Up Simon and Schuster Eighteen authors share dark mysteries set on the sunny Caribbean island in this anthology. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with *Brooklyn Noir*. Each book is comprised of all-new stories, each one set in a distinct neighborhood or location within the geographic area of the book. As reflected herein, the Caribbean provides no shelter from the delicious terror of noir fiction. Features brand-new stories by Robert Antoni, Elizabeth Nunez, Lawrence Scott, Ramabai

Espinet, Shani Mootoo, Kevin Baldeosingh, Vahni Capildeo, Willi Chen, Lisa Allen-Agostini, Keith Jardim, Reena Andrea Manickchand, Tiphonie Yanique, and more. Praise for *Trinidad Noir* “The volumes in Akashic’s locale-based noir anthology series set outside North America (Dublin Noir, etc.) offer more variety than those set in different major U.S. cities, and this one is no exception. The editors’ brief but insightful introduction makes clear that the sun and sea tourist image of the Republic of Trinidad and Tobago is at odds with the country’s political climate of excess and corruption and an element of society afloat in drugs and guns . . . The two standouts are

Keith Jardim’s mystical “The Jaguar” and Lawrence Scott’s “Prophet,” in which a series of child disappearances in a small but corrupt community builds to an appropriately bleak ending.”

Earl Lovelace writes about the survival of a small community of Spiritual Baptists with a lyricism and understanding of dialogue which has established an international reputation. 'If we clap we hands and catch the Spirit, the police could arrest us. One day we was Baptist, the next day we is criminals.' The Wine of Astonishment is a poignant and devastating tale of the discrimination the Black community of Bonasse faced during the first half of the 20th century. Told from the perspective of a religious wife, Eva retells the torment and tribulations her family and friends endure at the hands of abusive police and corrupt government officials. Hurling towards its tragic climax, Bolo's transformation embodies the tragedy manifested when a people are pushed too far.

What Can I Feel?

Earl Lovelace is a major Caribbean writer, one of the few of his generation to have lived in and written almost exclusively from the region. With sharp observation and even sharper wit, his writing pulses with the rhythm, flow and vibrancy

of the lives of "ordinary" people, whose culture and language he champions. Lovelace explores the intricacies of his multicultural society as it grapples with a legacy of slavery, indentureship and colonialism and faces the challenges of independence and new nationhood, and he does so with compassion and true understanding. In this brief but rich biography, Funso Aiyejina explores the writer and his work with the intimacy of a friend and the perceptiveness of a scholar. Lovelace himself is as storied as one of his characters, and the man and his life shine through. This biography is essential reading for any student of Caribbean literature, and will be equally compelling for a general reader.

In *After the Dance*, one of Haiti's most renowned daughters returns to her homeland, taking readers on a stunning, exquisitely rendered journey beyond the hedonistic surface of Carnival and into its deep heart. Edwidge Danticat had long been scared off from Carnival by a loved

one, who spun tales of people dislocating hips from gyrating with too much abandon, losing their voices from singing too loudly, going deaf from the clamor of immense speakers, and being punched, stabbed, pummeled, or fondled by other lustful revelers. Now an adult, she resolves to return and exorcise her Carnival demons. She spends the week before Carnival in the area around Jacmel, exploring the rolling hills and lush forests and meeting the people who live and die in them. During her journeys she traces the heroic and tragic history of the island, from French colonists and Haitian revolutionaries to American invaders and home-grown dictators. Danticat also introduces us to many of the performers, artists, and organizers who re-create the myths and legends that bring the Carnival festivities to life. When Carnival arrives, we watch as she goes from observer to participant and finally loses herself in the overwhelming embrace of the crowd. Part travelogue, part memoir, this is a lyrical narrative of a writer rediscovering her country along with a part of herself. It's also a

wonderful introduction to Haiti's southern coast and to the true beauty of Carnival.
