**How to Catch a Killer** Profiles in Crime

INSTANT NEW YORK TIMES BESTSELLER An Amazon “Best Book of 2019” A Washington Post “10 Books To Read in July” A Los Angeles Times “Seven Highly Anticipated Books for Summer Reading” A USA Today “20 of the Season’s Hottest New Books” A New York Post “25 Best Beach Reads of 2019 You Need to Pre-Order Now” A Bustle “The Best New True Crime Books You Can Read Right Now” “Maureen Callahan’s deft reporting and stylish writing have created one of the all-time-great serial-killer books: sensitive, chilling, and completely impossible to put down.” —Ada Calhoun, author of *St. Marks Is Dead* Ted Bundy. John Wayne Gacy. Jeffrey Dahmer. The names of notorious serial killers are usually well-known; they echo in the news and in public consciousness. But most people have never heard of Israel Keyes, one of the most ambitious and terrifying serial killers in modern history. The FBI considered his behavior unprecedented. Described by a prosecutor as “a force of pure evil,” Keyes was a predator who struck all over the United States. He buried “kill kits”—cash, weapons, and body-disposal tools—in remote locations across the country. Over the course of fourteen years, Keyes would fly to a city, rent a car, and drive thousands of miles in order to use his kits. He would break into a stranger’s house, abduct his victims in broad daylight, and kill and dispose of them in mere hours. And then he would return home to Alaska, resuming life as a quiet, reliable construction worker devoted to his only daughter. When journalist Maureen Callahan first heard about Israel Keyes in 2012, she was captivated by how a killer of this magnitude could go undetected by law enforcement for over a decade. And so began a project that consumed her for the next several years—uncovering the true story behind how the FBI ultimately caught Israel Keyes, and trying to understand what it means for a killer like Keyes to exist. A killer who left a path of monstrous, randomly committed crimes in his wake—many of which remain unsolved to this day. *American Predator* is the ambitious culmination of years of interviews with key figures in law enforcement and in Keyes’s life, and research uncovered from classified FBI files. Callahan takes us on a journey into the chilling, nightmarish mind of a relentless killer, and to the limitations of traditional law enforcement.

*Cross My Heart* HarperCollins

“Anyone can become a killer under the right circumstances—even you.” For the first time, award-winning investigative journalist M. William Phelps reveals the identity of “Raven,” the serial killer who co-starred with him on *Dark Minds*—and tells the story of his intriguing bond with one of America’s most disturbing killers. In September 2011, M. William Phelps made a bold decision that would change the landscape of reality-based television—and his own life. He asked a convicted serial killer to act as a consultant for his TV series. Under the code name “Raven,” the murderer shared his insights into the minds of other killers and helped analyze their crimes. As the series became an international sensation, Raven became Phelps’s unlikely confidante, ally—and friend. “I’m not making excuses for the eight murders I committed.” In this deeply personal account, Phelps traces his own family’s dark history, and takes us into the heart and soul of a serial murderer. He also chronicles the complex relationship he developed with Raven. From questions about morality to Raven’s thoughts on the still-unsolved, brutal murder of Phelps’s sister-in-law, the author found himself grappling with an unwanted, unexpected, unsettling connection with a cold-blooded killer. “It made me feel warm inside to know that I was responsible for that pain . . .” Drawing on over 7,000 pages of letters, dozens of hours of recorded conversations, personal and Skype visits, and a friendship five years in the making, Phelps sheds new light on Raven’s bloody history, including details of an unknown victim, the location of a still-buried body—and a jaw-dropping admission. Eye-opening and provocative, *Dangerous Ground* is an unforgettable journey

into the mind of a charming, manipulative psychopath that few would dare to know—and the determined journalist who did just that.

**True Murder Crime In Welsh** Kensington

Every account of catching a serial killer is different. Sometimes, the killers make crucial mistakes; other times, investigators get lucky. And the process of profiling and apprehending these predators has changed radically over time, from laser ablation to video spectral analysis to DNA-based genetic genealogy. In this fascinating book, the history of forensics unfolds through the “capture stories” of some of the most notorious serial killers, going back almost a century.

