Where Chefs  
Eat and Where  
to Eat Pizza -  
where the  
world's best  
baristas go for  
a cup of coffee  
Where to  
Drink Coffee is  
THE insider's  
guide. The

best 150  
baristas and  
coffee experts  
share their  
secrets - 600  
spots across  
fifty countries  
- revealing  
where they go  
for coffee  
throughout

the world. Places range from cafes, bakeries, and restaurants to surprising spots - a video store and auto shop. The recommendations come with insightful reviews, key information, specially commissioned maps, and an easy-to-navigate geographical organization. It's the only guide you need to get the best coffee in memorable global locations.

*11 Players and Their Brush with Baseball*

*History*  
Random House Digital, Inc. Paris in 1789 is a labyrinth of twisted streets, filled with beggars, thieves, revolutionaries - and magicians . . . When smallpox kills her parents, seventeen-year-old Camille is left to provide for her frail sister and her volatile brother. In desperation, she survives by using the petty magic she learnt from her mother. But when her

brother disappears Camille decides to pursue a richer, more dangerous mark: the glittering court of Louis XVI and Marie Antoinette. Using dark magic Camille transforms herself into the 'Baroness de la Fontaine' and presents herself at the court of Versailles, where she soon finds herself swept up in a dizzying life of riches, finery and suitors. But Camille's resentment of the rich is at

odds with the allure of their glamour and excess, and she soon discovers that she's not the only one leading a double life . . . Enchantée is a compelling historical fantasy and is Gita Trelease's debut novel. [You're Not Fooling Anyone When You Take Your Laptop to a Coffee Shop](#) Two Dollar Radio Coffee NerdHow to Have Your Coffee and Drink It TooSimon and Schuster

**Natalie and the Nerd** Simon and Schuster Coffee has never been better--or cooler! Ever wonder what goes into making the perfect cup of coffee? There's more to it than you think, and a new breed of coffee nerds has transformed the cheap, gritty sludge your parents drink into the coolest food trend around, with an obsessive commitment to sourcing, roasting, and preparation

that has taken the drink to delicious new heights. Coffee Nerd details the history behind the beans and helps you navigate the exciting and sometimes intimidating new wave of coffee. From finding obscure Japanese brewing equipment to recipes and techniques for brewing amazing coffee at home, you'll increase your geek cred--and discover a whole new world of coffee possibilities.

Whether you are looking to refine your French-press recipe or just can't survive a morning without a handcrafted latte, this book is sure to stimulate you as you pore over the art of preparing an incredibly smooth cup of coffee.

—You never thought one the movie was better. —Your

favorite mug says "I'd rather be reading."  
—You use words like librocubicularist in casual conversation (though no conversation about books is ever casual"). Charming, affectionate, and unabashed in its celebration of bookishness, this little love letter is for every avid reader.  
**Dear Coffee Buyer**  
"O'Reilly Media, Inc."  
Follow the ultimate coffee geeks on their

worldwide hunt for the best beans. Can a cup of coffee reveal the face of God? Can it become the holy grail of modern-day knights errant who brave hardship and peril in a relentless quest for perfection? Can it change the world?  
These questions are not rhetorical. When highly prized coffee beans sell at auction for \$50, \$100, or \$150 a pound wholesale (and potentially twice that at

retail), anything can happen. In God in a Cup, journalist and late-blooming adventurer Michael Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation's most heralded coffee

business hotshots: Counter Culture's Peter Giuliano, Intelligentsia's Geoff Watts, and Stumptown's Duane Sorenson. With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist's pleasure and a way to improve the lives of third-

world farmers. If you love a good cup of coffee—or a great adventure story—you'll love this unprecedented up-close look at the people and passions behind today's best beans. “Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today's

specialty coffee scene, [she] travels from the exotic to the expected to artfully deconstruct the connoisseur's cup of coffee." —Publishers Weekly *Naughty Boss* Andrews McMeel Publishing The definitive guide to the extraordinary world of coffee from growing and roasting to brewing and serving the perfect cup. This is the ultimate guide to the history, science and cultural

influence of coffee according to coffee aficionado and master storyteller Tristan Stephenson. You'll explore the origins of coffee, the rise of the coffee house and the evolution of the café before discovering the varieties of coffee, and the alchemy responsible for transforming a humble bean into the world's most popular drink. You'll learn how to roast coffee at home in the

fascinating Roasting section before delving into the Science and Flavour of Coffee and finding out how sweetness, bitterness, acidity and aroma all come together. You'll then get to grips with grinding before learning about the history of the espresso machine and how to make the perfect espresso in the Espresso chapter. Discover how espresso and milk are a match made

