Following a long-standing feud and looking to settle the score, a woman decides to dismantle her home—alone and by hand—and move it across a frozen pond during a harsh New England winter in this mesmerizing debut. Home is certainly not where Del’s heart is. After a local scandal led to her parents’ divorce and the rest of her family turned their backs on her, Del left her small town and cut off contact. Now, with both of her parents gone, a chance has arrived for Del to retaliate. Her uncle wants the one thing Del inherited: the family home. Instead of handing the place over, and with no other resources at her disposal, Del decides she will tear the place apart herself—piece by piece. But Del will soon discover, the task stirs up more than just old memories as relatives—each in their own state of unraveling—come knocking on her door. This spare, strange, magical book is a story not only about the powerlessness and hurt that run through a family but also about the moments when brokenness can offer us the rare chance to start again.

Dutton Books for Young Readers

This gorgeous picture book follows a helpful marmot trying to save a forest recovering after a wildfire. Perfect for teaching children to practice kindness while developing an appreciation for animals and the earth. After a fire leaves the forest smoldering, a determined marmot and her resourceful bird friend set off on a rescue mission in this beautifully illustrated, wordless story. They clear away fallen branches and scorched bushes. They rake and dig and plant new seedlings in the earth. With determination and ingenuity, as the seasons pass, they care for the little trees by making sure they have enough water, protect their branches from the wind and snow, and keep away hungry creatures, until the trees can thrive on their own. With a little time, care, and hope we all can help the earth.

In the debut middle grade novel from #1 New York Times bestselling author Gayle Forman comes a poignant and powerful coming-of-age story that follows a young girl and her new friend as they learn about family, friendship, allyship, and finding your way in a complicated world. It's the summer of 1987, and all ten-year-old Bug wants to do is go to the beach with her older brother and hang out with the locals on the boardwalk. But Danny wants to be with his own friends, and Bug's mom is too busy, so Bug is stuck with their neighbor Philip's nephew, Frankie. Bug's not too excited about hanging out with a kid she's never met, but they soon find some common ground. And as the summer unfolds, they find themselves learning some important lessons about each other, and the world. Like what it means to be your true self and how to be a good ally for others. That family can be the people you're related to, but also the people you choose to have around you. And that even though life isn't always fair, we can all do our part to make it more just.

The Words in My Hands Simon and Schuster

A riveting novel about the remarkable life—and many loves—of author H. G. Wells H. G. Wells, author of *The Time Machine* and *War of the Worlds*, was one of the twentieth century's most

prophetic and creative writers, a man who immersed himself in socialist politics and free love, whose meteoric rise to fame brought him into contact with the most important literary, intellectual, and political figures of his time, but who in later years felt increasingly ignored and disillusioned in his own utopian visions. Novelist and critic David Lodge has taken the compelling true story of Wells's life and transformed it into a witty and deeply moving narrative about a fascinating yet flawed man. Wells had sexual relations with innumerable women in his lifetime, but in 1944, as he finds himself dying, he returns to the memories of a select group of wives and mistresses, including the brilliant young student Amber Reeves and the gifted writer Rebecca West. As he reviews his professional, political, and romantic successes and failures, it is through his memories of these women that he comes to understand himself. Eloquent, sexy, and tender, the novel is an artfully composed portrait of Wells's astonishing life, with vivid glimpses of its turbulent historical background, by one of England's most respected and popular writers.

The Beast Nightshade (Quality)

"A fantastically smart, funny, and thoughtful thriller."—Nicola Yoon, #1 New York Times best-selling author of *Everything, Everything* and *The Sun Is Also a Star* The year is 1998: Titanic just won six Oscars, boy bands are dominating MTV's airwaves, and like any other teenager Jess Flynn is just trying to survive high school. Between a crush on her childhood best friend, overprotective parents, and her sister's worsening health, the only constant is her hometown of Swickley, which feels smaller by the day. Jess is resigned to her small-town life, until the day she discovers a mysterious device with an apple logo, causing her to question everything and everyone she's ever known. As more cracks appear in Jess's world, she faces a choice: can she live the rest of her life knowing it's a lie, or should she risk everything for the truth? A fast-paced, mind-bending YA thriller packed with '90s pop culture references and perfect for fans of *Riverdale*, *This Is Not the Jess Show* will keep readers guessing until the very end. Now with an excerpt from the explosive and thrilling conclusion, *This Is Not the Real World!*

"This book left me breathless!" --R. L. Stine, #1 New York Times bestselling author of *Goosebumps* and *Fear Street* "Move over, Stranger Things. . . The Darkdeep will pull you into an irresistibly eerie world beyond your wildest dreams--and nightmares." --Melissa de la Cruz, #1 New York Times bestselling author of the *Descendants* series New York Times bestselling authors Ally Condie and Brendan Reichs team up to co-author this thrilling first book in a darkly suspenseful middle grade series. Everyone in Timbers knows Still Cove is off-limits, with its creepy Beast sightings and equally terrifying legends. But when a bullying incident sends twelve-year-old Nico Holland over a cliff and into Still Cove's icy waters, friends Tyler and Emma--and even Opal Walsh, who usually runs with the popular kids--rush to his rescue . . . and discover a mysterious island hiding in the murky, swirling mists below. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities: odd-looking weapons, unnerving portraits, maps to unknown places, and a glass jar containing something completely unidentifiable. And in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . and it can detect not only their wishes and dreams, but also their darkest, most terrible imaginings. Do they have what it takes to face the shadowy secrets lurking within their own hearts? Told from alternating points of view, this pulse-racing tale from bestselling duo Ally Condie and Brendan Reichs is the start of a high-stakes, thrilling series about friendship and believing in yourself--and each other.