**I’ll Be Gone in the Dark** Tor Teen

“Fans of *Mindhunter* and true crime podcasts will devour these chilling stories of serial killers from the so-called “surge” or epidemic years of serial murder. With books like *Serial Killers*, *Female Serial Killers*, and *Sons of Cain*, Peter Vronsky has established himself as the foremost expert on the history of serial killers. In this first definitive history of the worst decades of American serial murder, when the number and body count of serial killers exploded, Vronsky tells the stories of the most notable and unusual serial killings from the 1950s to the early twenty-first century. From Ted Bundy to the Golden State Killer, our fascination with these classic serial killers seems to grow by the day. *American Serial Killers* gives true crime junkies what they crave, with both perennial “favorites” (Ed Kemper, Jeffrey Dahmer) and many fascinating lesser-known killers such as Melvin Rees, Harvey Glatman and Danny Rolling”--

*Understanding the Dark and Twisted Mind of a Serial Killer* Imajinn Books

THE #1 TRUE CRIME BESTSELLER. Serial killings, child abductions, organised crime hits and domestic murders. This is the memoir of a homicide detective. WINNER OF 2021 DANGER PRIZE FOR NON-FICTION Here I am: tall and broad, shaved head, had my nose broken three times fighting. Black suit, white shirt, the big city homicide detective. I've led investigations into serial killings, child abductions, organised crime hits and domestic murders. But beneath the suit, I've got an Om symbol in the shape of a Buddha tattooed on my right bicep. It balances the tattoo on my left ribs: Better to die on your feet than live on your knees. That's how I choose to live my life. As a cop, I got paid to catch killers and I learned what doing it can cost you. It cost me marriages and friendships. It cost me my reputation. They tell you not to let a case get personal, but I think it has to. Each one has taken a piece out of me and added a piece, until there's only pieces. I catch killers - it's what I do. It's who I am. Gary Jubelin was one of Australia's most celebrated detectives, leading investigations into the disappearance of preschooler William Tyrrell, the serial killing of three Aboriginal children in Bowraville and the brutal gangland murder of Terry Falconer. During his 34-year career, Detective Chief Inspector Jubelin also ran the crime scene following the Lindt Cafe siege, investigated the death of Caroline Byrne and recovered the body of Matthew Leveson. Jubelin retired from the force in 2019. This is his story.

*Why They Kill* Kings Road Publishing

The Silence of the Lambs meets Sadie in this riveting psychological thriller about two teenagers teaming up with the FBI to track down juvenile serial killers. In 1982, two teenagers—serial killer survivor Emma Lewis and US Marshal candidate Travis Bell—are recruited by the FBI to interview convicted juvenile killers and provide insight and advice on cold cases. From the start, Emma and Travis develop a quick friendship, gaining information from juvenile murderers that even the FBI can't crack. But when the team is called in to give advice on an active case—a serial killer who exclusively hunts teenagers—things begin to unravel. Working against the clock, they must turn to one of the country's most notorious incarcerated murderers for help: teenage sociopath Simon Gutmunsson. Despite Travis's objections, Emma becomes the conduit between Simon and the FBI team. But while Simon seems to be giving them the information they need to save lives, he's an expert manipulator playing a very long game...and he has his sights set on Emma. Captivating, harrowing, and chilling, *None Shall Sleep* is an all-too-timely exploration of not only the monsters

that live among us, but also the monsters that live inside us.

**Murderers, Mindhunters, and My Quest to Decipher the Criminal Mind** Macmillan

The FBI expert who coined the phrase “serial killer” reveals how he used evidence from the crime scene to assemble a psychological profile and capture some of the most dangerous killers in the country, in a chilling crimefighter’s memoir. Reissue.

**My Friendship with a Serial Killer** Andrews UK Limited

The renowned crime journalist and author of *The Misbegotten Son* turns his attention to serial killer Keith Hunter Jespersen, the “Happy Face Killer” from Oregon who strangled eight women in the 1990s, detailing his evolution from angry child to psychotic murderer. Reprint.

