The SAGE Handbook of Web History

Rare Bird Books, a Vireo Book

Жизнь – это большой пазл. И если лепить детали куда попало — вместо картины получится каша из картонных обрубков. Так что имеет смысл напярчь серое вещество и расставить фрагменты по своим местам (назначенным создателем, разумеется): спорт, путешествия, гражданский долг, секс, бизнес, научный подход к решению задач... И как только все детали окажутся там, где должны,— перед нами предстанет картина Райского сада на земле. Идеальная жизнь детектед!

Так вот... «Ничто не истина» — это удар напалмом по вашей коробке с пазлом. Конкретный, логичный и чертовски веселый ответ, почему собирание идеальных картинок — чушь собачья. Этакая прививка реализма, после которой ваше мышление станет сложнее, а жизнь легче. Приятного выхода из Матрицы. И, да... Какие бы выводы вы ни сделали из этой книги — не доверяйте им.

Intimisierung des Öffentlichen Routledge
 Mom in the Mirror: Body Image, Beauty, and Life after Pregnancy is for every woman who has ever doubted herself or her self-worth after the birth of a child. Because most women spend much of their lives attempting to change their bodies, it's not surprising that the weight gain that comes along with pregnancy (and post-pregnancy), coupled with the challenges of parenting, only exacerbate issues with weight, body image, disordered eating, and self-esteem. Drawing on the wisdom of eating disorders expert Dr. Dena Cabrera, as well as the personal experiences of former anorexic Emily Wierenga, Mom in the Mirror is a physical, mental, emotional, and spiritual response to a female generation seeking its true

identity in an appearance-based world. With chapters that deal with bruises from the past, misconceptions about pregnancy, life before and after children, marriage and motherhood, spiritual and physical nourishment, relationships with friends and family, and the changing role of a mother as her children age, it is a holistic approach to the age-old questions: Who am I, and why am I here? Comprising personal stories, expert advice, reflection questions, and helpful tools, this book is an inspiring read intended for women everywhere who want to restore a positive body image and to overcome the insecurities that arise when pregnancy is over and child-rearing begins.

The Oxford Handbook of Digital Media Sociology BRILL

"Parental advisory: explicit content"--Cover.

Coming Out Like a Porn Star John Wiley & Sons

A New York Times Bestseller Award-winning Vanity Fair writer Nancy Jo Sales crisscrossed the country talking to more than two hundred girls between the ages of thirteen and nineteen about their experiences online and off. They are coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. The dominant

force in the lives of girls coming of age in America today is social media: Instagram, Whisper, Vine, Youtube, Kik, Ask.fm, Tinder. Provocative, explosive, and urgent, American Girls will ignite much-needed conversation about how we can help our daughters and sons negotiate the new social and sexual norms that govern their lives.

TWO St. Martin's Press

Features photographs of dads getting up for 3 am feedings, skipping golf to bond with the wee one, stocking the freezer with homemade baby food, changing every single nappy and complimenting mum's all-sweatpants wardrobe.

[Porn - Philosophy for Everyone](#) Springer Nature

This edited collection examines pornography as a material practice that

eroticises gender inequality and sexual violence towards women. It addresses the complex relationship between pornography and medicine (in particular, sexology and psycho-therapy) whereby medicine has historically, and currently, afforded pornography considerable legitimacy and even authority.

Pornography naturalises women's submission and men's dominance as if gendered power is rooted in biology not politics. In contrast to the populist view that medicine is objective and rational, the contributors here demonstrate that medicine has been complicit with the construction of gender difference, and in that construction the relationship with pornography is not incidental but fundamental. A range of theoretical approaches critically engages with this

topic in the light, firstly, of radical feminist ideas about patriarchy and the politics of gender, and, secondly, of the rapidly changing conditions of global capitalism and digital-technologies. In its broad approach, the book also engages with the ideas of Michel Foucault, particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional, patriarchal discourses and which can be freed from authoritarianism, for example by producing and consuming pornography. In taking pornography as a cultural and social phenomenon, the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine, but also current media

scholarship. The 21st century has witnessed a growth in (neo-)liberal academic literature which is pro-pornography. This book provides a critical counterpoint to this current academic trend, and demonstrates its lack of engagement with the politics of the multi-billion dollar pornography industry which creates the desire for the product it sells, the individualism of its arguments which analyse pornography as personal fantasy, and the paucity of theoretical analysis. In contrast, this book re-opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century. Pornography matters politically and ethically. It matters in the real world as well as in fantasy; it matters to performers as well as to consumers; it

matters to adults as well as to children; and it matters to men as well as to women.

Porn for New Moms Cambridge Scholars Publishing

This anthology takes the ever-controversial discussion of pornography out of solely academic circles; it expands the questions about porn that academics might tackle and opens the conversation to those who know it best—the creators and users of porn. Features essays on non-traditional issues in porn, including celebrity sex tapes, virtual sex, S&M, homosexual porn, and technology's impact on the porn industry Features fascinating insights from psychologists, a lawyer, and an English professor, as well as industry insiders such as Dylan Ryder A fun, entertaining, and philosophically

provocative approach to pornography, written for the general reader

A World Adult Entertainment-Nightlife-Redlight Guide Springer-Verlag

When Ayn Carrillo-Gailey confronted her boyfriend about his porn habit, he pronounced her “pornophobic.”

