DANIELA ALEENA

Waging Heavy Peace Harper Collins

** THE NEW YORK TIMES-BESTSELLING CULT CLASSIC NOVEL **

** In a new edition introduced by Stephen Fry ** 'I don't think you can even call this a drug. This is just a response to the conditions we live in.' Suzanne Vale, formerly acclaimed actress, is in rehab, feeling like 'something on the bottom of someone's shoe, and not even someone interesting'. Immersed in the sometimes harrowing, often hilarious goings-on of the drug hospital and wondering how she'll cope - and find work - back on the outside, she meets new patient Alex. Ambitious, good-looking in a Heathcliffish way and in the grip of a monumental addiction, he makes Suzanne realize that, however eccentric her life might seem, there's always someone who's even closer to the edge of reason. Carrie Fisher's bestselling debut novel is an uproarious commentary on Hollywood - the home of success, sex and

insecurity - and has become a beloved cult classic. 'This novel, with its energy, bounce and generous delivery of a loud laugh on almost every page, stands as a declaration of war on two fronts: on normal and on unhappy' STEPHEN FRY 'A single woman's answer to Nora Ephron's Heartburn . . . the smart successor to Joan Didion's Play It as It Lays' Los Angeles Times 'A cult classic . . . A wonderfully funny, brash and biting novel' Washington Post 'A wickedly shrewd black-humor riff on the horrors of rehab and the hollows of Hollywood life' People 'Searingly funny' Vogue
It Never Ends Frederick Warne Publishers

'Wishful Drinking is a touching and incisive account of bipolarity, addiction and motherhood.' Independent 'No motive is pure. No one is good or bad - but a hearty mix of both. And sometimes life actually gives to you by taking away.' Carrie Fisher in Wishful Drinking In Wishful Drinking, Carrie Fisher told the true and intoxicating story of her life with inimitable wit. Born to celebrity parents, she was picked to play a princess in a little movie called Star Wars when only 19 years old. "But it isn't all sweetness and light sabres." Alas, aside from a demanding career and her role

as a single mother (not to mention the hyperspace hairdo), Carrie also spends her free time battling addiction and weathering the wild ride of manic depression. It's an incredible tale: from having Elizabeth Taylor as a stepmother, to marrying (and divorcing) Paul Simon, and from having the father of her daughter leave her for a man, to ultimately waking up one morning and finding a friend dead beside her in bed. Carrie Fisher's star-studded career included roles in numerous films such as *The Blues Brothers* and *When Harry Met Sally*. She was the author of four bestselling novels, *Surrender in the Pink*, *Delusions of Grandma*, *The Best Awful* and *Postcards from the Edge*, which was made into a hit film starring Shirley MacLaine and Meryl Streep. Carrie's experience with addiction and mental illness – and her willingness to talk honestly about them – made her a sought-after speaker and respected advocate. She was truly one of the most magical people to walk among us. Further praise for Carrie Fisher:- [Shockaholic] is the finest, funniest chronicler of the maddest celebrity mores.' Sunday Times 'Fisher has a talent for lacerating insight that masquerades as carefree self-deprecation' Los Angeles Times 'She is one of the rare inhabitants of La-La Land who can actually write' New York Times

The Valley Vintage

True North is the inspirational Canadian Chapter of Jill Ker Conway's life story, which began with her much love, bestselling memoir, *The Road from Coorain*. Beginning with her departure from Australia, Jill Ker Conway tells of her romance with Harvard House Master John Conway, of coming to grips with his manic-depressive disorder, and of their move to Canada in 1964 where she became the first female vice-president at the University of

Toronto. In this vibrant memoir, we watch as a most private woman makes of herself a public persona in Canada.

Will Penguin

13th June, 1940. Carefully labelled, and each clutching a little brown suitcase, Terry, aged seven, and his elder brother Jack, eleven, stand amid the throng of chattering children which crowds the narrow platform at Welling station, awaiting the steam engine which will pull them and their fellow evacuees across the country towards their secret destination - and a new life... In the tiny Cornish backwater of Doublebois the brothers find they have swapped the newly built streets of suburban London for the joys of the countryside. The woods become their playground, tree-climbing, rabbit-catching and night-fishing their new pastimes. But it is the railway, above all, which delights them. The main London to Penzance line runs through a cutting right below the small community, the goods yard and siding lie a couple of hundred yards down the line: to the two young sons of a railway worker, No. 7 the Railway Cottages seems the perfect new home. And despite a not-always-friendly rivalry between local kids and the 'vackies', village life under the care of irreverent, Welsh ex-miner Uncle Jack and his generous wife Aunty Rose is idyllic. That is, until the bombing of nearby Plymouth and tragic news from the Front shatter the peace of Doublebois, a reminder of the brutal reality of a war which at times seems so far away. Warm-hearted and moving, *Kisses on a Postcard* is a vivid and intimate portrait of a forgotten part of our wartime history; a compelling and uplifting memoir of growing up in an extraordinary time.

