HARRINGTON COLLIER

Billboard Hal Leonard Corporation

Exploding onto the world stage in 1991 with their multi-platinum first album, *Ten*, Pearl Jam courted controversy and conflict. They won credibility with their astounding second album, *Vs.*, in 1993, which became the fastest-selling American album of all time. In *Pearl Jam and Eddie Vedder: None Too Fragile*, Martin Clarke brings to life the band's tumultuous history; from their beginnings amidst Seattle's grunge underground, through the excesses and pressures of superstardom, to their current incarnation as mature rock heavyweights.

Destroy Your Safe and Happy Lives Hal Leonard Corporation

Formé à Seattle par le guitariste Stone Gossard et le bassiste Jeff Ament, Pearl Jam est devenu en moins de deux ans l'un des groupes de rock les plus populaires au monde, et accessoirement une figure du grunge aux côtés de Soundgarden, Nirvana et Alice in Chains. Emmené par Eddie Vedder, son leader charismatique et controversé, Pearl Jam est rentré dans l'histoire du rock avec *Ten*, premier album épique et passionné. En plus de vingt ans de carrière, le groupe a vendu 60 millions d'albums sans pour autant renier intégrité, respect de son public et sincérité. Ce livre raconte la genèse et l'histoire de ce groupe hors-norme au travers du grunge, phénomène rock ayant secoué la planète au début des années 1990.

CAMION BLANC ECW Press

Poised at the epicentre of an explosive underground scene, photographer Peterson witnessed the birth of a brash new era of music that grabbed the world by its throat and refused to let go. Grunge, the bastard child of '60s garage and '70s punk, revived the original gritty spirit of rock'n'roll rebellion. Featuring 91 b/w photographs, Peterson does not rely on the cult of celebrity to tell this compelling tale, rather he tells of the complicity between band and audience and captures the raw, futile and bored alienation of the music and the scene.

Touch Me I'm Sick Center for Creative Leadership

Controlling My Kids With Comedy, *A Love Story* is a love letter to the gift of fatherhood and serving lady laugh in the form of various joke poems and essays about a stay at home comedian's desire to teach his kids well in addition to his quest to become a best-selling author so he can continue hosting his *Do It All Dad Year Podcast* at home near his 3 biggest fans in the universe, while preaching how controlling our kids through comedy can make our kids great again, because *Do It All*

Dad's fuss free kids, 99% of the time, are living proof of it.

Leung is no rock star but he lives the life of one while following Pearl Jam on tour around the world, beginning in 2005 with a modest road trip in a beat-up van to see every Pearl Jam show across Canada. His ensuing journey continues across America, all over Europe, and around Australia during Pearl Jam's entire 2006 world tour.

Lead 4 Success Rowman & Littlefield

There has never been a band like Pearl Jam. The Seattle quintet has recorded eleven studio albums; sold some 85 million records; played over a thousand shows, in fifty countries; and had five different

albums reach number one. But Pearl Jam's story is about much more than music. Through resilience, integrity, and sheer force of will, they transcended several eras, and shaped the way a whole generation thought about art, entertainment, and commerce. *Not for You: Pearl Jam and the Present Tense* is the first full-length biography of America's preeminent band, from Ten to Gigaton. A study of their role in history – from Operation Desert Storm to the Dixie Chicks; "Jeremy" to Columbine; Kurt Cobain to Chris Cornell; Ticketmaster to Trump – *Not for You* explores the band's origins and evolution over thirty years of American culture. It starts with their founding, and the eruption of grunge, in 1991; continues through their golden age (*Vs.*, *Vitalogy*, *No Code*, and *Yield*); their middle period (*Binaural*, *Riot Act*); and the more divisive recent catalog. Along the way, it considers the band's activism, idealism, and impact, from "W.M.A." to the Battle of Seattle and *Body of War*. More than the first critical study, *Not for You* is a tribute to a famously obsessive fan base, in the spirit of Nick Hornby's *Fever Pitch*. It's an old-fashioned – if, at times, ambivalent – appreciation; a reflection on pleasure, fandom, and guilt; and an essay on the nature of adolescence, nostalgia, and adulthood. Partly social history, partly autobiography, and entirely outspoken, discursive, and droll, *Not for You* is the first full-length treatment of Pearl Jam's odyssey and importance in the culture, from the '90s to the present.