in heaven, yielding such treasures as the Latte, Cappuccino, Flat white and Macchiato; you'll also find out how to pour your own Latte art. Other Brewing Methods features step-by-step guides to classic brewing techniques to bring the coffee to your table, from a Moka pot and a French press to Aeropress and Siphon brewing. Finally, why not treat yourself to one of Tristan's expertly

concocted recipes. From an Espresso Martini to a Pumpkin Spice Latte and Coffee Liqueur to Butter Coffee, this really is the essential anthology for the coffee enthusiast. [A Modern Guide for Everyone](#) HMH Most of us can't make it through morning without our cup (or cups) of joe, and we're not alone. Coffee is a global beverage: it's grown commercially on four continents

and consumed enthusiastically on all seven—and there is even an Italian espresso machine on the International Space Station. Coffee's journey has taken it from the forests of Ethiopia to the fincas of Latin America, from Ottoman coffee houses to "Third Wave" cafés, and from the simple coffee pot to the capsule machine. In *Coffee: A Global History*, Jonathan Morris explains both

how the world acquired a taste for this humble bean, and why the beverage tastes so differently throughout the world. Sifting through the grounds of coffee history, Morris discusses the diverse cast of caffeinated characters who drank coffee, why and where they did so, as well as how it was prepared and what it tasted like. He identifies the regions and ways in which coffee has been grown,

who worked the farms and who owned them, and how the beans were processed, traded, and transported. Morris also explores the businesses behind coffee—the brokers, roasters, and machine manufacturers—and dissects the geopolitics linking producers to consumers. Written in a style as invigorating as that first cup of Java, and featuring fantastic recipes, images,

stories, and surprising facts, Coffee will fascinate foodies, food historians, baristas, and the many people who regard this ancient brew as a staple of modern life. **A Novel** Quirk Books From Sue Margolis, the beloved author of Forget Me Knot and Gucci, Gucci Coo, comes a clever, capricious novel about lust, longing, and sizing up the competition. After enduring her share of

commitment-phobic boyfriends, Amy Brown trades in her high-powered PR job and designer shoes to embark on the journey of single motherhood. Now, with a rambunctious boy of six and chaotic shifts serving decadent muffins and high-octane brew at a local coffee bar, Amy could use a fix herself—preferably the sexy, smoky-eyed grande type. No one is more shocked than Amy to

discover that Sam Draper is made perfectly to order: hot, sweet, and delicious. There is just one teeny problem. He's the architect for the neighborhood's brand-new Bean Machine, her employer's fiercest rival. Still, Sam is sexy, fun, and really likes Amy's son, Charlie. Amy can't resist the steamy passion—or the feeling that Sam is hiding a secret or two. Could there be something

rotten in the beans that make up the Machine's secret blend? Or is it something more personal? Harnessing her untapped yet formidable journalistic skills, Amy blows the lid off a story that will change her life, but will Sam stick around to share it? Perfect Blend is as addictive as a Frappuccino—but not nearly as fattening. [The Curious Barista's Guide to Coffee Crown Books For](#)

Young Readers  
\*The Believer Book Awards, 2019: Editors' Longlists in Fiction \*The Northern California 'Golden Poppy' Book Awards 2019, Fiction longlist \*A Best Book of 2019  
—Vulture, Entropy, BuzzFeed, Thrillist "Etter brilliantly, viciously lays bare what it means to be a woman in the world, what it means to hurt, to need, to want, so much it consumes everything."  
—Roxane Gay, author of Bad

Feminist "I loved every page of this gorgeous, grotesque, heartbreaking novel."  
—Carmen Maria Machado, author of Her Body and Other Parties  
A surreal exploration of one woman's life and death against a landscape of meat, office desks, and bad men. The Book of X tells the tale of Cassie, a girl born with her stomach twisted in the shape of a knot. From childhood with her parents on

the family meat farm, to a desk job in the city, to finally experiencing love, she grapples with her body, men, and society, all the while imagining a softer world than the one she is in. Twining the drama of the everyday — school-age crushes, paying bills, the sickness of parents — with the surreal — rivers of thighs, men for sale, and fields of throats — Cassie's

realities alternate to create a blurred, fantastic world of haunting beauty. From beans to brewing - coffees explored, explained and enjoyed Harper Lin Books The worldwide bestseller - 1/4 million copies sold 'Written by a World Barista Champion and co-founder of the great Square Mile roasters in London, this had a lot to live up to and it certainly does. Highly recommended

for anyone into their coffee and interested in finding out more about how it's grown, processed and roasted.' (Amazon customer) 'Whether you are an industry professional, a home enthusiast or anything in between, I truly believe this is a MUST read.' (Amazon customer) 'Informative, well-written and well presented. Coffee table and reference book - a