Black Postcards Houghton Mifflin Harcourt

Temperature's Rising: Galaxie 500 offers both an oral history of a celebrated band and a lush tour of their personal archives. It weaves together interviews with the band members (Naomi Yang, Dean Wareham, Damon Krukowski) and their music scene peers and many collaborators, accompanied by a stunning array of rare and never-before-seen photographs, artwork and ephemera.

Vintage Postcards from the African World Penguin

A bewitching memoir about the lures, torments, and rewards of making and performing music in the indie rock world Dean Wareham's seminal bands Galaxie 500 and Luna have long been adored by a devoted cult following and extolled by rock critics. Now he brings us the blunt, heartbreaking, and wickedly charismatic account of his personal journey through the music world—the artistry and the hustle, the effortless success and the high living, as well as the bitter pills and self-inflicted wounds. It captures, unsparingly, what has happened to the entire ecosystem of popular music over a time of radical change, when categories such as "indie" and "alternative" meant nothing to those creating the music, but everything to the major labels willing to pay for it. Black Postcards is a must-have for Wareham's many fans, anyone who has ever been in a band, or the listeners who have taken an interest in the indie rock scene over the last twenty years.

Black Postcards Simon and Schuster

A collection of 100 postcards featuring iconic, bizarre, and mind-blowing science fiction book covers Exploring the weird, wonderful world of science fiction cover art, this set of one hundred postcards includes classic images from some of the of

the heavyweights of the genre—H. G. Wells, Aldous Huxley, J. G. Ballard, Philip K. Dick, Kurt Vonnegut, Ray Bradbury—as well as celebrating images from delightfully pulpy cult classics. Inspired by surrealism and pop art, and charting science fiction's emergence as a literary force, the postcards in this collection will appeal to legions of sci-fi devotees and design fans alike.

Ex Libris Clarkson Potter

The incomparably photogenic Ernie, star of the bestselling *Ernie: A Photographer's Memoir*, is back in this collection of 30 black-and-white postcards.

Postcards From No Man's Land Simon and Schuster

The Notebook meets *Love & Gelato* in this heart-wrenching novel “full of deep romance and searing tragedy” (Kirkus Reviews) about a teen girl who travels to her late mother's majestic summertime home to learn of the romance—and the tragedy—that changed her life forever. Seventeen-year-old Lexi has always wanted to know more about the mother who passed away when she was only a child. But her dad will barely talk about her. He says he'd rather live in the present with Lexi, her stepmom, and her half-brother. Lexi loves her family, too, but is it so wrong to want to learn about the mom she never got to know? When Lexi's grandma dies and secretly leaves her a worn blue chest that belonged to Lexi's mother, Lexi is ecstatic to find a treasure trove of keepsakes. Her mom held onto letters, pamphlets, flyers, and news articles all from the same beautiful summertime getaway: Mackinac Island—plus a cryptic postcard that hints at a forbidden romance. If Lexi wants answers, this island is where she needs to go. Without telling her dad, Lexi goes to the gorgeous Mackinac Island in Lake Huron, reachable

only by ferry. Cars are forbidden and bikes are the number one mode of transportation along the quaint cobblestone streets, and the magical hotel that rests alongside cozy cafés and bookshops. While following her mother's footsteps, Lexi befriends an elderly former Broadway star and a charming young hotel worker while quickly falling in love with her surroundings. But though the island may be beautiful, it's hiding unfortunate secrets—some with her mother at the center. Could some questions be best left buried beneath the blue waters?

Kisses on a Postcard Abrams

Nothing speaks to us like great literature. It presents us with truth, challenges, humor, and delight. This collection of 100 postcards showcases bold graphic interpretations of 50 of the greatest literary quotes of all time. From Virginia Wolf to Oscar Wilde, from Bront to Poe to Austen, each piece will spark your imagination and kindle your creative spirit. Cards range from an F. Scott Fitzgerald quote set against a Jazz Age champagne glass, to Emily Bronte's *Wuthering Heights* visualized as puzzle pieces, to Immanuel Kant's musings juxtaposed with a constellation-filled night sky. This is the perfect stationery for any bibliophile, and a set sure to be repurposed by many design and decor buffs for wall art.

