Harness the Power of Music to Stay Sober
Independently

Published
Either you or someone you love or treat professionally is currently struggling to break free from an addiction of some sort.

Whether it's drugs, alcohol, money, sex, gambling, food, or technology, our modern society is a breeding ground for addiction. In

<p>Sonic Recovery: Harness the Power of Music to Stay Sober, board certified music therapist Tim Ringgold shares the science of what shamans have known for millennia: music is a powerful, efficient, and effective tool for healing. Combining music, neuroscience, and music therapy research with positive and social psychology, Tim has synthesized his evidence-based practice</p>	<p>of using music to help thousands of clients for more than a decade into a compelling, easy to read book. By sharing not only his clinical experience, but his own recovery journey, Tim paints a compassionate and hopeful approach to addiction and recovery that includes both work AND play. There are many effective tools of recovery, but in Sonic Recovery, you will learn why music is not</p>	<p>only effective but efficient at helping a person stay S.O.B.E.R., which stands for Stay present, Open up, Be creative, Escape Stressors, and Reconnect. You will learn how you are wired to experience and make music. Tim dispels the myths in our culture surrounding music and talent, and makes engaging with music seem completely approachable for ANYONE. In Sonic</p>
---	---	--

Recovery, you'll learn why music is a vital tool for anyone looking to break the chains of addiction, and you'll feel empowered to engage in the four pathways of music on a daily basis. Make it, listen to it, write it, and/or relax to it, but understand that music is powerful and, when not used consciously, can lead to relapse as easy as recovery. You'll learn how to utilize this old friend safely in such

a way that you'll want to make it a cornerstone of your recovery journey!

Summary of 13 Things Mentally Strong People Don't Do: by Amy Morin Wolters Kluwer

This book integrates the latest global developments in forestry science and practice and their relevance for the sustainable management of tropical forests. The influence of social dimensions on the

development of silvicultural concepts is another spotlight. Ecology and silvicultural options form all tropical continents, and forest formations from dry to moist forests and from lowland to mountain forests are covered. Review chapters which guide readers through this complex subject integrate numerous illustrative and quantitative case studies

<p>by experts from all over the world. On the basis of a cross-sectional evaluation of the case studies presented, the authors put forward possible silvicultural contributions towards sustainability in a changing world. The book is addressed to a broad readership from forestry and environmental disciplines. Corporate Legal Compliance Handbook, 3rd Edition</p>	<p>13 Things Mentally Strong People Don't Do (2014) describes how you can take control of your emotions, thoughts and actions and develop greater mental strength. With useful tips, inspiring examples and practical solutions, this book will help you overcome your fears and start living life to the fullest. <u>Silviculture in the Tropics</u> Springer Science & Business Media Corporate</p>	<p>Legal Compliance Handbook, Third Edition, provides the knowledge necessary to implement or enhance a compliance program in a specific company, or in a client's company. The book focuses not only on doing what is legal or what is right--the two are both important but not always the same--but also on how to make a compliance program actually work. The book is organized in a sequence that</p>
---	---	---

follows how to approach a compliance program. It gives the compliance officer, consultant, or attorney a good grounding in the basics of compliance law. This includes such things as the rules about corporate and individual liability, an understanding of the basics of the key laws that impact companies,

and the workings of the U.S. Sentencing Guidelines. Successful programs also require an understanding of educational techniques, good communication skills, and the use of computer tools. The effective compliance program also takes into account how to deliver messages using a variety of media to reach

employees in different locations, of different ages or education, who speak different languages. Note: Online subscriptions are for three-month periods.
