Early Akron AAs wanted "The James Club" to be the name of their fellowship. The Bible's Book of James was their favorite; they also studied it, Jesus' Sermon on the Mount, and 1 Corinthians 13. These three Bible segments were considered "absolutely essential" to their program. This book takes each verse in James, the Sermon, and 1 Cor 13, and

shows the influence of such verses on A.A. language.

AA's Cofounders Tell Their Stories Henry Holt and Company

A wise, witty, sometimes heartbreaking love story about a pet doctor who discovers that the best relationships are often the most surprising. Dr. Robert Heller is one of New York City's leading veterinarians, and his "Ask Dr. Bob" advice column is hugely popular among pet-lovers. Yet Dr. Bob understands animals a lot better than people, and he definitely could

use some advice of his own—especially when it comes to his family. His father is angry and controlling, his mother is nearly invisible, and his brother seems bent on destroying not just his own life but the lives of everyone around him. As for Bob's wife, Anna, she is all but perfect, assuming one can ignore her own colorful but deeply dysfunctional clan. And then, just when Bob thinks he's figured out what it takes to thrive in the human world as comfortably as he does among cats, dogs, and hamsters, tragedy strikes. How can he go on living when he is suddenly, soul-killingly alone? In previous books, Peter Gethers has written charming true tales about what a man can learn from a

beloved cat. Now he ventures into new territory with a funny, touching novel about a pet doctor who finds out what it means to be human, and what a family must do to truly become a family. Full of unforgettable characters, Ask Bob will remind everyone that sometimes we need a lot more than love to make the world go around—but that love is an awfully good place to start.

about the luminaries behind one of the greatest social movements of our time through the never-before-published recordings, letters, and stories found in this intimate multimedia retrospective. This unique book and audio CD draw on letters, journal entries, and speeches from Alcoholics Anonymous (AA) conferences, and recorded conversations to tell the personal stories of AA cofounders Dr. Bob and Bill W. The book and CD reveal the cofounders' unique contributions to the creation and development of AA, the Big Book, and the Twelve Steps and Twelve Traditions. The book explores their lives, starting with their

early drinking days, while the audio recordings begin with their first speeches in the 1940s and continue through Bill W.'s last talk given at the Miami International Convention in 1970, just months before he died. AA historian and archivist Michael Fitzpatrick used his research conducted at Stepping Stones (the former home of Bill W.) and Dr. Bob's home, excerpts from the AA Grapevine, and his own private collection to offer this multimedia retrospective. Filled with interviews with friends and family, this deeply researched biography follows A.A. co-founder Dr. Bob S. from his New England childhood to his days as a surgeon and father who couldn't stop drinking; to his transformative meeting with Bill W. and the birth of A.A. in Akron; and finally to his untimely death in 1950. Inextricably entwined with Bob's life, the early history of Alcoholics Anonymous in the Midwest is chronicled along the way. With 26 archival photographs. General Service Conference-approved. For A.A. history buffs as well as members curious to
