[Siren Classic ManLove: Alternative, Contemporary, MM, HEA] Jared Masters and Stephen Howard have been best friends for more than thirty years. When Stephen discovers his feelings toward Jared has turned into something more, he agrees to his other best friend, Dexter's plan to see if Jared feels the same way he does by going out on dates with other people. When Jared knows about Stephen's dates, he assumes his fury stems from the possibility of him losing his best friend. Stephen is a great guy. Jared believes Stephen deserves someone just as amazing, so he embarks on a half-baked plan to act as Stephen's matchmaker. He will get Stephen someone wonderful even if the thought of it is pissing him off, but he first needs to know what Stephen looks for in a potential life partner. To do that, he brings Stephen out on dates. Stephen misunderstands Jared's intention, assuming they're dating for real. Will Jared and Stephen eventually work things out and get their happily ever after?

INSTANT NEW YORK TIMES BESTSELLER "[An] exceedingly complex, inventive, resourceful examination of harm and power." —The New York Times Book Review, Editors' Choice "A lightning rod . . . brilliantly crafted."—The Washington Post A most anticipated book by The New York Times • USA Today • Entertainment Weekly • Marie Claire • Elle • Harper's Bazaar • Bustle • Newsweek • New York Post • Esquire • Real Simple • The Sunday Times • The Guardian Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her

magnetic and manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer. 2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed? Alternating between Vanessa's present and her past, *My Dark Vanessa* juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of *The Girls* and the creeping intensity of *Room*, *My Dark Vanessa* is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.

An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (*New York Times*). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—"our pre-eminent translator from the Persian" (*The Washington Post*)—has revised and expanded his acclaimed translation of Ferdowsi's masterpiece, adding more than 100 pages of newly translated text. Davis's elegant combination of prose and verse allows the poetry of the *Shahnameh* to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the *Shahnameh* is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the *Shahnameh* are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Lord of the Flies Turtleback

The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized—and sometimes outraged—millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads—driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps and deckle-edged pages. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. As new media mature, the changes they bring to writing in college are many and suggest implications not only for the tools of writing, but also for the contexts, personae, and conventions of writing. An especially visible change has been the increase of visual elements—from typographic flexibility to the easy use and manipulation of color and images. Another would be in the scenes of writing—web sites, presentation "slides," email, online conferencing and coursework, even help files, all reflect non-traditional venues that new media have brought to writing. By one logic, we must reconsider traditional views even of what counts as writing; a database, for example, could be a new form of written work. The authors of *Writing New Media* bring these ideas and the changes they imply for writing instruction to the audience of rhetoric/composition scholars. Their aim is to expand the college writing teacher's understanding of new media and to help teachers prepare students to write effectively with new media beyond the classroom. Each chapter in the volume includes a lengthy discussion of rhetorical and technological background, and then follows with classroom-tested assignments from the authors' own teaching.
