandfather.
Occupying two
dimensions--one that is
tangible and heart-
wrenching in its details of
traces left behind, and
another that is cosmic,
created by the boy's
imagination as he longs

for a reunion--'One Day' explores the inner world of a child as he comes to terms with a deeply felt and aching loss.

One Day on Mars Simon and Schuster

TWENTY-FOUR HOURS: A DAY THAT WOULD EITHER FREE AN ENTIRE PLANET-OR UTTERLY DEVASTATE IT

A nonstop futuristic thrill-ride, through the critical events which were the breaking point for the underclass of Martian citizens and precipitated a revolution to break the Martian colonists free from the formidable Sol System government. The formerly red planet^{3/4}now in danger of again becoming red, blood red^{3/4}would never be the same, nor would the human race. It was one day that changed the course of history for the Solar System, raging from hand-to-hand combat to piloted armored mecha suits clashing to an enormous space battle, with dedicated heroes on both sides of the conflict wondering if they were doing the right thing^{3/4}and if they would live to see another day. And wondering, as well, if the spark of this new war, that would eventually reach across whole star systems, would bring them peace. At the

publisher's request, this title is sold without DRM (Digital Rights Management).

One Day at a Time

Enchanted Lion Books

On a hot summer afternoon in 1944, SS troops wiped out an entire French village. 644 men, women and children died that day. Just one child survived. This book tells the story of what happened in Oradour, and imagines what drove both the SS officer who ordered the massacre, and the seven-year-old boy who escaped it. Powerful, moving and almost unbearably tense, this book weaves the truth about what happened to the people in Oradour into a powerful fictional story centred on two characters: the plucky, inspirational seven-year-old Alfred Fournier, refugee and resident of Oradour, and the hot-headed, power-hungry SS commander who shattered his world and changed his life for ever, Major Gustav Dietrich. As their two worlds collide, we gain a fascinating insight into the extremes and contradictions of human behaviour and emotion. With a twist in the tale, this is a story which leaves the reader surprised, inspired and

profoundly moved.

One Day in the Life of Ivan Denisovich Phoenix Publications, Inc.

The Grammy Award-winning recording artist and actor shares the story of his life, from his youth on Chicago's Southside and rise in the hip-hop industry to his movie appearances and the lessons he has learned as a son and a father.

Then One Year Christian Faith Publishing, Inc.

Wilson dreams of all the ways he can help improve his friend Gigi's house so that she'll be warm, comfortable, and happy. One day, friends and neighbors from all over come to help make Wilson's plans come true. Everyone volunteers to pitch in to make Gigi's house safe, clean, and pretty. Inspired by a friend's volunteerism, author Julia Durango tells a story of community and togetherness, showing that by helping others we help ourselves. Further information about Labor of Love, United Way, and Habitat for Humanity is included at the end of the book.

One Day in Oradour Vintage

Boris Jeremenko vaguely remembers April 10, 1951—the day his ship arrived in New York

Harbor from a refugee camp in Atmont, Austria. After his parents announced that the family had docked in America, six-year-old Boris traveled with his twin sister and parents to Fort Wayne, Indiana, to begin a new life. In a fascinating memoir accompanied by historical photographs, Boris leads others into his memories of days gone by as he reflects on his inspiring journey through life, filled with highs and lows and his unwavering faith in Jesus Christ. While sharing childhood challenges that included initial language barriers as a kindergartener and his father's alcoholism, Boris also offers a glimpse into happy moments like riding in his beloved go-kart, attending Boy Scout camp, and operating a ham radio. As he reveals how his journey eventually led him to marry, have children, and begin a career in law enforcement that would ultimately take him into the political arena, Boris reminds all of us of the power of perseverance, prayer, and a belief in God's plan. Running the Race One Day at a Time is the true story of an Austrian immigrant's life experiences after he journeyed to America with

his family to begin a new chapter.

