MY STORY ON ONLINE DATING APPS

The book profiles my time as an over-40s man engaged with online dating apps, during which period I was stood up, ghosted, verbally abused, propositioned for sex and asked to be a surrogate father to an unborn child. The lessons I learned have been encapsulated in this book for the benefit of men and women engaged with online dating sites and apps such as 'Tinder', 'Bumble', 'Hinge' and others, and who wish to avoid the first date mistakes that I made. STATE OF INTERNET DATE My book also provides an overview of Internet dating's major issues, including;

- Why you have a less than 20 per cent chance of finding love online.
- Why black women who seek love should never use 'Tinder'.
- Why all online dating apps should carry a government health warning.
- Why Internet dating apps would prefer that you don't find love.
- Why 90 per cent of online daters may not actually want a relationship.

A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: - What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the