**The Saint Of Killers** John Wiley & Sons

Superintendent Grant in the first book is a British Senior Policeman running The Bombay Police and in particular The Murder Squad. In the first book of the series, he has a serial killer loose on The Bombay Railway Network; who is getting very good at killing young 16 year old girls coming home from work. **My Sister, the Serial Killer** Little, Brown Books for Young Readers

What is it like to learn that your ordinary, loving father is a serial killer? In 2005, Kerri Rawson heard a knock on the door of her apartment. When she opened it, an FBI agent informed her that her father had been arrested for murdering ten people, including two children. It was then that she learned her father was the notorious serial killer known as BTK, a name he'd given himself that described the horrific way he committed his crimes: bind, torture, kill. As news of his capture spread, Wichitacelebrated the end of a thirty-one-year nightmare. For Kerri Rawson, another was just beginning. She was plunged into a black hole of horror and disbelief. The same man who had been a loving father, a devoted husband, church president, Boy Scout leader, and a public servant had been using their family as a cover for his heinous crimes since before she was born. Everything she had believed about her life had been a lie. Written with candor and extraordinary courage, *A Serial Killer's Daughter* is an unflinching exploration of life with one of America's most infamous killers and an astonishing tale of personal and spiritual transformation. For all who suffer from unhealed wounds or the crippling effects of violence, betrayal, and anger, Kerri Rawson's story offers the hope of reclaiming sanity in the midst of madness, rebuilding a life in the shadow of death, and learning to forgive the unforgivable. “No easy answers here. No platitudes. Only raw

honesty, written with the gracious authority of one who has glimpsed hell. Kerri Rawson shares her earned wisdom and a hope that has been bought with tears and nightmares. This book is a gritty must-read in the library of hope.” —Paul J. Pastor, author of *The Face of the Deep* and *The Listening Day*

**Manhunt: The Night Stalker** Little, Brown Books for Young Readers

Discusses the twenty-year pursuit of Sheriff David Reichert for the Green River Killer.

*My Life Hunting Serial Killers and Psychopaths* Random House

The author of this book played a major part in the FBI's development of psychological profiles for serial killers, he even invented the term serial killer. Whilst Thomas Harris made Ressler's work famous in fiction, Ressler did it for real.

**The Profiler** HarperCollins

NOW A MAJOR TV DRAMA STARRING MARTIN CLUNES What does it take to catch one of Britain's most feared killers? Levi Bellfield is one of the most notorious British serial killers of the last fifty years - his name alone evokes horror and revulsion, after his string of brutal murders in the early 2000s. At 3:07pm on 21st March, 2002, Milly Dowler left her school in Surrey for the last time. Less than an hour later, she was to be abducted and murdered in the cruellest fashion, sparking a missing person investigation that would span months before her body was found. In the two years that followed, two more young women - Marsha McDonnell and then Amélie Delagrangé - were murdered in unspeakably brutal attacks. Yet with three murdered women on their hands, and few leads open to them, investigating officers were running out of ideas and options, until SIO Colin Sutton was drafted into the investigation for the murder of Delagrangé. Seeing a connection between the three women, and thriving under the pressure of a serial killer hunt, Sutton was finally able to bring their murderer to justice after the case had begun to seem hopeless. *Manhunt* tells the story of how he led the charge to find a mystery killer, against the clock and against the odds - day by day and lead by lead. At once a gripping police procedural, and an insight into the life of an evil man, this is the story behind what it takes to track down a shockingly violent murderer before he strikes again.

**The Most Dangerous Animal of All** Catching a Serial Killer My hunt for murderer Christopher Halliwell, subject of the ITV series *A Confession*

In 1990, a young woman was strangled on a jogging path near the home of Pat Brown and her family. Brown suspected the young man who was renting a room in her house, and quickly uncovered strong evidence that pointed to him--but the police dismissed her as merely a housewife with an overactive imagination. It would be six years before her former boarder would be brought in for questioning, but the night Brown took action to solve the murder was the

beginning of her life's work. Pat Brown is now one of the nation's few female criminal profilers--a sleuth who assists police departments and victims' families by analyzing both physical and behavioral evidence to make the most scientific determination possible about who committed a crime. Brown has analyzed many dozens of seemingly hopeless cases and brought new investigative avenues to light. In *The Profiler*, Brown opens her case files to take readers behind the scenes of bizarre sex crimes, domestic murders, and mysterious deaths, going face-to-face with killers, rapists, and brutalized victims. It's a rare, up-close, first-person look at the real world of police and profilers as they investigate crimes--the good and bad, the cover-ups and the successes.

