This is mainly a
photographic reference
book to classic scooters
and microcars with
specification data
presented in A to Z order
of manufacturer. There

are also nostalgic
recollections by the
author based on
ownership and personal
experience. In the middle
1950s as a teenager Mike
Dan became interested in
these then newly-arrived
forms of transport.
Eventually Mike owned a
series of scooters and a
microcar. He became
involved in Scooter and
Microcar Clubs and took
part in many local and
national sporting events
gaining a collection of
awards and trophies. In
the mid 1980s he had
time again to visit many
indoor and outdoor classic
vehicle shows. Eventually
this led to a renewed
personal involvement in
the restoration of a series
of over twenty classic
scooters and three classic
microcars. This highly
entertaining book and
reference source is

therefore written with the
authority of a lifetime
enthusiast.
