**Essential Bukowski** BookCaps Study Guides

Septuagenarian Stew is a combination of poetry and stories written by Charles Bukowski that delve into the lives of different people on the backstreets of Los Angeles. He writes of the housewife, the bum, the gambler and the celebrity to evoke a portrait of Los Angeles

*South of No North* Harper Collins

One of the most recognizable poets of the last century, Charles Bukowski is simultaneously a common man and an icon of urban depravity. He uses strong, blunt language to describe life as he lives it, and through it all charts the mutations of morality in modern America. Sifting Through the Madness for the Word, the Line, the Way is a treasure trove of confessional poetry written towards then end of Bukowski's life. With the overhang of failing health and waning fame, he reflects on his travels, his gambling and drinking, working, not working, sex and love, eating, cats, and more.

Sifting Through is Bukowski at his most meditative – published posthumously, it's completely non-performative, and gets to the heart of Bukowski's lifelong pursuit of natural language and raw honesty. We recommend you read this as Bukowski wrote: by sifting through the madness for what hits you as the word, the line, the way.

*The Dirty Old Man Of American Literature* Harper Collins

Edited by Abel Debritto, the definitive collection of poems from an influential writer whose transgressive legacy and raw, funny, and acutely observant writing has left an enduring mark on modern culture. Few writers have so brilliantly and poignantly conjured the desperation and absurdity of ordinary life as Charles Bukowski. Resonant with his powerful, perceptive voice, his visceral, hilarious, and transcendent poetry speaks to us as forcefully today as when it was written. Encompassing a wide range of subjects—from love to death and sex to writing—Bukowski's unvarnished and self-deprecating verse illuminates the deepest and most enduring concerns of the human condition while remaining sharply aware of the day to day. With his acute eye for the ridiculous and the troubled, Bukowski speaks to the deepest longings and strangest predilections of the human experience. Gloomy yet hopeful, this is tough, unrelenting poetry touched by grace. This is Essential Bukowski.

**Charles Bukowski** Harper Collins

The best of Bukowski's novels, stories, and poems, this collection reads like an autobiography, relating the extraordinary story of his life and offering a sometimes harrowing, invariably exhilarating reading experience. A must for this counterculture idol's legion of fans.

*Charles Bukowski* Springer

Betting on the Muse is a combination of hilarious poetry and stories. Charles Bukowski writes about the real life of a working man and all that comes with it.

**Septuagenarian Stew** Red Wheel/Weiser

Twayne's United States Authors, English Authors, and World Authors Series present concise critical introductions to great writers and their works. Devoted to critical interpretation and discussion of an author's work, each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view. An Authors Series volume addresses readers ranging from advanced high school students to university professors. The book suggests to the informed reader new ways of considering a writer's work. Each volume features: -- A critical, interpretive study and explication of the author's works -- A brief biography of the author -- An accessible chronology outlining the life, the work, and relevant historical context -- Aids for further study: complete notes and references, a selected annotated bibliography and an index -- A readable style presented in a manageable length

*Charles Bukowski* Open Road + Grove/Atlantic

Charles Bukowski didn't write about high society or the life most people will never live; he wrote about the ordinary man—the ones you are more likely to see living next to you than glamorized on TV. He wrote what he knew and he wrote it well. Bukowski knew Los Angeles—women—the drudgery of work—and drinking...lots of drinking! This biography takes you inside the life and times of Bukowski, and helps you understand how he composed some of the greatest fiction and poetry of the past 50 years.

*The Pleasures of the Damned* Zondervan

Charles Bukowski examines cats and his childhood in *You Get So Alone at Times*, a book of poetry that reveals his tender side. He delves into his youth to analyze its repercussions.

*Ham On Rye* Harper Collins

*South of No North* is a collection of short stories written by Charles Bukowski that explore loneliness and struggles on the fringes of society.

**Bukowski** Routledge

A favorite of students for his poetry of raw angst and rebellion, Bukowski revolutionized contemporary literature with his anti-establishment methodology.

*American Writers* Godine+ORM

A timeless selection of some of Charles Bukowski's best unpublished and uncollected poems Charles Bukowski was a prolific writer who produced countless short stories, novels, and poems that have reached beyond their time and place to speak to generations of readers all over the world. Many of his poems remain little known since they appeared in small magazines but were never collected, and a large number of them have yet to be published. In *Storm for the Living and the Dead*, Abel Debritto has curated a collection of rare and never-before-seen material—poems from obscure, hard-to-find magazines, as well as from libraries and private collections all over the country. In doing so, Debritto has captured the essence of Bukowski's inimitable poetic style—tough and hilarious but ringing with humanity. *Storm for the Living and the Dead* is a gift for any devotee of the Dirty Old Man of American letters.

*An Old Sweetheart of Mine* Canongate Books

Corrected typescript. Some is the original copy, some photo-copy. With annotations in pencil.