winner' (Amazon customer) 'Very impressive. It's amazing how much territory is covered without overwhelming the reader. The abundant photos and images are absolutely coffee-table-worthy, but this book is so much more. I think it would be enjoyable for an obsessed coffee geek or someone who just enjoys their java.' (Amazon customer) For everyone who wants to

understand more about coffee and its wonderful nuances and possibilities, this is the book to have. Coffee has never been better, or more interesting, than it is today. Coffee producers have access to more varieties and techniques than ever before and we, as consumers, can share in that expertise to make sure the coffee we drink is the best we can find. Where coffee comes

from, how it was harvested, the roasting process and the water used to make the brew are just a few of the factors that influence the taste of what we drink. Champion barista and coffee expert James Hoffmann examines these key factors, looking at varieties of coffee, the influence of terroir, how it is harvested and processed, the roasting methods used, through to the

way in which the beans are brewed. Country by country - from Bolivia to Zambia - he then identifies key characteristics and the methods that determine the quality of that country's output. Along the way we learn about everything from the development of the espresso machine, to why strength guides on supermarket coffee are really not good news. This is the first book to chart

the coffee production of over 35 countries, encompassing knowledge never previously published outside the coffee industry.

Books

In 5 years,

Steve Kamb

has

transformed

himself from

wanna-be

daydreamer

into a real-life

superhero and

actually

turned his life

into a gigantic

video game:

flying stunt

planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef.

To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole,

Level Up Your Life is for you. Kamb will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives—losing weight, getting stronger, and living better.

In Level Up Your Life, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to: • Create your own "Alter Ego" with real-life super powers • Build your own Epic

Quest List, broken into categories and difficulty levels • Hack your productivity habits to start making progress • Train your body for any adventure • Build in rewards and accountability that will actually motivate you to succeed • Travel the world freely (and cheaply) • Recruit the right allies to your side and find powerful mentors for guidance Adventure is out there, and the world

needs more heroes. Will you heed the call?

**How to Unlock Adventure and Happiness by Becoming the Hero of Your Own Story** Troliver

Books

I survived the first year at Knightwood Academy but my struggles are far from over. People still don't want the Charity Case hanging around on the campus of their elite prep school. While I have the Kings of the academy backing me,

they can't predict every attack coming my way. And while I am struggling to endure it all, secrets of my past resurface, secrets that my mother took to her grave. Secrets if known to the world, will have more powerful enemies coming after me. Nerd Queen is the second book in a contemporary reverse harem high school bully romance series. Note: The Kings of Knightwood Academy is a

reverse harem series meant for mature readers who enjoy their academy bully romances with no restraint to language, violence, and a few heated scenes.

POPSUGAR's "Best New Books Coming Out in 2021" A Millennial with amnesia uses her Instagram account to piece together her identity in this hilarious and whip-smart comedy about the ups and downs of influencer culture. Mia might look like a Millennial but she was born yesterday.  
 Emerging from a coma with short-term amnesia after an accident, Mia can't remember her own name until the Siri

assistant on her iPhone provides it. Based on her cool hairstyle (undercut with glamorous waves), dress (Prada), and signature lipstick (Chanel), she senses she's wealthy, but the only way to know for sure is to retrace her steps once she leaves the hospital. Using Instagram and Uber, she arrives at the pink duplex she calls home in her posts but finds Max, a cute, off-duty postdoc supplementin

g his income with a house-sitting gig. He tells her the house belongs to JP, a billionaire with a chocolate empire. A few texts later, JP confirms her wildest dreams: they're in love, Mia is living the good life, and he'll be back that weekend. But as Mia and Max work backward through her Instagram and across Los Angeles to learn more about her, they discover an ugly truth behind her perfect

Instagram feed, and evidence that her head wound was no accident. Did Mia have it coming? And if so, is it too late for her to rewrite her story? [How to Have Your Coffee and Drink It Too](#) Rowman & Littlefield Publishers "Build a better brew by mastering 10 manual methods, from French Press to Chemex, with this comprehensive guide." —Imbibe Magazine Named a top food & drink

book of 2017 by Food Network, Wired, Sprudge, and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other coffee books, this one focuses exclusively on coffee—not espresso—and explores multiple pour-over, immersion, and cold-brew techniques on 10 different devices. Thanks to a

small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment options, conflicting information on how to use that equipment, and an industry language that, at times, doesn't seem made for the

rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee enthusiasts, provides all the information readers need to discover what they like in a cup of specialty coffee—and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to choosing equipment and

deciphering coffee bags, Craft Coffee focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and

shows that no matter where you are in your coffee journey, you can make a great cup at home. “Engaging and fun . . . I really can’t recommend

Craft Coffee: A Manual enough. If you’re even mildly curious about brewing coffee at home, it’s absolutely worth a read.” —BuzzFeed