Among the Hidden

Simon and Schuster
#1 NEW YORK TIMES
BESTSELLER • "Get ready to be swept up in a whirlwind romance. It absolutely charmed me."—Reese Witherspoon (A Reese Witherspoon Book Club Pick) "The perfect book to get lost in . . . Josie Silver's characters sneak their way into your heart and stay."—Jill Santopolo, author of *The Light We Lost* Two people. Ten chances. One unforgettable love story. Laurie is pretty sure love at first sight doesn't exist anywhere but the movies. But then, through a misted-up bus window one snowy December day, she sees a man who she knows instantly is the one. Their eyes meet, there's a moment of pure magic...and then her bus drives away. Certain they're fated to find each other again, Laurie spends a year scanning every bus stop and cafe in London for him. But she doesn't find him, not when it matters anyway. Instead they "reunite" at a Christmas party, when her best friend Sarah giddily introduces her new boyfriend to Laurie. It's Jack, the man from the

bus. It would be. What follows for Laurie, Sarah and Jack is ten years of friendship, heartbreak, missed opportunities, roads not taken, and destinies reconsidered. One Day in December is a joyous, heartwarming and immensely moving love story to escape into and a reminder that fate takes inexplicable turns along the route to happiness. *And Then One Day* Little, Brown
"Stark . . . the story of how one falsely accused convict and his fellow prisoners survived or perished in an arctic slave labor camp after the war."—Time From the icy blast of reveille through the sweet release of sleep, Ivan Denisovich endures. A common carpenter, he is one of millions viciously imprisoned for countless years on baseless charges, sentenced to the waking nightmare of the Soviet work camps in Siberia. Even in the face of degrading hatred, where life is reduced to a bowl of gruel and a rare cigarette, hope and dignity prevail. This powerful novel of fact is a scathing indictment of Communist tyranny, and an eloquent affirmation of the human spirit. The prodigious works of

Alexander Solzhenitsyn, including his acclaimed *The Gulag Archipelago*, have secured his place in the great tradition of Russian literary giants. Ironically, *One Day in the Life of Ivan Denisovich* is the only one of his works permitted publication in his native land. Praise for *One Day in the Life of Ivan Denisovich* "Cannot fail to arouse bitterness and pain in the heart of the reader. A literary and political event of the first magnitude."—*New Statesman* "Both as a political tract and as a literary work, it is in the Doctor Zhivago category."—*Washington Post* "Dramatic . . . outspoken . . . graphically detailed . . . a moving human record."—*Library Journal*

One Day Like This

Companion Press

"One of the 50 Best Nonfiction Books of the Last 25 Years"—*Slate* On New Year's Day 2013, two-time Pulitzer Prize winner Gene Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the

next six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of momentous events yet to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. *One Day* asks and answers the question of whether there is even such a thing as "ordinary" when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being human.

One Day and One Amazing Morning on Orange Street Abrams

One Day a Dot explores the age-old question: Where did we come from? Where did everything come from? Starting with one tiny dot and continuing through the

Big Bang to the rise of human societies, the story of our universe is told in simple and vivid terms. But the biggest question of all cannot be answered: Where did that one dot come from? *One Day a Dot* is a beautiful and vibrant picture book that uses the visual motif of circles as to guide young readers through the stages of life on Earth. *Running the Race One Day at a Time* Simon and Schuster

Binyavanga Wainaina

tumbled through his

middle-class Kenyan

childhood out of kilter

with the world around

him. This world came to

him as a chaos of loud

and colorful sounds: the

hair dryers at his mother's

beauty parlor, black

mamba bicycle bells,

mechanics in Nairobi, the

music of Michael

Jackson—all punctuated

by the infectious laughter

of his brother and sister,

Jimmy and Ciru. He could

fall in with their patterns,

but it would take him a

while to carve out his

own. In this vivid and

compelling debut memoir,

Wainaina takes us

through his school days, his mother's religious period, his failed attempt to study in South Africa as a computer programmer, a moving family reunion in Uganda, and his travels around Kenya. The landscape in front of him always claims his main attention, but he also evokes the shifting political scene that unsettles his views on family, tribe, and nationhood. Throughout, reading is his refuge and his solace. And when, in 2002, a writing prize comes through, the door is opened for him to pursue the career that perhaps had been beckoning all along. A series of fascinating international reporting assignments follow. Finally he circles back to a Kenya in the throes of postelection violence and finds he is not the only one questioning the old certainties. Resolutely avoiding stereotype and cliché, Wainaina paints every scene in *One Day I Will Write About This Place* with a highly distinctive and hugely memorable brush.