**Hunting and Capturing the World's Most Notorious Serial Killers** Lulu.com

Enter the mind of a serial killer and his victims. When researching a new crime novel, Jillian spoke to Mitzi Roberts, the famed LAPD homicide detective. During that conversation, Mitzi revealed that her greatest achievement was catching a murderer. But also that she was absolutely convinced that that killer had killed many more. So Jillian went to speak the murderer himself - and that's where she fell into a rabbit hole. Over 40 hours of conversation, Samuel Little confessed killing after killing to Jillian Lauren. He told her of the marginalised and drug-addicted women he strangled to death. He sent her memorial 'art' of his victims. He talked and talked and talked. And when he finished talking, she realised she had been speaking to one of the most prolific serial killers of all time. Not only was Jillian astounded at how Samuel had opened up to her, uncovering his horrific deeds, but she also recognised herself in the stories of his victims. The vulnerable sex workers and drug addicts - just as she had previously been. This is a haunting parallel story of killer, author and victims, the journey into a disturbing mind and a murderer that shocked the world.

**The Life and Many Deaths of a Homicide Detective** Random House

She has never feared the walking dead. It's the power required to reanimate the dead that startles her, seduces her. The power that dwells inside her . . . and is growing. For Professor Ruby Montagne, being a necromancer has brought her nothing but heartache, and she walked away from that part of her life long ago. However, her quiet existence in San Francisco is shattered when she stumbles upon the body of a slain witch, and the supernatural community insists she transform him into a revenant to track the killer. But his murder was just the beginning, and Ruby soon realizes that the stakes are higher than anyone can imagine--and that revenants have nasty minds of their own. Now demonic creatures have escaped into the human world, and zombies once again walk the streets. For humanity's sake, Ruby forms an unlikely alliance with a witch, a revenant,

and Ewan March, a demon warrior who sets her senses on fire. She's always distrusted demons, and Ewan is no exception. But circumstances push them closer together, and Ruby not only finds it harder to resist him, she isn't sure she even wants to. But she suspects his job of patrolling the portal separating humans and demons conceals a dark and deadly past that may consume them both. With events spiraling out of control, Ruby unravels a plot that threatens the human and demon realms and puts Ruby's very soul in jeopardy. Because when the dead walk, no one is safe. Especially Ruby.

**I Hunt Killers** Harper Collins

An explosive and historic book of true crime and an emotionally powerful and revelatory memoir of a man whose ten-year search for his biological father leads to a chilling discovery: His father is one of the most notorious-and still at large-serial killers.

*Order and Disorder in Post-1970s Detective Fiction* Mango Media Inc.

Describes the landmark homicide case headed up by detective Joe Horgas, who led the first investigation that used DNA evidence and successfully identified and captured a serial killer known as the Southside Strangler. Reprint.

**Killing Dr. Watson** Hachette UK

Travel around the world and inside the minds of monsters in this true crime anthology featuring sixteen astonishing serial killer exposés. Serial killers: Ted Bundy, John Wayne Gacy, and Jeffrey Dahmer are often the first names that spring to mind. Many people assume serial killers are primarily an American phenomenon that came about in the latter part of the twentieth century—but such assumptions are far from the truth. Serial killers have been around for a long time and can be found in every corner of the globe—and they're not just limited to the male gender, either. Some of these predators have been caught and brought to justice whereas others have never been found, let alone identified. Serial killers can be anywhere. And scarier still, they can be anyone. Edited by acclaimed author and anthologist Mitzi Szereto, *The Best New True Crime Stories: Serial Killers* reveals all-new accounts of true-crime serial killers from the contemporary to the historic. The international list of contributors includes award-winning crime writers, true-crime podcasters, journalists, and experts in the dark crimes field such as Martin Edwards, Lee Mellor, Danuta Kot, Craig Pittman, Richard O. Jones, Marcie Rendon, Mike Browne, and Vicki Hendricks. This book will leave you wondering if it's ever really possible to know who's behind the mask you're allowed to see. Perfect for readers of true crime books such as *I'll Be Gone in the Dark*, *Mindhunter*, *The Devil in the White City*, or *Sons of Cain*. "An engrossing and multi-faceted anthology for a new era of true crime writing." —Piper Weiss, author of *You All Grow Up and Leave Me*
