Really Easy Piano: Classical Wise Publications

From the best-selling author of *The Wind-Up Bird Chronicle* and *After Dark*, a rich and revelatory memoir about writing and running, and the integral impact both have made on his life. In 1982, having sold his jazz bar to devote himself to writing, Haruki

Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, not to mention triathlons and a slew of critically acclaimed books, he reflects upon the influence the sport has had on his life and—even more important—on his writing. Equal parts training log, travelogue, and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and includes settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston among young women who outpace him. Through this marvellous lens of sport emerges a cornucopia of memories and insights: the eureka moment when he decided to become a writer, his greatest triumphs and disappointments, his passion for vintage LPs, and the experience, after the age of fifty, of seeing his race times improve and then fall back. By turns funny and sobering, playful and philosophical, *What I Talk About When I Talk About Running* is both for fans of this masterful yet guardedly private writer and for the exploding population of athletes who find similar satisfaction in distance running.

Bach's Most Beautiful Melodies (Songbook) Alfred Music

Musicians have long treasured the Mozart sonatas for their symmetry and perfection. This volume presents single movements as well as complete sonatas (K. 282, 283, 545 and 570) for study by the advancing pianist. The sonatas provide ample opportunity for developing control, technical facility, a singing style, and balance and voicing. The preface gives Dr. Hinson's helpful suggestions on pedaling, ornamentation, articulation and dynamics, as well as a suggested order of study. Careful editing allows the teacher and student to make informed choices in interpreting these masterpieces.

The Giant Book of Classical Sheet Music Wise Publications

Originally composed for three wind instruments, these popular piano transcriptions were first published in the early 1800s. Easier than Mozart's piano sonatas, they remain favorite teaching pieces and are beautiful examples of the composer's mature classical style. Unlike other editions, this carefully edited volume restores Mozart's articulation markings and the original pairing of several menuet and trio movements that were previously mismatched. A discussion of Mozart's ornamentation and articulation is also included.

Easy Piano Pieces for Children Alfred Music

The pieces in this album have been chosen from those composed by Mozart for harpsichord between the ages of five and nine, and

include 14 pieces from the 'London Notebook' of 1784. Aside from illustrating the astonishing precocious talent of the young Mozart, they provide an attractive first collection of pieces by this great composer.
