LAW: IN PRINCIPLE, 8th Edition has been written with a continued commitment to providing the most easy to understand text on corporate law in Australia. Tony Ciro and Chris Symes have presented an up-to-date picture of the

complicated and changeable corporate law environment in an accessible and relevant way, ensuring this edition maintains the very high standards set by earlier versions of the text. Corporations Law: In Principle - Tony Ciro, Christopher F ...Principle of corporations law. Introduction. A fundamental principle of corporation's law is that a corporation is a separate legal person who is liable for its own actions. This principle suggests that a corporation should take responsibility and be liable for its corporate wrong rather than the individuals who run it. Principle of Corporations Law - Law TeacherNEW PRINCIPLES FOR CORPORATE LAW Kent Greenfield* The

fundamental assumptions of corporate law have changed little in decades. Accepted as truth are the notions that corporations are voluntary, private, contractual entities, that they have broad powers to make money in whatever ways and in whichever locations they see fit. The primaryNew Principles for Corporate LawCorporations are obligated to obey the law, including paying taxes and abiding by environmental regulations. Corporations will be liable for breaking the law, and in some cases directors of the corporation will also be held liable for wrongful acts of the corporation because the directors are the ones who operate the business of
