The Ultimate Guide to the CAP is a must-have resource if you are planning to take the exam. Developed by (ISC)<sup>2</sup>, the creator of the CAP Common Body of Knowledge

(ISC)<sup>2</sup> exams are experience-based that include experience-based questions that cannot be learned by studying alone. If you already have the experience in the domains covered in CAP and believe that you have sufficiently studied those domains, you should feel confident that you are qualified to take the new exam and pass it.
