Edited by Harvard
Business School professor
Jay W. Lorsch, the
preeminent authority on
corporate boards, this
book gathers the leading
voices from business and
academia to address the
challenges of governance
in the 21st century. We
are at a crucial juncture in
the evolution of business
and the economy. We
must now reshape the
structures and practices
of business leadership to
avoid going down the
same path again. To a
large extent this is a
question of governance
and the role of corporate
boards, to help us wrestle

with critical issues like
CEO performance and
succession,
compensation, and
forward-looking strategy.
In *The Future of Boards*,
governance sage Jay
Lorsch has gathered
thought leaders and some
of the most experienced
voices at Harvard
Business School to
describe the moment we
are in, identify and
analyze the salient issues,
and chart a course for the
future. Articles include Bill
George on how
boardroom conflicts can
be understood and
managed; Krishna Palepu
on how directors can gain
the knowledge necessary
to effectively oversee
strategy; Lorsch himself
and colleague Rakesh
Khurana on how boards
can set reasonable
compensation while still
motivating top talent; and
Ken Merchant and Kat
Pick on group pathologies

in the boardroom and how
to overcome them. *The
Future of Boards* will be
must reading for CEOs,
business and industry
leaders, policymakers,
and anyone involved in
influencing and reshaping
business in the 21st
century.

creator of the eponymous
lifestyle brand--offers
ideas and tips for
entertaining and living
well throughout the year.
Jenni Kayne embodies an
effortless aesthetic, where
natural beauty is found in
every detail. *Pacific
Natural* illustrates Jenni's
conscious way of living
through personal
anecdotes and tips with
Jenni's home state of
California serving as the
backdrop. Organized by

season, this entertaining book is your guide to creating special moments with family and friends. Each chapter includes tabletop ideas, simple crafts, tips for keeping a stocked kitchen and pantry, what to plant in your garden, and healthy, delicious recipes. From an apple harvest dinner and at-home herb drying in the fall, cocktail parties and DIY gift ideas in the winter, flower arranging in the spring and a beach picnic in the summer, Jenni shares her philosophy for creating traditions and living mindfully all year long. A thoughtful hands-on approach for stylish and balanced living, *Pacific Natural* shows us how to make the most of the time we spend together, treating life's details with creativity and care. Concise, practical, and based on the best available research, *Essentials of Organizational Behavior: An Evidence-Based Approach, Second Edition* equips students with the necessary skills to become effective leaders and managers. Author Terri A. Scandura uses an evidence-based approach to introduce students to new models proven to enhance the well-being, motivation, and productivity of people in the work place. Experiential exercises, self-assessments, and a variety of real-world cases and examples provide students with ample opportunity to apply OB concepts and hone their critical thinking abilities. New to this Edition A new Emotions and Moods chapter delves into important topics like emotional intelligence, emotional contagion, and affective neuroscience. A new Power and Politics chapter unpacks the most effective influence strategies and helps students develop their political skills. A streamlined table of contents now combines perception and decision making in a single chapter and change and stress in

a single chapter. New case studies, including some from SAGE Business Cases for the Interactive eBook, on topics such as virtual teams, equal pay and the gender wage gap, and the use of apps at work introduce timely and relevant discussions to help foster student engagement. The new edition has been rigorously updated with the latest research throughout and includes expanded coverage of Machiavellian leadership, ethical decision making, and organizational design through change. New Best Practices and Research in Action boxes as well as new Toolkit Activities and Self-Assessments have been added to make the text even more hands-on and practical.

A heart-shaped face, sapphire blue eyes and golden curls – everyone’s favourite royal, Princess Georgina, is in Kent to open the new Dungeness power station – excitement in the nearby villages of Plummergen and Murreystone is generating almost as much energy as a nuclear reaction. A lucky local

child is to present Her Royal Highness with a bouquet, and as little Sally is one of Miss Emily Seeton’s class of infants, Miss S, with her best gold broly, gets to make her curtsey to the princess. But it’s almost November 5th, Guy Fawkes night, and a band of modern-day conspirators are plotting treasonous doings. When the princess vanishes, Miss Seeton’s explosive adventures are only just beginning . . . Serene amidst every kind of skullduggery, this eccentric English spinster steps in where Scotland Yard stumbles, armed with nothing more than her sketchpad and umbrella! What people are saying about Miss Seeton: “Miss Seeton is a hoot! I was torn between laughter and eye rolling with each page turn. The characters are loveable and thoroughly British. This is a perfect specimen of classic British mystery.” “What a joy Miss Seeton is. Why did I wait so long to read them? Splashy characters, lovely setting, and just plain funny.” “I’ve become a Miss Ess addict. Great characters that get better with each book. A must for anyone who loves a good British cozy with a twist, and surprising revelations of

what a good brollie can do in a pinch.” “What a great series. This is one of the best in English light reading mysteries.” “Miss Seeton is a delightful sendup of the amateur sleuth. If your doctor has prescribed laughter as the best medicine, run and buy the entire series as fast as you can.” Editorial reviews: “A most beguiling protagonist!” New York Times “Miss Seeton gets into wild drama with fine touches of farce . . . This is a lovely mixture of the funny and the exciting.” San Francisco Chronicle “This is not so much black comedy as black-currant comedy . . . You can’t stop reading. Or laughing.” The Sun “Depth of description and lively characters bring this English village to life.” Publishers Weekly “Fun to be had with a full cast of endearingly zany villagers . . . and the ever gently intuitive Miss Seeton.” Kirkus Reviews “Miss Seeton is the most delightfully satisfactory character since Miss Marple.” Ogden Nash “I think, on the whole, Miss Seeton is the most loveable and entertaining of any of today’s fiction detectives. May she live forever.” London Mystery Selection *Meeting the Governance*

The period from 1925 to 1960 was the heyday of the American Radio Soap Opera. In addition to being part of popular culture, the soap opera had important commercial aspects as well that were not only related to their production, but also to the desperate need to sell products or perish. Both sides of this story are traced in this comprehensive compendium. The dictionary section, made up of more than 500 cross-referenced entries, provides brief vignettes of the more popular and also less well-known 'soaps,' among them Back Stage Wife, Our Gal Sunday, Pepper Young's Family and The Guiding Light. Other entries evoke those who brought these programs to life: the actors, announcers, scriptwriters, networks, and even the sponsors. Nor are the basic themes, the stock characters and the gimmick, forgotten. The book's introduction defines the soap opera, examines the span of the radio serial, reviews its origins and its demise, and focuses on the character types that made up its denizens. The chronology outlines the

period and the bibliography offers further reading. Together, these elements make a comprehensive reference work that researchers will find invaluable long into the future.