Then One Day...

Ballantine Books
In a future where the Population Police enforce the law limiting a family to only two children, Luke,

an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

One Day a Dot Rebellion Publishing Ltd

“What my soul sees cannot be conceived by any thought nor expressed in words. I see nothing, and I see it all. The more infinite God is seen in the darkness, the more certain it is and the

more it exceeds all things else.” -Saint Angela of Foligno, Book of visions and instructions I have an incredible story to tell, and as my finger crosses the soft surface of my third scroll, I realize why this story must be told. It occurs during extraordinary times between two worlds that have grown complacent about God. Perhaps that's why Azrael and I were positioned to meet, as God has a sense of humor and an exquisite sense of irony. A rebellion brewing on heaven and earth, made worse by doubt about whether we even need each other. As both realms wrestle with the 'yes, no, and maybe's,' the four horsemen saddle up. Stay with me here because redemption is always worth it, especially when it comes to the salvation of two profoundly broken beings, one who has been transformed into the bringer of death and the collector of souls. A being who has hidden from his disfigurement and refuses to look any “further in fear of what he might see. And then there's me, a middle-aged breast cancer survivor who, until I met him, could barely find the will to live outside of work, much less find

the courage to look at myself in the mirror. Despite all that baggage, Azrael and I find each other twice. Within our bond, we find the courage to believe in one another and look beyond outward appearances to the souls beneath. Our unlikely friendship and later love will give hope and proof to both heaven & earth that we need each other to flourish, even if those opposed to our message seek to devastate everything we hold dear. Our journey will nearly destroy us but will lead us to a place where our battle for the partnership between angels and mankind will outweigh our struggles, allowing us to find a cause much more significant than our own lives. Along the way, we find like minds and souls that will join us on our quest." Excerpt From *One Day Closer to Death* Jen Rinaldi

One Day Lulu.com
 In this second volume of diaries from one of Australia's greatest writers, we see Garner in love; asking herself questions about relationships,

individuality, morality and contentment. For readers of Lisa Taddeo's *Three Women*, and avid Garner fans, this volume illuminates the inner life of a writer with all its turmoil and joy.
One Day, So Many Ways Writers Republic LLC
 After visiting the Vietnam Veterans Memorial in Washington, D.C. and reflecting on the name of a distant cousin, first-time author Gary Hook set out to discover the man he had never known and what happened to him during the war. He searched for and found his cousin's closest relatives, friends and fellow soldiers with whom his cousin served during the war. Through extensive personal interviews and key government documents the author uncovered a story of gripping air combat, heroic sacrifice, and a terrible secret that lay hidden for more than thirty years.

One Day That Shook the Communist World

Dutton Books for Young Readers
 "Sparks fly when American good girl Allyson encounters laid-back Dutch actor Willem, so she follows him on a whirlwind trip to Paris, upending her life in just

one day and prompting a year of self-discovery and the search for true love."--
One Day Adrian G Dumitru
 Over the years i've been meeting lots of people ... which i the end ... i would like to call them ... souls. In fact i was dealing with thousands of them ... and i had moments when i've wondered myself ... why do i meet the whole spectrum of the human beings?! What is the message behind that?! What the Universe is trying to whisper to me?! But what i can say that it was funny ... was that i met people i liked, people i disliked, people that i liked and then i disliked and ... people i disliked and then i liked. The interactions were of so many different types ... that i almost started to believe that i am at school ... a school where i need to understand what the human being is. But i had to understand ... the whole spectrum of them ... no matter who they were. There were moments when i was almost forced to deal with certain prototypes of souls that i not even thought that exist. Yes ... i felt ... forced by the Universe ... to meet many of those persons ... but i knew it was a reason it