Happiness: A Memoir Simon and Schuster

Award-winning songwriter and pioneering guitarist Bruce Cockburn has been shaped by politics, protest, romance and spiritual discovery. He has toured the globe, visiting far-flung places such as Guatemala, Mali, Mozambique, Afghanistan and Nepal, performing and speaking out on important issues, from native rights and land mines to the environment and Third World

debt. His journeys have been reflected in his music and evolving styles: folk, jazz, blues, rock and world beat. Drawing from his experiences, he continues to create memorable songs about his ever-expanding universe of wonders. As an artist with thirty-one albums, Cockburn has won numerous awards and the devotion of legions of fans across Canada and around the world. Yet the man himself has remained a mystery. In this memoir, Cockburn invites us into his private world and takes us on a lively cultural and musical tour through the late twentieth century, sharing his Christian convictions, his personal relationships and the social and political activism that has defined him and has both invigorated and incited his fans.

Subpar Parks Harper Collins

NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FORBES • BOOKPAGE • NEW YORK POST • WIRED “I have not been as profoundly moved by a book in years.” —Jodi Picoult Even after she left home for Hollywood, Emmy-nominated TV writer Bess Kalb saved every voicemail her grandmother Bobby Bell ever left her. Bobby was a force—irrepressible, glamorous, unapologetically opinionated. Bobby doted on Bess; Bess adored Bobby. Then, at ninety, Bobby died. But in this debut memoir, Bobby is speaking to Bess once more, in a voice as passionate as it ever was in life. Recounting both family lore and family secrets, Bobby brings us four generations of indomitable women and the men who loved them. There's Bobby's mother, who traveled solo from Belarus to America in the 1880s to escape the pogroms, and Bess's mother, a 1970s rebel who always fought against convention. But it was Bobby and Bess who always had the most powerful bond: Bobby her granddaughter's fiercest

supporter, giving Bess unequivocal love, even if sometimes of the toughest kind. *Nobody Will Tell You This But Me* marks the creation of a totally new, virtuosic form of memoir: a reconstruction of a beloved grandmother's words and wisdom to tell her family's story with equal parts poignancy and hilarity.

Bibliophilia Lorena Jones Books

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, *Will* provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, *Will* tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with

the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, *Will* is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts *Will* the book, like its author, in a category by itself.

Postcards Penguin

"The author of numerous books of photo essays--most notably two award-winning series for children and young adults--Jill Krementz has long had a special affinity for writers. Dating back to 1961 and comprising sessions with more than 1,200 writers, her collection is not just a visual feast for modern book lovers; it will also undoubtedly serve as an invaluable resource for future scholars, not unlike Carl Van Vechten's photographic collection of Harlem Renaissance writers of the 1920s and 1930s. This book of postcards presents thirty of Krementz's photographs of contemporary black writers"--Back cover.

Penguin Science Fiction Postcards Atheneum/Caitlyn Dlouhy Books

For over forty years, professor and culinary historian Jessica B. Harris has collected postcards depicting Africans and their descendants in the American diaspora. They are presented for the first time in this exquisite volume. *Vintage Postcards from the African World: In the Dignity of Their Work and the Joy of Their*

Play brings together more than 150 images, providing a visual document of more than a century of work in agricultural and culinary pursuits and joy in entertainments, parades, and celebrations. Organized by geography—Africa, the Caribbean, and the United States—as well as by the types of scenes depicted—the farm, the garden, and the sea; the marketplace; the vendors and the cooks; leisure, entertainments, and festivities—the images capture the dignity of the labors of everyday life and the pride of festive occasions. Superb and rare images demonstrate everything from how Africans and their descendants dressed to what tools they used to how their entertainments provided relief from toil. Three essays accompany the postcards, one of which details Harris’s collection and the collecting process. A second presents suggestions on how to interpret the cards. A final essay gives brief information on the history of postcards and postcard dating and its increasing use and value to scholars.