Grunge Is Dead Simon and Schuster

Learn everything ukulele—from chord progressions to playing pop, folk, and holiday favorites—and, yes, even Hawaiian music! The ukulele is hot. The season one finale of *Glee* featured a ukulele. The recent hit song "Hey Soul Sister" by Train includes the dulcet tones of a uke. Not to mention the runaway success of the Ukulele Orchestra of Great Britain. For anyone wishing to master this fun, surprisingly versatile instrument, *Ukulele For Dummies* covers all the basics—from chords and strumming patterns to guidance on finger-picking. The print version of the book includes a CD with audio tracks of the entire musical notation in the book—creating a total musical instruction package. Offers instruction in a variety of styles—including pop, folk, holiday favorites, and Hawaiian music. Features a buying guide for the novice—with tips on purchasing a ukulele plus other necessary accessories. With its simple and clear instruction, and inspiration on every page, *Ukulele For Dummies* will have fans and first-time musicians making beautiful music—as they tiptoe through the tulips—in no time. Note: CD files are available to download after purchasing the e-Book version.

The Ukulele Dark Horse Comics

Joe Perry's New York Times bestselling memoir of life in the rock-and-roll band Aerosmith: "An insightful and harrowing roller coaster ride through the career of one of rock and roll's greatest guitarists. Strap yourself in" (Slash). Before the platinum records or the Super Bowl half-time show or the Rock and Roll Hall of Fame, Joe Perry was a boy growing up in small-town Massachusetts. He idolized Jacques Cousteau and built his own diving rig that he used to explore a local lake. He dreamed of becoming a marine biologist. But Perry's neighbors had teenage sons, and those sons had electric guitars, and the noise he heard when they started playing would change his life. The guitar became his passion, an object of lust, an outlet for his restlessness and his rebellious soul. That passion quickly blossomed into an obsession, and he got a band together. One night after a performance he met a brash young musician named Steven Tyler; before long, Aerosmith was born. What happened over the next forty-five years has become the stuff of legend: the knockdown, drag-

out, band-splintering fights; the drugs, the booze, the rehab; the packed arenas and timeless hits; the reconciliations and the comebacks. *Rocks* is an unusually searching memoir of a life that spans from the top of the world to the bottom of the barrel—several times. It is a study of endurance and brotherhood, with Perry providing remarkable candor about Tyler, as well as new insights into their powerful but troubled relationship. It is an insider's portrait of the rock and roll family, featuring everyone from Jimmy Page to Alice Cooper, Bette Midler to Chuck Berry, John Belushi to Al Hirschfeld. It takes us behind the scenes at unbelievable moments such as Joe and Steven's appearance in the movie of Sgt. Pepper's Lonely Hearts Club Band (they act out the murders of Peter Dinklage and the Bee Gees). Full of humor, insight, and brutal honesty about life in and out of one of the biggest bands in the world, *Rocks* is "well-paced, well-plotted...a mini-masterpiece" (*The Boston Globe*).

The 'Ukulele Michael Kornbluth

When you piss off a bridge into a snowstorm, it feels like you're connecting with eternal things. Paying homage to something or someone. But who? The Druids? Walt Whitman? No, I pay homage to one person only, my brother, my twin. In life. In death. Telemachus. Since the death of his brother, Jonathan's been losing his grip on reality. Last year's Best Young Poet and gifted guitarist is now Taft High School's resident tortured artist, when he bothers to show up. He's on track to repeat eleventh grade, but his English teacher, his principal, and his crew of Thicks (who refuse to be seniors without him) won't sit back and let him fail.

Not for You Bloomsbury Publishing USA

Since its introduction to Hawai'i in 1879, the 'ukulele has been many things: a symbol of an island paradise; a tool of political protest; an instrument central to a rich musical culture; a musical joke; a highly sought-after collectible; a cheap airport souvenir; a lucrative industry; and the product of a remarkable synthesis of western and Pacific cultures. The 'Ukulele: A History explores all of these facets, placing the instrument for the first time in a broad historical, cultural, and musical context. Drawing on a wealth of previously untapped sources, Jim Tranquada and John King tell the surprising story of how an obscure four-string folk guitar from Portugal became the national instrument of Hawai'i, of its subsequent rise and fall from international cultural phenomenon to "the Dangerfield of instruments," and of the resurgence in popularity (and respect) it is currently enjoying among musicians from Thailand to Finland. The book shows how the technologies of successive generations (recorded music, radio, television, the Internet) have played critical roles in popularizing the 'ukulele. Famous composers and entertainers (Queen Liliuokalani, Irving Berlin, Arthur Godfrey, Paul McCartney, SpongeBob SquarePants) and writers (Rudyard Kipling, Jack London, P. G. Wodehouse, Agatha Christie) wind their way through its history—as well as a host of outstanding Hawaiian musicians (Ernest Kaai, George Kia Nahaolelua, Samuel K. Kamakaia, Henry A. Peelua Bishaw). In

telling the story of the 'ukulele, Tranquada and King also present a sweeping history of modern Hawaiian music that spans more than two centuries, beginning with the introduction of western melody and harmony by missionaries to the Hawaiian music renaissance of the 1970s and 1980s. *Ukulele For Dummies* University of Hawaii Press