Determined to prove she wasn't phobic, simply more enlightened, Ayn set out to learn all she could about this phenomenon. Like any good researcher, she added her new quest to her daily To-Do list: 1. Drop off dry cleaning 2. Call Mom 3. Visit sex toy store on Melrose Acting as an amateur anthropologist introduced Ayn to a world populated by everyday people. Her quest aroused the curiosity of her female friends: her knitting group quickly turned into

informal information sessions, as the women-single or married, involved or not-were desperate for information. What does XXX mean vs. un-rated? What's the difference between topless dancers and strip clubs? Why is some of it actually not that stimulating? And why are men obsessed with it? Along the way, Ayn ditched the porn-obsessed boyfriend, and learned that one should not try to make change from a stripper's G-string tips, nor is the Hustler store the best place to make a first impression on a hot guy. Pornology is the result of one woman's quest to pierce the veil that modestly covers something many women actually want to know about. Surprising, hilarious, informative, and ultimately non-judgmental, this narrative is one readers won't put down-once they

admit they're curious enough to pick it up!

A Man Melting HarperCollins

Digital media are normal. But this was not always true. For a long time, lay discourse, academic exhortations, pop culture narratives, and advocacy groups constructed new Information and communications technologies (ICTs) as exceptional. Whether they were believed to be revolutionary, dangerous, rife with opportunity, or other-worldly, these tools and technologies were framed as extraordinary. But digital media are now mundane, thoroughly embedded - and often unquestioned - in everyday life. Digital ICTs are enmeshed in health and wellness, work and organizations, elections, capital flows, intimate relationships, social movements, and

even our own identities. And although the study of these technologies has always been interdisciplinary - at the crossroads of computer science, cultural studies, science and technology studies, and communications - never has a sociological perspective been more valuable. Sociology has always excelled at helping us re-see the normal. The Oxford Handbook of Digital Media Sociology is a perfect point of entry for those curious about the state of sociological research on digital media. Each chapter reviews the sociological research that has been done thus far and points towards unanswered questions. The 34 chapters in the Handbook are arranged in six sections which look at digital media as they relate to: theory, social institutions, everyday

life, community and identity, social inequalities, and politics & power. More than ever, the contributors to this volume help make it a centralizing resource, pulling together the various strands of sociological research focused on digital media. In addition to providing a distinctly sociological center for those scholars looking to find their way in the subfield, the volume offers top sociological research that provides an overview of digital media to explain our quickly changing world to a broader public. Readers will find it accessible enough for use in class, and thorough enough for seasoned professionals interested in a concise update in their areas of interest.

Man Disconnected Springer

"Conservative Christians in the United

States today are feeling the fire thrown at them by liberal influencers who are pressuring Americans to pick up a left-wing agenda and abandon biblical values. Now is not the time for the church to stay quiet on the issues that will determine America's future. This is the moment for the church to reject the left's muzzle and turn the tide for this nation"--Dust jacket flap.

The Real and the Virtual: Critical Issues in Cybercultures AuthorHouse

"This book examines the current state of global media distribution today, including legacy and born-digital media industries, and the social, cultural, and economic impact of the digital distribution ecosystem"--

Ничто не истина Abrams

This book is a timely and innovative

exploration of the vital relationship between sex and capitalism in the digital age. It provides a lively, provocative analysis of how specifically digital forms of capitalist accumulation and labour shape and discipline the contemporary sexual body. Rebecca Saunders focuses on pornography in order to investigate the impact of digital forms of capitalism on contemporary sexuality and reveals the centrality of pornography to the digital attention economy, affective economics, the information economy, the creative industries and neoliberalism. Saunders uncovers a fundamental shift in the aesthetics and meaning of pornographic film, from a genre concerned with representing sexual pleasure to one that has become focused on representing sex as labour.

Contemporary pornographic film is therefore read as a sign and symptom of how digital forms of capitalism regulate the twenty-first century sexual body through digital interfaces and technologies. *Bodies of Work* analyses major porn studios, dominant streaming platforms, significant directors and performers and queer and alternative pornographies, and presents new and significant concepts such as sexual datafication, the labour of visibility and interventionist pornography. Discussing pornographic film, sexuality, digital culture, labour and capitalism, this book will be of interest to students and scholars across gender studies, media and cultural studies, digital humanities and economics.

