The battle of the sexes is on. Most high school sports teams have rivalries with other schools. At Hamilton High, it's a civil war: the football team versus the soccer team. And for her part, Lissa is sick of it. Her quarterback boyfriend, Randy, is always ditching her to go pick a fight with the soccer team or to prank their locker room. And on three separate occasions Randy's car has been egged while he and Lissa were inside, making out. She is done competing with a bunch of sweaty boys for her own boyfriend's attention. Lissa decides to end the rivalry once and for all: She and the other players' girlfriends go on a hookup strike. The boys won't get any action from them until the football and soccer

teams make peace. What they don't count on is a new sort of rivalry: an impossible girls-against-boys showdown that hinges on who will cave to their libidos first. And Lissa never sees her own sexual tension with the leader of the boys, Cash Sterling, coming. **Stories of the Criminal and the Prodigy** Harper Collins

Breakout sensation Monica Murphy takes the romance genre by storm with the deeply emotional, completely addicting story of Drew and Fable. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts—at least until I can break free. I'm temporarily raising my little brother—since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend—the flavor of the week for every guy who's heard the rumor that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is . . . me. I don't know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him—permanently. Praise for One Week Girlfriend “A sweet and sexy read with a dash of angst. It will hook you from page

one!”—Under the Covers “The author had me hooked within the opening pages. What a great debut novel by Monica Murphy! . . . All I have to say is pick up the book and be prepared for the roller coaster you are about to get on. . . . You will not want to miss this book and this author.”—Shh Moms Reading “I chose this book to be the book. The perfect book that would make the world stop for a few hours and suck me into another universe completely. The perfect book that would make my heart race and stop all at the same time. This book is that book! This book is perfect!”—The Obsessive Reader “A deep and thought provoking story . . . Be on the lookout for Monica Murphy because I'm sure you'll be hearing more great things from her!”—Mostly YA Book Obsessed “A delicious read, hot romance, complicated characters and intense drama.”—Literary Cravings “An emotional and heartbreaking storyline . . . Monica Murphy pulls the reader in and won't let go.”—The Reading Cafe “An amazing read! . . . [I] can't wait to continue the emotional journey of Drew and Fable.”—A Bookish Escape

A feisty tale of enemies-to-lovers Forever

Situazioni immotivate in cui puoi incontrare l'uomo della tua vita Manette e frustini, per l'uomo che non deve chiedere mai (perché lei ha già dato) Come promettersi sesso eterno senza sentimento, credendoci per 3 secondi Situazioni meteorologiche avverse che favoriscono l'amore (e non rovinano il look) Come diventare una gnocca spaziale partendo da basi estetiche instabili Le nostre fantasie d'amore sono state irrimediabilmente condizionate dalle decine di commedie romantiche che abbiamo guardato - sospirando, commuovendoci e ridendo - sin da piccole. Poi apriamo gli occhi e ci accorgiamo che il nostro fidanzato non ha la faccia di Hugh Grant vent'anni fa, che alla porta hanno suonato i testimoni di Geova e non un fattorino per consegnarci centoventuno rose scarlatte e al telefono ci sta chiamando la compagnia telefonica, non il nostro amico gay dispensatore di pillole di saggezza. Certo, anche noi non siamo proprio simili ad Anne Hathaway... Ma niente paura, grazie a questo libro riuscirete a riguadagnare un sano sguardo sull'amore e... sulle commedie romantiche. From the #1 New York Times bestselling author of the Ella and Micha series comes a gripping story of passion, pain, and the courage to love . . . THE TEMPTATION OF LILA AND ETHAN On the surface, Lila Summers is flawless: good looks, expensive clothes, and a big, beautiful smile. But a dark past and even darker secrets are threatening to bubble over her perfect façade. She'll do anything to keep the emptiness inside hidden-which leads her into situations that always end badly. Whenever she hits bottom, there's only one person who's there to pull her out: Ethan

Gregory. Ethan set the rules a long time ago: he and Lila are just friends. He doesn't do relationships. Although his tattooed, bad boy exterior is a far cry from Lila's pretty princess image, Ethan can't deny they have a deeper connection than he's used to. If he's not careful, he could be in serious danger of becoming attached-and he's learned the hard way that attachment only leads to heartbreak. When Lila falls farther than she ever has before, can Ethan continue to help as a friend? Or is he also getting close to falling . . . for her?

