From the author of A. Lincoln, a major new biography of one of America's greatest generals—and most misunderstood presidents. Winner of the William Henry Seward Award for Excellence in Civil War Biography • Finalist for the Gilder-Lehrman Military History Book Prize In his time, Ulysses S. Grant was routinely grouped with George Washington and Abraham Lincoln in the

“Trinity of Great American Leaders.” But the battlefield commander-turned-commander-in-chief fell out of favor in the twentieth century. In *American Ulysses*, Ronald C. White argues that we need to once more revise our estimates of him in the twenty-first. Based on seven years of research with primary documents—some of them never examined by previous Grant scholars—this

is destined to become the Grant biography of our time. White, a biographer exceptionally skilled at writing momentous history from the inside out, shows Grant to be a generous, curious, introspective man and leader—a willing delegator with a natural gift for managing the rampaging egos of his fellow officers. His wife, Julia Dent Grant, long marginalized in the historic

record, emerges in her own right as a spirited and influential partner. Grant was not only a brilliant general but also a passionate defender of equal rights in post-Civil War America. After winning election to the White House in 1868, he used the power of the federal government to battle the Ku Klux Klan. He was the first president to state that the government’s policy toward American Indians was

immoral, and the first ex-president to embark on a world tour, and he cemented his reputation for courage by racing against death to complete his Personal Memoirs. Published by Mark Twain, it is widely considered to be the greatest autobiography by an American leader, but its place in Grant's life story has never been fully explored—until now. One of those rare

books that successfully recast our impression of an iconic historical figure, American Ulysses gives us a finely honed, three-dimensional portrait of Grant the man—husband, father, leader, writer—that should set the standard by which all future biographies of him will be measured. Praise for American Ulysses “[Ronald C. White] portrays a deeply

introspective man of ideals, a man of measured thought and careful action who found himself in the crosshairs of American history at its most crucial moment.”—USA Today
“White delineates Grant's virtues better than any author before. . . . By the end, readers will see how fortunate the nation was that Grant went into the world—to save the Union, to lead it and, on his deathbed, to write one of

the finest memoirs in all of American letters.”—The New York Times Book Review “Ronald White has restored Ulysses S. Grant to his proper place in history with a biography whose breadth and tone suit the man perfectly. Like Grant himself, this book will have staying power.”—The Wall Street Journal “Magisterial . . . Grant’s esteem in the eyes of historians has increased significantly in

the last generation. . . . [American Ulysses] is the newest heavyweight champion in this movement.”—The Boston Globe “Superb . . . illuminating, inspiring and deeply moving.”—Chicago Tribune “In this sympathetic, rigorously sourced biography, White . . . conveys the essence of Grant the man and Grant the warrior.”—Newsday The First Circle Bantam Books

The only English translation authorized by Aleksandr Solzhenitsyn First published in the Soviet journal *Novy Mir* in 1962, *One Day in the Life of Ivan Denisovich* stands as a classic of contemporary literature. The story of labor-camp inmate Ivan Denisovich Shukhov, it graphically describes his struggle to maintain his dignity in the face of communist oppression. An unforgettable

portrait of the entire world of Stalin's forced work camps, One Day in the Life of Ivan Denisovich is one of the most extraordinary literary documents to have emerged from the Soviet Union and confirms Solzhenitsyn's stature as "a literary genius whose talent matches that of Dosotevsky, Turgenev, Tolstoy"-- Harrison Salisbury This unexpurgated 1991 translation by H. T. Willetts is the only

authorized edition available and fully captures the power and beauty of the original Russian. **The Red Wheel, Node III, Book 3** Important Books Russian Nobel prize-winner Aleksandr Solzhenitsyn (1918-2008) is widely acknowledged as one of the most important figures—and perhaps the most important writer—of the last century. To celebrate the centenary of his birth,

the first English translation of his memoir of the West, Between Two Millstones, Book 1, is being published. Fast-paced, absorbing, and as compelling as the earlier installments of his memoir The Oak and the Calf (1975), Between Two Millstones begins on February 13, 1974, when Solzhenitsyn found himself forcibly expelled to Frankfurt, West Germany, as a

result of the publication in the West of *The Gulag Archipelago*. Solzhenitsyn moved to Zurich, Switzerland, for a time and was considered the most famous man in the world, hounded by journalists and reporters. During this period, he found himself untethered and unable to work while he tried to acclimate to his new surroundings. *Between Two Millstones* contains vivid descriptions of