Porn After Porn Фабула

Gender, Race, and Class in Media provides students a comprehensive and critical introduction to media studies by encouraging them to analyze their own media experiences and interests. The book explores some of the most important forms of today's popular culture—including the Internet, social media, television, films, music, and advertising—in three distinct but related areas of investigation: the political economy of production, textual analysis, and audience response. Multidisciplinary issues of power related to gender, race, and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions. Reflecting the rapid evolution of the field, the Sixth Edition includes 18 new readings that

enhance the richness, sophistication, and diversity that characterizes contemporary media scholarship. Included with this title: The password-protected Instructor Resource Site (formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides. *Sexuality and Computers* Oxford University Press

Even though there exist only a few general studies on the subject of Czechoslovak American women, this is not, at all, a reflection of the paucity of work done by these women, as this publication demonstrates. This monograph is a compendium of notable American women with Czechoslovak roots, who distinguished themselves in a

particular field or area, from the time they first immigrated to America to date. Included are, not only individuals born on the territory of former Czechoslovakia, but also their descendants. This project has been approached strictly geographically, irrespective of the language or ethnicity. Because of the lack of bibliographical information, most of the monograph comprises biobibliographical information, in which area a plethora of information exists. As the reader will discover, these women have been involved, practically, in every field of human endeavor, in numbers that surprise. On the whole, they have been noted for their independent spirit and nonconforming role.

Intellectual Property Excesses Stone

Bridge Press

This one-of-a-kind book shares intimate personal stories of porn performers "coming out" to family, friends, partners, lovers, and community. The contributors represent a wide range of races, ethnicities, and genders. They include Joanna Angel, Annie Sprinkle, Betty Blac, Nina Hartley, Candida Royalle, Conner Habib, Dale Cooper, Christopher Zeischegg, Cindy Gallop, Drew DeVeaux, Erika Lust, Gala Vanting, Casey Calvert, Lorelei Lee, Stoya, Ignacio Rivera AKA Papí Coxxx, and many others. Jiz Lee is a veteran porn performer who had worked in over two-hundred projects within indie, queer, and hardcore gonzo adult genres. Lee is the editor of *Coming Out Like a Porn Star*, and co-editor of the *Porn Studies Journal Special Issue: Porn*

and Labour.

Full Disclosure Simon and Schuster

A December LibraryReads Pick!

Sometimes two cooks in the kitchen are better than one in this swoony romantic comedy from the author of *I'm So (Not) Over You*. Xavier Reynolds is doing less than stellar. He just got dumped, was passed over for a prestigious fellowship, and to top it all off he's right back home in Harper's Cove, Maine (population: 9,000). The last thing he wants to do is to work as a prep chef in the kitchen of the hip new restaurant in town, The Wharf. Especially since the hot, single-father chef who owns it can't delegate to save his life. Logan O'Hare doesn't understand Xavier or why every word out of his mouth is dipped in sarcasm. Unfortunately, he has no choice but to

hire him—he needs more help in the kitchen and his tween daughter, Anne, can only mince so many onions. It might be a recipe for disaster, but Logan doesn't have many options besides Xavier. Stuck between a stove and a hot place, Logan and Xavier discover an unexpected connection. But when the heat between them threatens to top the Scoville scale, they'll have to decide if they can make their relationship work or if life has seasoned them too differently.

Torture Porn Chronicle Books

#1 Amazon Bestseller and #1 New York Times Bestseller! From the mind of one of the most popular YouTubers of all time, DanTDM, comes a graphic novel adventure that reimagines the Minecraft-style worlds and characters he's created like you've never seen them before.

After a day of experiments, Trayaurus and DanTDM are about to call it a night when a strange-looking crystal plummets to earth, breaking into five pieces that scatter far and wide. DanTDM and Trayaurus recover one of the shards and quickly realize they are in possession of an object more powerful than anything they've ever known. Word reaches DanTDM and Trayaurus that other pieces of crystal have been recovered—a group of pigs have harnessed the crystals' power to enable them to talk. But they're not alone—Dan and Trayaurus's archenemy, Denton, has also found a shard and manipulated its power for evil. He has created a cloning machine and is producing a terrifying marauding army intent on hunting down the remaining crystals in his effort to

become all-powerful. It's down to DanTDM and Trayaurus to stop him. Will they prevail, or will the forces of evil be too great for them to overcome? Fans of the Elementia Chronicles and the Gameknight999 series will be drawn to DanTDM's tale about an epic power struggle in a high-stakes world.

The Silencing of the Lambs Lulu Press, Inc

Instant New York Times bestseller "Standing up to bullies is my kind of thing." How did Stormy Daniels become the woman willing to take on a president? In this book, Stormy Daniels tells her whole story for the first time: what it's like to be a leading actress and director in the adult film business, the full truth about her journey from a rough childhood in Louisiana onto the national

stage, and everything about her interaction with Donald Trump that led to the nondisclosure agreement and the behind-the-scenes attempts to intimidate her. Stormy is funny, sharp, warm, and impassioned by turns. Her story is a thoroughly American one, of a girl who loved reading and horses and who understood from a very young age what she wanted?and who also knew she'd have to get every step of the way there on her own. People can't stop talking about Stormy Daniels. And they won't be able to stop talking about her fresh, surprising, completely candid, nothing-held-back book.

Gristle & Bone SAGE Publications
Queer Privacy is a collection of essays about community, family, coming out, dating, domestic violence, activism, sex

work and suicide. We will talk about problems, we won't always have solutions, and not all the stories have

happy endings. After all, this is real life and we are building it together - one step at a time.
