For Beginners: The Quick Guide to Platinum and Palladium This book covers the basics and also what you need to know about investing in platinum and palladium - For Beginners Platinum and to a lesser degree, palladium is considered a precious as well as an industrial metal. The primary driving price of platinum and palladium is their industrial use and the largest demand for platinum and palladium is in the automotive industry. Investors turn to these precious metals as

substitutes for silver and gold. It is true that platinum and palladium are in high demand and their special properties make them perfect for diversifying a precious metals portfolio. Building wealth by using platinum and palladium has appeal as an inflation hedge due to its industrial usages. Finding the Silver Lining Alex Nkenchor Uwajeh

Gold Investing & Trading Guide: Gold & Silver Bullion Buying Trader's Guide with Pro Gold Investment Tips & Hacks is the best investment opportunities for a new investor can still be made with gold and this is why I put this guide together for you. Gold is among the most precious investment options that are available and open to you as a new investor. The goal of this guide is to show you 9 profitable ways how you can do just this so that you will be able to choose your favorite gold

investing way once you are done going through this guide. Investing in gold provides a bigger challenge for beginners since it is somehow risky if you don't know the market and how to invest the correct way. For a beginner, there are many ways open in today's marketplace. The challenge comes with choosing the one way that makes sense for the individual investor because it is going to also depend on factors like personal preferences, budget, financial

situation, and many more factors. This guide shows you the top nine ways to choose from if you are new to gold investing. The guide is meant to provide a new investor with a general overview of all the ways that are available for a new investor. I have picked them in an effort to provide you with the best mix and the widest variety of ways that you can choose to profit from. You are in no way limited to these 9 ways because there are many more ways available to invest in

gold. The goal here is to provide a new gold investor with the most valuable, usable, and easy to consume information and this is why I decided to stick to the top 9 ways. I feel that information overload is doing you harm because a cluttered mind is a mind that does not take action. The goal is simply to get a general overview of the top ways and top opportunities and to pick one as a starting point and to move to the next step. This way you will get a basic overview of the opportunity without

getting stuck and you are able to move on and quickly proceed to the actual trading action. The real fun begins once you are able to pick your favorite gold trading way. Once you have identified the way that you want to stick to, you can proceed to the section The Next Step. Claim your copy today & discover the exciting world of gold, silver & bullion investing and take control over your financial future...

 There is a global economic crises going on. The federal reserve and the central banks of the world are printing more and more money and the United States government keeps spending more and more money. This debases the currency and your purchasing power is being diminished because there is too much money in circulation chasing too few goods. The end result of this madness? Inflation and rising prices. Then to add insult to injury taxes

are being raised in all sectors of the economy which further steals your wealth. So if inflation (the stealth tax), the diminishing dollar and an increase in taxes are the enemies of your wealth. How do you defeat these treacherous enemies? According to author Omar Johnson by investing in Gold and Silver. In his book entitled *The Complete Guide To Investing In Gold And Silver: Surviving The Great Economic Depression* he gives you the education you need to

prosper as a gold and silver investor. You will be enlightened about gold and silver's history, their performance over time, the ways to invest in them and the potential pitfalls.

Michael Maloney is widely recognized as a leading expert on monetary history, economics, economic cycles investing, and precious metals. He is CEO and founder of GoldSilver.com, one of the

world's largest gold and silver bullion dealers, CEO and founder of WealthCycles.com, an educational website, and host of the most popular video series on the topics of monetary history, economics and economic cycles, *The Hidden Secrets of Money*. [The Ambitious Capitalist's Guide to Investing in Gold Buy Gold and Silver Safely](#) Gold and silver have been recognized as valuable metals and have been coveted for a long time. Even today, precious metals have their place in

a savvy investor's portfolio. There are many ways to buy into precious metals like gold, silver, and platinum, and a host of good reasons why you should give in to the treasure hunt. So if you're just getting started out in precious metals, read on to learn more about how they work and how you can invest in them. This ebook confirms the fact that gold and silver are a great investment and also provide useful tips on choosing, buying, and storing gold and silver, even when you have very

little money. This book is easy to read, easy to use, and gets right to the point. If you are experiencing the gold and silver awakening, this book will provide you with the fundamentals to achieve your investment goals. *A Beginner's Guide to Investing in Silver Coins* Penguin This is the first of three volumes written by a real expert in the field. This book will not only tell you how to invest in gold but gives you a complete knowledge of the precious

metal, its history, the pitfalls of investment, including all the scams that you need to look out for as well as the many different products which are available to the serious investor. So whether you are interested in gold for its own sake or whether you are intending to add to or start a gold coin collection, you will find this a very helpful volume to put you on the right path. The author does not pull his punches: He not only tells you how to look out for fake gold but he

also points out the pluses and minuses investing in various forms of paper gold as well as the various little tricks which both brokers and banks are so very fond of. This entire series of books on precious metals promises to be very straightforward and honest, unlike the many other similar products which are too often a very sterile account of gold, its prices etc. This book and the series will definitely help you to make the right investment decisions.

Note: This is a Beginner's Basic Guide to Investing in Gold and Silver.

Knowledge is power and nowhere does this hold more truth than in investing. Clearly, investing in silver and gold will help protect your assets in the event of a currency collapse. While many people claim this

can't happen, there are just as many signs pointing to it as a serious possibility. If global currency collapse does occur, you will need to have some form of wealth protection in place that not only ensures you are protecting the value of your assets but can also be converted into everyday items you will need. That's why it's best to have something of value to trade and nothing is more valuable than investment gold and silver bullions. Once currency collapses, the

majority of your paper investments, including stocks, futures and options and so on and so forth, become virtually useless. This is why you need to make sure that you have plenty of investment gold and silver in your portfolio.