Temperature's Rising Knopf

Pulitzer Prize-winning literary critic Michiko Kakutani shares 100 personal, thought-provoking essays about books that have mattered to her and that help illuminate the world we live in today—with beautiful illustrations throughout. “A book tailor-made for bibliophiles.”—Oprah Winfrey “An ebullient celebration of books and reading.”—Publishers Weekly (starred review) In the introduction to her new collection of essays, *Ex Libris: 100+ Books to Read and Reread*, Michiko Kakutani writes: “In a world riven by political and social divisions, literature can connect people across time zones and zip codes, across cultures and religions, national boundaries and historical eras. It can give us

an understanding of lives very different from our own, and a sense of the shared joys and losses of human experience.” Readers will discover novels and memoirs by some of the most gifted writers working today; favorite classics worth reading or rereading; and nonfiction works, both old and new, that illuminate our social and political landscape and some of today’s most pressing issues, from climate change to medicine to the consequences of digital innovation. There are essential works in American history (*The Federalist Papers*, *The Writings and Speeches of Martin Luther King, Jr.*); books that address timely cultural dynamics (Elizabeth Kolbert’s *The Sixth Extinction*, Daniel J. Boorstin’s *The Image*, Margaret Atwood’s *The Handmaid’s Tale*); classics of children’s literature (the Harry Potter novels, *Where the Wild Things Are*); and novels by acclaimed contemporary writers like Don DeLillo, William Gibson, Chimamanda Ngozi Adichie, and Ian McEwan. With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates, *Ex Libris* is an impassioned reminder of why reading matters more than ever.

Infinite Hope Clarkson Potter

NEW YORK TIMES BESTSELLER • The first published collection of photographs by the icon of street style, bringing together favorites published in *The New York Times* alongside never-before-seen work across five decades. “A dazzling kaleidoscope from the gaze of an artist who saw beauty at every turn.”—André Leon Talley Bill Cunningham’s photography captured the evolution of style, of trends, and of the everyday, both in New York City and in Paris. But his work also shows that street style is not only about fashion; it’s about the people and the changing

culture. These photographs—many never before seen, others having originally appeared in *The New York Times* and elsewhere—move from decade to decade, beginning in the 1970s and continuing until Cunningham's death in 2016. Here you'll find Cunningham's distinctive chronicling of the 1980s transit strike, the rise of 1990s casual Fridays, the sadness that fell over the city following 9/11, Inauguration Day 2009, the onset of selfies, and many other significant moments. This enduring portfolio is enriched by essays that provide a revealing portrait of Cunningham and a few of his many fascinations and influences, contributed by Cathy Horyn, Tiina Loite, Vanessa Friedman, Ruth La Ferla, Guy Trebay, Penelope Green, Jacob Bernstein, and a much favored subject, Anna Wintour. More than anything, *On the Street* is a timeless representation of Cunningham's commitment to capturing the here and now. "An absolute delight."—People

Before the Rain Penguin

A book of postcards with drawings from Cecily Mary Barker's *Flower Fairies*.

One Train Later Ballantine Books

E. Annie Proulx's first novel, *Postcards*, winner of the 1993 Pen/Faulkner Award for Fiction, tells the mesmerizing tale of Loyal Blood, who misspends a lifetime running from a crime so terrible that it renders him forever incapable of touching a woman. Blood's odyssey begins in 1944 and takes him across the country from his hardscrabble Vermont hill farm to New York, across Ohio, Minnesota, and Montana to British Columbia, on to North Dakota, Wyoming, and New Mexico and ends, today, in California, with Blood homeless and near mad. Along the way, he must live a hundred lives to survive, mining gold, growing beans,

hunting fossils and trapping, prospecting for uranium, and ranching. In his absence, disaster befalls his family; greatest among their terrible losses are the hard-won values of endurance and pride that were the legacy of farm people rooted in generations of intimacy with soil, weather, plants, and seasons. *Postcards* chronicles the lives of the rural and the dispossessed and charts their territory with the historical verisimilitude and writerly prowess of Cather, Dreiser, and Faulkner. It is a new American classic.

Black Writers Verse Chorus Press

*Named one of *Wall Street Journal's* Best Books of 2015 *Selected as a *Military Times's* Best Book of the Year "You're going up the Valley." Black didn't know its name, but he knew it lay deeper and higher than any other place Americans had ventured. You had to travel through a network of interlinked valleys, past all the other remote American outposts, just to get to its mouth. Everything about the place was myth and rumor, but one fact was clear: There were many valleys in the mountains of Afghanistan, and most were hard places where people died hard deaths. But there was only one Valley. It was the farthest, and the hardest, and the worst. When Black, a deskbound admin officer, is sent up the Valley to investigate a warning shot fired by a near-forgotten platoon, he can only see it as the final bureaucratic insult in a short and unhappy Army career. What he doesn't know is that his investigation puts at risk the centuries-old arrangements that keep this violent land in fragile balance, and will launch a shattering personal odyssey of obsession and discovery as Black reckons with the platoon's dark secrets, accumulated over endless hours fighting and dying in defense of

an indefensible piece of land. The Valley is a riveting tour de force that changes our understanding of the men who fight our

wars and announces John Renehan as one of the great American storytellers of our time.