Dirty Dom Springer Nature

Scorned, Torn and Reborn is written for women who are undergoing a divorce that has been initiated by their husbands. It is empathy, but not sympathy; understanding, but not enabling. It is looking back only to learn to move forward with integrity and confidence. The book is based on the author's own experiences and insights coupled with hundreds of hours of conversations with friends, interviews with professionals, and other research. The book's purpose is to help women in this group work through the changes that are occurring in their lives with dignity and grace. The goal is to come out on the other side of the transition whole and ready to embrace life and happiness. Scorned, Torn, and Reborn is divided into three distinct sections. In the first section, the author begins with guidance and support for the raw emotions the reader may be experiencing after having learned that her marriage is ending. She discusses the five stages of grief as they pertain to the loss of a marriage. The various aspects of betrayal are examined, and how to work through them. The author uses her life coaching skills to advise the reader on ways to start rebuilding lost self-esteem. She addresses the negative

aspects that chip away at one's self-image and how to recognize and combat them. She encourages the reader to incorporate gratitude and acknowledgment of her achievements and abilities into her daily life. The need for self-care, for protecting physical health, is discussed in detail - through adequate sleep, proper nutrition, regular exercise, mental health maintenance, staying connected with people, journaling, laughing, and improving spiritual health through avenues such as yoga and meditation. The second section addresses the practical aspects of the divorce process, giving advice for legal and financial representation and other professional services that can help make the divorce go more smoothly and save the reader money. There is discussion on dividing households to make a new home, supporting the children through the changes, as well as tips for effectively communicating with the estranged husband to establish a cooperative relationship. The nature of this relationship is emphasized throughout the entire book as essential to the process of moving forward. This section also leads the reader in finding support from friends and family, dealing with loneliness, and recognizing some social changes that naturally come with divorce. The final section of the book focuses on finding closure and moving forward and the importance of establishing co-parenting strategies. It also covers the various aspects of dating, including how to know when to start dating again and insights on online dating. The author leaves the reader with encouragement to experiment and try new activities and experiences to find what she truly wants out of life so that she can start building that future and achieve lasting happiness.

Dominic Valetti is only interested in two things: getting paid and getting laid. He's a bookie for the Valetti crime family, and he knows his sh*t. Dom's busy doing business, no time to dabble in social niceties. The women that chase after him wanting more than a dirty, hard f*ck are only gonna get their hearts broken. That is, until Becca stumbles into his office to pay off her ex's debt. A hot brunette who's just as guarded as he is and has a body made for sin... and for him. They're not meant to be together. A woman like her shouldn't be with a man like him. He's mobbed up; she's a good girl who deserves better. When they push their boundaries and cave to temptation, they both forget about the danger. And that's a mistake a man like Dom can't afford. Will Dirty Dom risk it all to keep Becca safe, or will he live up to his name? This is a standalone, full-length mafia romance with a filthy-mouthed, possessive bad boy. Guaranteed HEA.

[Methods and Protocols](#) Forever

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts

detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a letter to Hogwarts?

The Cursed Series Anagramma

Myocardial tissue engineering (MTE), a concept that intends to prolong patients' life after cardiac damage by supporting or restoring heart function, is continuously improving. Common MTE strategies include an engineered 'vehicle', which may be a porous scaffold or a dense substrate or patch, made of either natural or synthetic polymeric materials. The function of the substrate is to aid transportation of cells into the diseased region of the heart and support their integration. This book, which contains chapters written by leading experts in MTE, gives a complete analysis of the area and presents the latest advances in the field. The chapters cover all relevant aspects of MTE strategies, including cell sources, specific TE techniques and biomaterials used. Many different cell types have been suggested for cell therapy in the framework of MTE, including autologous bone marrow-derived or cardiac progenitors, as well as embryonic or induced pluripotent stem cells, each having their particular advantages and disadvantages. The book covers a complete range of biomaterials, examining different aspects of

their application in MTE, such as biocompatibility with cardiac cells, mechanical capability and compatibility with the mechanical properties of the native myocardium as well as degradation behaviour in vivo and in vitro. Although a great deal of research is being carried out in the field, this book also addresses many questions that still remain unanswered and highlights those areas in which further research efforts are required. The book will also give an insight into clinical trials and possible novel cell sources for cell therapy in MTE.

Love to Hate You Breathing

A devoted wife, a loving husband and a chilling murder that no one saw coming. Things that make me scared: When Charlie cries. Hospitals and lakes. When Ian drinks vodka in the basement. ISIS. When Ian gets angry... That something is really, really wrong with me. Maddie and Ian's love story began with a chance encounter at a party overseas; he was serving in the British army and she was a travel writer visiting her best friend, Jo. Now almost two decades later, married with a beautiful son, Charlie, they are living the perfect suburban life in Middle America. But when a camping accident leaves Maddie badly scarred, she begins attending writing therapy, where she gradually reveals her fears about Ian's PTSD; her concerns for the safety of their young son; and the couple's tangled and tumultuous past with Jo. From the Balkans to England, Iraq to Manhattan, and finally to an ordinary family home in Kansas, sixteen years of love and fear, adventure and suspicion culminate in *The Day of the Killing*, when a frantic 911 call summons the police to the scene of a shocking crime. Don't miss Annie Ward's explosive new novel, *The Lying Club*, a story of revenge, murder

and shocking secrets!
