Our Magic Carpet Ride - Aranindy -  
DarkRose Publisher Anthem Press  
"My granddaddy would get mad at all of  
us. He couldn't just get mad at one of us.

'Ain't nobody got... You know what? Go to bed! All y'all, go to bed!' It'd be like two o'clock in the afternoon. 'Go to bed!'" Bernie Mac, the royal king of the Original Kings of Comedy, is salty and pissed off. The Chicago-bred performer has issues to get off his chest, and he doesn't mince words when he lets loose.

No surprise, his live appearances have earned him a reputation as perhaps the truest voice of modern humor. Now, Mac has captured his comedic genius in print with his hilarious debut book. Tearing through a wide range of topics with equal parts insight and irreverence, Bernie Mac shares views that may not sit well with everyone -- especially if you're caught in the crosshairs of his rants ("Kids today don't get the kind of injuries we used to get as children -- cut, bruised. Now, these lil' muh'fuckas just continuously get shot"). Still, his way of looking at the world will probably make you think and it's all but guaranteed to make you laugh. Taking on superstar athletes, the movie business, his fellow comedians, his marriage, and his friends and family ("You always knew when your

grandmother was at home because her wig was on that little Styrofoam stand"), Mac unleashes side-splitting riffs on sex, religion, hygiene, money, and more. Nobody is safe; nothing is sacred. Not even Bernie himself. Throughout *I Ain't Scared Of You*, Mac turns his humor inward, firing off self-deprecating salvos about his golf game, his own personal hypocrisies, even his sexual prowess -- "Women got toys...You can't compete with no dildo." Mac's insights have earned him critical acclaim and international popularity. Now, *I Ain't Scared Of You* captures Bernie Mac's humor whole -- unadorned, unpretentious, and unafraid.

Up-close, personal, and yes, funny — this

is the must-have celebrity memoir of the year. This candid, first-person memoir chronicles Russell's life from his humble beginnings in suburbia as a scrawny, brown, bullied kid with ADD all the way to his remarkable rise as one of the world's top-earning comics. This is a shockingly honest book filled with poignant memories of his family, his life and his career. Call Me Russell is a deeply inspirational story for aspiring artists of any culture about having hope, working hard and dreaming big. From the Hardcover edition.

*The Queen of Katwe* Phaidon Press  
Humor gets very little respect! While references to the importance of having a sense of humor are liberally sprinkled throughout the popular media, and it is usually mentioned as one of the qualities

of effective employees, it is rare to find purposeful humor practice. Humor is without a doubt the one quality that most of us agree is needed in life. However, it is rare to find serious applications on the benefits of applying humor in everyday life and in our world of work. When the federal government tried to incorporate humor into a staff development program of a federal agency, there was an outcry. It seems that humor was thought to be a waste of taxpayer money, and the program was axed. The purpose of *Using Humor to Maximize Living* is to affirm, sustain, and encourage people in the practice of humor not only as a personal tool to optimize a healthy life style, but also to maximize the benefits of humor in everyday life. Check out the research

that includes a review on the use of humor to nurture creativity, to increase the capacity for memory retention, to support an optimal work environment, and to build safe communities that reflect the relational trust necessary for maximizing living. Author, Mary Kay Morrison teaches a 3 hour grad course in Humor Studies through the Association for Applied and Therapeutic Humor (AATH) at the annual conference each year: [http: //www.aath.org/humor-academy](http://www.aath.org/humor-academy)"

*Stand up Comedy Indonesia* VIZ Media LLC

Employs the concept of 'nonsense' to explore those parts of Greek comedy perceived as 'just silly' and so 'not meaningful'.

Hilarious, strange and moving in equal measure - a Japanese multi-million-copy smash hit about the struggles of a pair of young manzai stand-up comedians

Tokunaga is a young comedian struggling to make a name for himself when he is taken under the wing of Kamiya, who is either a crazy genius or perhaps just crazy. Kamiya's

indestructible confidence inspires

Tokunaga, but it also makes him doubt the limits of his own talent, and

dedication to Manzai comedy. Spark is a story about art and friendship, about countless bizarre drunken conversations

and how far it's acceptable to go for a laugh. A novel about comedy that's as moving and thoughtful as it is funny, it's already been a sensation in Japan.

Eiji Nizuma announces that if he can top the Weekly Shonen Jump survey results for ten straight weeks, he will have one of the manga series in the magazine canceled. But which series does Eiji want to cancel? And what will Ashirogi and the other manga creators do to stop him?! -- VIZ Media

*Nonsense and Meaning in Ancient Greek Comedy* Simon and Schuster

Supernova: The Knight, The Princess and the Falling Star presents a series of intertwined and unconventional love stories, straight and gay, with a bit of

science and spirituality added to the mix. The major characters are young, urban, and technologically highly aware. They are caught up in major forms of contemporary social conflict. The work has been highly acclaimed. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian literature over the past decade. Supernova is an intelligent, unique and truly exciting exploration of science, spirituality and the nature of love." The literary critic Jacob Soemardjo suggests: "This is an attractive novel by a young writer. It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way."

Seth Weinstein always knew Tina was way, way, way out of his league. Which is why he's still astonished that he's on a plane heading for their wedding in Florida. The Groom Posse has already pulled an airport prank on him—and he's survived! It should be easy going from now on. But Seth has absolutely no idea what he's about to get into. A simple drink or two with the boys sparks a

series of events that will pit Seth and his friends against everything and everyone imaginable, from his very powerful, very disapproving soon-to-be father-in-law to the federal government to a love-struck orangutan. Seth's hope for smooth sailing is turning into a trip on the Titanic. And the water is getting deeper by the minute...

*And Then There Were None* Macmillan

*The Wrong Side of Right* Elex Media Komputindo

“Apa kau tidak tertarik padaku?” “Sir, maaf kalau saya terkesan kurang sopan. Tapi pesona Anda tidak akan mempan, karena saya tidak menyukai pria dari dunia nyata.” Mia Starr, wanita berusia 25 tahun yang baru saja diterima bekerja di perusahaan besar bernama Diamond Corp. Namun, semenjak diterima menjadi sekretaris Brandon

Armstrong—pemilik Diamond Corp, kehidupannya yang tenang mulai berubah. Brandon, sang eligible bachelor itu terang-terangan menunjukkan ketertarikan pada Mia, namun wanita itu tak segan-segan menolak segala pesonanya. Tak peduli sekeras apapun Brandon berusaha mendekatinya, Mia akan langsung menjauh secepat kilat. Rasa penasaran Brandon semakin bertambah saat ia mengetahui rahasia si sektretaris. Bukan hanya tidak tertarik padanya, Mia benar-benar tak memiliki ketertarikan pada manusia secara umum. Satu-satunya yang dapat menggerakkan hati wanita itu hanyalah sesosok kekasih khayalan yang bahkan tidak dapat Brandon sentuh! Brandon tahu benar, Mia adalah wanita teraneh dan tersulit yang pernah ia temui. Lantas

mengapa ia justru tak bisa berpaling dari wanita berhati batu itu?

*Spark Marvel*

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the

proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
