It's time to see granny hexagons in a whole new light with this inspired collection of modern crochet patterns for clothes, accessories and homewares. Quilters have always known the power of the hexagon but now crocheters can get in on the action too with a collection of step-by-step instructions for crochet hexagon motifs and crochet patterns. It's time for the granny square to move over and make way for the hexagon, the hottest new crochet motif! In this unique collection, popular crochet designer and author, Sarah Shrimpton reveals patterns for 10 unique crochet hexagon designs so you can pick your favourite. As well as the written pattern there are

also crochet charts for each of the hexagons for extra clarity. Once you've practised your hexie skills you can choose from a collection of 20 step-by-step projects that you will be itching to stitch thanks to their simplicity and creativity. Hexagons are quick and easy to make and can be combined in a myriad of ways to create a huge range of projects – from garments and accessories to home décor and even toys. Sarah reveals how the humble hexagon can be used as the basis for a wide range of projects including a cute, retro mini skirt, a boho bag, cosy slipper socks and a boho daisy design wall hanging. These little motifs are so flexible that they lend themselves to everything from a dainty shrug and a lacy summer top to a heavy wool rug

and a cosy poncho depending on the size of yarn and crochet hook that you use, the possibilities are endless! Crocheting motifs is the ultimate portable crochet project - they are small enough to carry with you when you're on the move - and because each project is made using just hexies and some simple joining techniques, this collection is suitable even for complete beginners. Before you know it you will have stitched enough hexies to create the perfect gift to impress friends and family. This refreshing twist on the classic granny square will get you excited about the possibility of the humble six-sided polygon and how it can be used to create gorgeous projects... one little hexie at a time.

Join the seamless revolution! Kristin Omdahl debuts her revolutionary, one-of-kind seamless motif joining crochet technique in *Seamless Crochet*.

Traditional motif seaming techniques require crocheters to painstakingly sew together hundreds of seams and weave in countless ends. Not with *Seamless Crochet*! Innovative designer Kristin Omdahl has pioneered a new technique for crocheters of all skill levels to create motif-based patterns in one piece, eliminating seams and leaving only two ends to weave in. Kristin's brand-new modular construction allows one motif to flow into the next, creating secure joins and beautiful geometric patterning on the exterior round. Inside you'll find a showcase of 18 garment, home decor,

and accessory projects from Kristin that will change the way you crochet forever. From pillows to shawls to blankets, these projects will show you just how versatile and time-saving this "tail-free" construction method is. Seamless Crochet will transform the way you approach every crocheted motif-based design, giving you professional crochet results in a fraction of the time.

Everyone loves ripple afghan!

Crocheters know that a ripple design works up faster than most other afghan patterns. That's because the zigzag rows are easy to establish and maintain without demanding all of your attention. Throw in a little variation in pattern or color, or add a sweet motif or edging, and the results are gorgeous! As accents in your home, they're more than just

decorative – they’re also warm and cozy.

Shawls are currently making a huge comeback in the fashion world, but many people do not realize that the shawl has been worn for many centuries and in many cultures. This collection of patterns and traditions features shawls from around the world. From the Himalayas to Spain, from Iceland to Japan, and from Mexico to Norway, many

of the shawls featured here have been taken from examples of historic knitted shawls. Other designs have been translated into knitwear from patterns for woven or lace shawls. Included are 25 patterns as well as historical and cultural information about shawls that have been used for prayer and mourning, as bridal veils, and as christening garments. Each design is presented with a full-page color photo, written instructions, and charts.