was happening. I had events when I thought some people were trying to destroy me ... but at the end of those stories i had become a better and also stronger person. And i also met persons that i thought that they will somehow rebuild myself ... and ended the story with them almost ruined emotionally. But i realized one thing ... everything had a purpose ... to reveal me what life is about ... by having so many interconnections with the people from the world. Today ... same as always ... i still love socializing ... with everybody ... but i don't judge the connections anymore. I see it as a ... life experience ... and in fact as a blessing in my evolution as a human being. I know that every human i met ... it's just a reflection of my inner self. When i meet good people ... i need to pay attention at all those positive attributes i see ... but also keep them active as much as i can in my personality. And when ... i meet people i dislike ... i have the courage to admit that they are ... the reflection of that part of myself ... which in fact i dislike. But ... i admit that i still have moments when i believe in the illusion of life ...

believe in the duality ... and that i am not wise enough. I continue to analyze and define everything i see on the timeline of my own life ... but also keep active the process of redefining myself. And i love being the witness of ... my life. *Grief One Day at a Time* Xlibris Corporation On October 23, 1956, a popular uprising against Soviet rule swept through Hungary like a force of nature, only to be mercilessly crushed by Soviet tanks twelve days later. Only now, fifty years after those harrowing events, can the full story be told. This book is a powerful eyewitness account and a gripping history of the uprising in Hungary that heralded the future liberation of Eastern Europe. Paul Lendvai was a young journalist covering politics in Hungary when the uprising broke out. He knew the government officials and revolutionaries involved. He was on the front lines of the student protests and the bloody street fights and he saw the revolutionary government smashed by the Red Army. In this riveting, deeply personal, and often irreverent book, Lendvai weaves his own

experiences with in-depth reportage to unravel the complex chain of events leading up to and including the uprising, its brutal suppression, and its far-reaching political repercussions in Hungary and neighboring Eastern Bloc countries. He draws upon exclusive interviews with Russian and former KGB officials, survivors of the Soviet backlash, and relatives of those executed. He reveals new evidence from closed tribunals and documents kept secret in Soviet and Hungarian archives. Lendvai's breathtaking narrative shows how the uprising, while tragic, delivered a stunning blow to Communism that helped to ultimately bring about its demise. One Day That Shook the Communist World is the best account of these unprecedented events. **The Thing About Life Is That One Day You'll Be Dead** Jen J Rinaldi Winner of the Marshall McLuhan Outstanding Book Award Entrepreneur's 12 Productivity and Time-Management Books to Read "I'm won over to a day with people, not screens....I tried Shlain's idea. I highly recommend it." —The New York Times "Tiffany Shlain is a

modern-day prophet, brilliant and incredibly funny in equal measure...24/6 is timeless and timely wisdom.”
 —Angela Duckworth, #1 New York Times bestselling author This “wise, wonderful work” (Publishers Weekly starred review) demonstrates how turning off screens one day a week can work wonders on your brain, body, and soul. Do you wish you had more time to do what you love, think deeply, and focus on the people and

things that matter most? By giving up screens one day a week for over a decade, Internet pioneer and renowned filmmaker Tiffany Shlain and her family have gained more time, productivity, connection, and presence. Shlain takes us on a thought-provoking and entertaining journey through time and technology, introducing a strategy for flourishing in our 24/7 world. Drawn from the ancient ritual of Shabbat, living 24/6 can

work for anyone from any background. With humor and wisdom, Shlain shares her story, offering the accessible lessons she has learned and providing a blueprint for how to do it yourself. “Bolstered with fascinating and germane facts about neuroscience, philosophy, psychology, and the history of the concept of a day of rest” (Publishers Weekly), 24/6 makes the case for incorporating this weekly reset into our 24/7 lives, issuing a call to rebalance ourselves and our society.
