How perverted is Si Ye Han's taste? He still wants me like this? Waking up, she looked at her reflection in the mirror: explosive wig, tattoos, and demon-like makeup. Any normal person's

eyes would burn if they looked at her for more than a second. Before her rebirth, she was in love with a different guy, so all she wanted to do was escape from Si Ye Han and hated him to his core after being locked up by him. After her rebirth, she looked differently at him, thinking that maybe he changed for the better? In the past, her mind was muddled. She let go of a stunning husband, was hurt by a scumbag and backstabber and most of all, was brainwashed by her most trusted friend. In the end, she was utterly alone. In her current lifetime, there are evil people scheming and eagerly waiting for her downfall. Sorry, but this girl won't fall for the same tricks twice!

"Absolutely charming... a flawless balance of humor, heat, sweetness, and depth, and I loved every page." – Helen Hoang, USA Today bestselling author of *The Bride Test* USA TODAY BESTSELLER A witty, hilarious romantic comedy about a woman who's tired of being "boring" and recruits her mysterious, sexy neighbor to help her experience new things—perfect for fans of Sally Thorne, Jasmine Guillory, and Helen Hoang! Chloe Brown is a chronically ill computer geek with a goal, a plan, and a list. After almost—but not quite—dying, she's come up with seven directives to help her "Get a Life", and she's already completed the first: finally moving out of her glamorous family's mansion. The next items? Enjoy a drunken night out. Ride a motorcycle. Go

camping. Have meaningless but thoroughly enjoyable sex. Travel the world with nothing but hand luggage. And... do something bad. But it's not easy being bad, even when you've written step-by-step guidelines on how to do it correctly. What Chloe needs is a teacher, and she knows just the man for the job. Redford 'Red' Morgan is a handyman with tattoos, a motorcycle, and more sex appeal than ten-thousand Hollywood heartthrobs. He's also an artist who paints at night and hides his work in the light of day, which Chloe knows because she spies on him occasionally. Just the teeniest, tiniest bit. But when she enlists Red in her mission to rebel, she learns things about him that no spy session could teach her. Like why he clearly resents Chloe's wealthy background. And why he never shows his art to anyone. And what really lies beneath his rough exterior... "This is an extraordinary book, full of love, generosity, kindness and sharp humor." — The New York Times Book Review

### **Style and Intersubjectivity in Youth Interaction**

CreateSpace This book examines how style and intersubjective meanings emerge through language use. It is innovative in theoretical scope and empirical focus. It brings together insights from discourse-functional linguistics, stylistics, and conversation analysis to understand how language

resources are used to enact stances in intersubjective space. While there are numerous studies devoted to youth language, the focus has been mainly on face-to-face interaction. Other types of youth interaction, particularly in mediated forms, have received little attention. This book draws on data from four different text types - conversation, e-forums, comics, and teen fiction - to highlight the multidirectional nature of style construction. Indonesia provides a rich context for the study of style and intersubjectivity among youth. In constructing style, Indonesian urban youth have been moving away from conventions which emphasized hierarchy and uniformity toward new ways of connecting in intersubjective space. This book analyzes how these new ways are realized in different text types. This book makes a valuable addition to sociolinguistic literature on youth and language and an essential reading for those interested in Austronesian sociolinguistics. *You & Me at the End of the World* Phoemixx Classics Ebooks A mountain lodge 5,000
