Two seals are perched
 on a rock. When others
 need shelter, do they
 share it? Room on Our
 Rock celebrates the
 truth that there are
 two sides to every
 story. This clever
 picture book has one
 story that can be read
 two different ways.

When read from front
 to back, the seals
 believe there is
 definitely no room on
 their rock for others.

But when the book is
 read from back to
 front, the seals
 welcome others to
 shelter on their rock. A
 heartwarming story
 about sharing and
 compassion.

The touching story of a school principal and the bully whose life he'll change, by beloved New York Times bestselling author-illustrator Patricia Polacco. Mr. Lincoln is the coolest principal ever! He knows how to do everything, from jumping rope to leading nature walks.

Everyone loves him . . . except for Eugene Esterhouse. "Mean Gene" hates everyone who's different. He's a bully, a bad student, and he calls people awful, racist names. But Mr. Lincoln knows that Eugene isn't really bad—he's just repeating things he's heard at home. Can the principal find a way to get through to "Mean Gene" and show him that the differences between people are what make them special? "A touching and complex story that sends a positive message to kids and creates hope for these working with kids who seem to be lost and categorized as bullies."—Children's Literature

Jesus is Lord over

everything. So his lordship should shape every aspect of life. But what impact does faith really have on our day-today existence? And how should we, as Christians, interact with the culture? In *Every Square Inch*, Bruce Ashford skillfully navigates such questions. Drawing on sources like Abraham Kuyper, C.S. Lewis, and Francis Schaeffer, he shows how our faith is relevant to all dimensions of culture. The gospel informs everything we do. We cannot maintain the artificial distinction between "sacred" and "secular." We must proclaim Jesus with our lips and promote him with our lives, no matter what cultural contexts we may find ourselves in.

Taken from their
families when they are
very small and sent to
a remote, church-run
residential school,
Kenny, Lucy, Clara,
Howie and Maisie are
barely out of childhood
when they are finally
released after years of
detention. Alone and
without any skills,
support or families, the
teens find their way to
the seedy and foreign
world of Downtown
Eastside Vancouver,

where they cling
together, striving to
find a place of safety
and belonging in a
world that doesn't
want them. The paths
of the five friends cross
and crisscross over the
decades as they
struggle to overcome,
or at least forget, the
trauma they endured
during their years at
the Mission. Fuelled by
rage and furious with
God, Clara finds her
way into the
dangerous, highly
charged world of the
American Indian
Movement. Maisie
internalizes her pain
and continually places
herself in dangerous
situations. Famous for
his daring escapes
from the school, Kenny
can't stop running and
moves restlessly from
job to job—through
fishing grounds,
orchards and logging

camps—trying to outrun his memories and his addiction. Lucy finds peace in motherhood and nurtures a secret compulsive disorder as she waits for Kenny to return to the life they once hoped to share together. After almost beating one of his tormentors to death, Howie serves time in prison, then tries once again to re-enter society and begin life anew. With compassion and insight, *Five Little Indians* chronicles the desperate quest of these residential school survivors to come to terms with their past and, ultimately, find a way forward.

Building the Benedict Option is a combination spiritual memoir and practical handbook for Christians who want to build communities of prayer, socialization, and evangelization in the places where they live and work.

Beginning when the author was a new convert, she desired more communal prayer and fellowship than weekly Mass could provide. She surveyed her friends--busy, young, urban

professionals like herself--and created unique enriching or supportive experiences that matched their desires and schedules.

The result was a less lonely and more boisterous spiritual and social life. No Catholic Martha Stewart, Libresco is frank about how she plans events that allow her to feed thirty people on a Friday night without feeling exhausted. She is honest about the obstacles to prayer and the challenge to make it inviting and unobtrusive. Above all, she communicates the joy she has experienced since discovering ways to open her home (even when it was only a small studio apartment). The reader will close this book with four or five ideas for

events to try over the next few weeks, along with the tools to make them fruitful. From film nights to picnics in the park to resume-writing evenings, there are plenty of ideas to choose from and loads of encouragement to make more room in one's life for others.

Real Solutions for Busy Moms Springer Nature

This book is for anyone who is hesitant about Confession. "Our understanding of the sacrament reveals our image of God. If our image of God is one of an uncompromising judge, then the sacrament can fill us

with dread," Father Paul begins. Instead of coming to Confession to avoid judgment and hellfire, Farren paints a picture of the sacrament that has a loving God behind it who longs for a restored relationship with his children. There are two who confess: God and the penitent. In fact, God is the primary confessor when he confesses his forgiveness for and trust in the one who is celebrating the sacrament. Confession is about God's great love for us!