Solzhenitsyn's journeys to various European countries and North American locales, where he and his wife Natalia ("Alya") searched for a location to settle their young family. There are fascinating descriptions of one-on-one meetings with prominent individuals, detailed accounts of public speeches such as the 1978 Harvard University commencement, comments on his

television appearances, accounts of his struggles with unscrupulous publishers and agents who mishandled the Western editions of his books, and the KGB disinformation efforts to besmirch his name. There are also passages on Solzhenitsyn's family and their property in Cavendish, Vermont, whose forested hillsides and harsh winters evoked his Russian homeland, and where he

could finally work undisturbed on his ten-volume dramatized history of the Russian Revolution, The Red Wheel. Stories include the efforts made to assure a proper education for the writer's three sons, their desire to return one day to their home in Russia, and descriptions of his extraordinary wife, editor, literary advisor, and director of the Russian Social Fund, Alya, who

successfully arranged, at great peril to herself and to her family, to smuggle Solzhenitsyn's invaluable archive out of the Soviet Union. Between Two Millstones is a literary event of the first magnitude. The book dramatically reflects the pain of Solzhenitsyn's separation from his Russian homeland and the chasm of miscomprehension between him and Western society. *The Gulag*

Archipelago, 1918-1956: pt. 1. The prison industry Harper Collins Banned from Russia for five years, Salisbury, a Pulitzer Prize-winning reporter for the NY Times, returned to a "new" Russia in 1959. Based in Moscow, he achieved quite a contemporary feat by traveling 30,000 miles within Russia (to Siberia and Outer Mongolia as well as throughout Russia). **Aleksandr**

**Solzhenitsyn
's Fictive
Worlds**

Random House Trade Paperbacks Volume 1 of the gripping epic masterpiece, Solzhenitsyn's chilling report of his arrest and interrogation, which exposed to the world the vast bureaucracy of secret police that haunted Soviet society August 1914 The First Circle In March 1917, Book 3 the forces of revolutionary disintegration

spread out from Petrograd all the way to the front lines of World War I, presaging Russia's collapse. One of the masterpieces of world literature, The Red Wheel is Nobel prize-winner Aleksandr Solzhenitsyn's multivolume epic work about the Russian Revolution told in the form of a historical novel. March 1917—the third node—tells the story, day by day, of the

Russian Revolution itself. Until recently, the final two nodes have been unavailable in English. The publication of Book 1 of March 1917 (in 2017) and Book 2 (in 2019) has begun to rectify this situation. The action of Book 3 (out of four) is set during March 16–22, 1917. In Book 3, the Romanov dynasty ends and the revolution starts to roll out from Petrograd toward

Moscow and the Russian provinces. The dethroned Emperor Nikolai II makes his farewell to the Army and is kept under guard with his family. In Petrograd, the Provisional Government and the Soviet of Workers' and Soldiers' Deputies continue to exercise power in parallel. The war hero Lavr Kornilov is appointed military chief of Petrograd. But the Soviet's "Order No. 1" reaches every

soldier, undermining the officer corps and shaking the Army to its foundations. Many officers, including the head of the Baltic Fleet, the progressive Admiral Nepenin, are murdered. Black Sea Fleet Admiral Kolchak holds the revolution at bay; meanwhile, Grand Duke Nikolai Nikolaevich, the emperor's uncle, makes his way to military headquarters, naïvely thinking he

will be allowed to take the Supreme Command. **Solzhenitsyn** Academic Studies PResS Set in Moscow during a three-day period in December 1949, *The First Circle* is the story of the prisoner Gleb Nerzhin, a brilliant mathematician. At the age of thirty-one, Nerzhin has survived the war years on the German front and the postwar years in a succession of Russian prisons and labor camps.

His story is interwoven with the stories of a dozen fellow prisoners - each an unforgettable human being - from the prison janitor to the tormented Marxist intellectual who designed the Dnieper dam; of the reigning elite and their conflicted subordinates; and of the women, wretched or privileged, bound to these men. A landmark of Soviet literature, *The First Circle* is

as powerful today as it was when it was first published, nearly thirty years ago. *The Ascent from Ideology* New York : Norton
A harrowing novel about life in a Stalinist labor camp in Siberia and one man's heroic struggle to survive. *A Life of Ulysses S. Grant* Farrar, Straus and Giroux
PULITZER PRIZE WINNER
• This magisterial and acclaimed history offers

the first fully documented portrait of the Gulag, from its origins in the Russian Revolution, through its expansion under Stalin, to its collapse in the era of glasnost. "A tragic testimony to how evil ideologically inspired dictatorships can be." -The New York Times
The Gulag—a vast array of Soviet concentration camps that held millions of political and criminal prisoners—was a system of repression