**Absence of the Hero** Trafford Publishing

Charles Bukowski, poet, novelist, short-story writer, journalist, and cult figure of the dissident and rebellious was born in Germany in 1920 and died in the USA in 1994. During his life he was hailed as "laureate of American lowlife" by Time magazine literary critic Adam Kirsch of *The New Yorker* wrote: "The secret of Bukowski's appeal...(is that) he combines the confessional poet's promise of intimacy with the largertan-life aplomb of a pulp-fiction hero." Bukowski was one of the most unconventional writers and cultural critics of the 20th century. He lived an unorthodox, idiosyncratic life and wrote in a style that was unique—one that is impossible to classify or categorize. His work was at times cynical or humorous, but was always brilliant and challenging. His life and work are distinguished not only by a remarkable talent for words, but also by his rejection of the dominant social and cultural values of American society. Bukowski began writing at the age of forty and published forty-five books, six of them novels. He is also considered one of the great literary voices of Los Angeles. In *Bukowski For Beginners*, playwright Carlos Polimeni evaluates the life and literary achievements of the cult writer whose voice of dissidence and discontent is still heard and appreciated by readers worldwide.

*sifting through the madness for the word, the line, the way* Harper Collins

This book uses cultural and psycho-social analysis to examine the beat writer Charles Bukowski and his literature, focusing on representations of the anti-hero rebel and outsider. Clements considers the complexities, ambiguities, and contradictions represented by the author and his work, exploring Bukowski's visceral writing of the cultural ordinary and everyday self-narrative. The study considers Bukowski's apolitical, gendered, and working-class stance to understand how the writer represents reality and is represented with regards to counter-cultural literature. In addition, Clements provides a broader socio-cultural focus that evaluates counterculture in relation to the American beat movement and mythology, highlighting the male cool anti-hero. The cultural practices and discourses utilized to situate Bukowski include the individual and society, outsiderdom, cult celebrity, fan embodiment, and disneyfication, providing a greater understanding of the beat generation and counterculture literature.

*Bukowski For Beginners* HarperCollins

*The Pleasures of the Damned* is a selection of the best poetry from America's most iconic and imitated poet, Charles Bukowski. Celebrating the full range of the poet's extraordinary sensibility and his uncompromising linguistic brilliance, these poems cover a lifetime of experience, from his renegade early work to never-before-collected poems penned during the final days before his death. Selected by John Martin, Bukowski's long-time editor and the publisher of the legendary Black Sparrow Press, this stands as what Martin calls "the best of the best of Bukowski".

*Charles Bukowski* Random House Incorporated

Susan Orlean's bestseller and New York Times Notable Book is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. "Everybody who loves books should check out *The Library Book*" (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a "delightful...reflection on the past, present, and future of libraries in America" (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the "exquisitely written, consistently entertaining" (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. "A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories" (Star Tribune, Minneapolis), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

**Encyclopedia of American Poetry: The Twentieth Century** Harper Collins

Charles Bukowski disliked academics, as this academic and readable book points out from page one onward of its introduction, "Charles Bukowski vs. American Ways." Begun before Bukowski died in 1994, Charles Bukowski: Autobiographer, Gender Critic, Iconoclast was the first doctoral dissertation on his prose and poetry up to that date, and it is offered now for fans and academics alike—no more need for black-market sales. Chapter One, "Placing Bukowski," introduces Bukowski's amazing life and career and relates his work to influential predecessors (primarily Ernest Hemingway and John Fante) and four contemporaries (Raymond Carver, Kurt Vonnegut, Frederick Exley, and Hunter Thompson). Chapter Two, "Bukowski Among the Autobiographers," pursues Bukowski's comprehensive autobiographical project. Harnessing Timothy Dow Adams' concept of "strategic lying," the chapter follows Bukowski's thinly veiled personae through three stages—first through the

attention-getting "Dirty Old Man," then responding to the attention and (re)defining himself, finally culminating in "Henry Chinaski," the hero of Bukowski's five autobiographical novels. Chapter Three, "Problems of Masculinity: At 'Home,' at Work, at Play," tackles the knee-jerk assessment of Bukowski as just a sexist "Dirty Old Man." Michael Kaufman's "triad of men's violence" (against women, other men, and themselves) explains the general Bukowski persona as a complicated gender construct. Bukowski's Bildungsroman, *Ham on Rye*, shows Chinaski as victim, practitioner, and critic of male

violence, with the last role figuring into his other work too. Chapter Four, "Bukowski vs. 'Institution Art,'" classifies this challenging author as both populist and avant-garde. As general postmodern phenomenon, he blends the democratic accessibility of populist writing with the adventurous gesturing of the avant-garde, and the result is direct, daring, truthful, and funny. The book's conclusion, "Summing Up: Giving Bukowski His Due," predicts that Bukowski will be read far into the 21st century. Buy his books before you buy this one.