and punishment that terrorized the entire society, embodying the worst tendencies of Soviet communism. Applebaum intimately re-creates what life was like in the camps and links them to the larger history of the Soviet Union. Immediately recognized as a landmark and long-overdue work of scholarship, *Gulag* is an essential book for anyone who wishes to understand the history of the twentieth

century. *Between Two Millstones, Book 1* University of Notre Dame Press Set at the outbreak of the First World War, this novel explores the responsibility for Russia's defeat in the Battle of Tannenberg. *In the First Circle* Macmillan The Russian Nobelists' major work, back in print for the centenary of World War I and the Russian Revolution In his

monumental narrative of the outbreak of the First World War and the ill-fated Russian offensive into East Prussia, Aleksandr Solzhenitsyn has written "a dramatically new interpretation of Russian history" (Nina Krushcheva, *The Nation*). The assassination of the tsarist prime minister Pyotr Stolypin, a crucial event in the years leading up to the Revolution of 1917, is reconstructed from the alienating

viewpoints of historical witnesses. The sole voice of reason among the advisers to Tsar Nikolai II, Stolypin died at the hands of the anarchist Mordko Bogrov, and with him Russia's last hope for reform perished. August 1914 is the first volume of Solzhenitsyn's epic, *The Red Wheel*; the second is November 1916. Each volume concentrates on a critical moment or "knot" in the

history of the Russian Revolution. **The First Circle** Farrar, Straus and Giroux Draws on new materials made available by the Solzhenitsyn family and on interviews with the writer himself to create a profile of this complex personality and of the culture from which he emerged *An Experiment in Literary Investigation* Random House The thrilling cold war

masterwork by the Nobel Prize winner, published in full for the first time Moscow, Christmas Eve, 1949. The Soviet secret police intercept a call made to the American embassy by a Russian diplomat who promises to deliver secrets about the nascent Soviet Atomic Bomb program. On that same day, a brilliant mathematician is locked away inside a Moscow prison that houses the country's brightest

minds. He and his fellow prisoners are charged with using their abilities to sleuth out the caller's identity, and they must choose whether to aid Joseph Stalin's repressive state—or refuse and accept transfer to the Siberian Gulag camps . . . and almost certain death. First written between 1955 and 1958, *In the First Circle* is Solzhenitsyn's fiction masterpiece. In order to pass through

Soviet censors, many essential scenes—including nine full chapters—were cut or altered before it was published in a hastily translated English edition in 1968. Now with the help of the author's most trusted translator, Harry T. Willetts, here for the first time is the complete, definitive English edition of Solzhenitsyn's powerful and magnificent classic. *The Gulag Archipelago*

[Volume 3]
HarperCollins
A treasury of 22 novellas, short stories and prose poems by the Russian Nobel Prize winner includes the tales, "Matryona's House" and "An Incident at Krechetovka Station." original.
In the First Circle Center for Ethics and Culture
The Red Wheel is Nobel Prize-winner Aleksandr Solzhenitsyn's multivolume epic work about the Russian

Revolution. He spent decades writing about just four of the most important periods, or "nodes." This is the first time that the monumental March 1917--the third node--has been translated into English. It tells the story of the Russian Revolution itself, during which the Imperial government melts in the face of the mob, and the giants of the opposition also prove incapable of controlling the

course of events. Together, these factors condemn Russia to chaos, destruction, and ultimately Communist dictatorship. The action of Book 2 (of four) of March 1917 is set during March 13-15, 1917, the Russian Revolution's turbulent second week. The revolution has already won inside the capital, Petrograd. News of the revolution flashes across all Russia through the telegraph

system of the Ministry of Roads and Railways. But this is wartime, and the real power is with the army. At Emperor Nikolai II's order, the Supreme Command sends troops to suppress the revolution in Petrograd. Meanwhile, victory speeches ring out at Petrograd's Tauride Palace. Inside, two parallel power structures emerge: the Provisional Government and the

Executive Committee of the Petrograd Soviet of Workers' and Soldiers' Deputies, which sends out its famous "Order No. 1," presaging the destruction of the army. The Emperor hurries to leave his headquarters and join his family at Tsarskoye Selo. The troops sent to suppress the Petrograd revolution are halted by the army's own top

commanders. The Emperor is detained and abdicates, and his ministers are jailed and sent to the Peter and Paul Fortress. This sweeping, historical novel is a must-read for many fans, as well as those interested in twentieth-century history, Russian history and literature, and military history. *The Gulag*

Archipelago (1918-1956) HarperCollins One Day in the Life of Ivan Denisovich is set in a Soviet labor camp in the 1950s and describes a single day of an ordinary prisoner, Ivan Denisovich Shukhov. Its publication was an extraordinary event in Soviet literary history-never before had an account of Stalinist repression been openly distributed.
