## MOONEY DICKERSON

---

*Wishes and Wellingtons* Abrams  
Meet Poppy – if you can find her! Poppy loves bugs, and can usually be found carrying on conversations with ladybirds or sitting outside among the brightly coloured wildflowers ... but good luck spotting her indoors and around people! She's a master of camouflage, always finding a way to blend into her surroundings. But when a very special bug lands on her grandma's birthday cake, Poppy can't resist popping out to see it. Soon the rest of the guests notice the beautiful dragonfly, and Poppy too. Maybe it's OK to stand out sometimes, just like the vibrant wildflowers and shimmering insects Poppy loves. This poetic and evocative story celebrates the shy and introverted kids among us, as well as the other small creatures to be found if we look closely enough.

**Gould's Book of Fish** Vintage

Storytelling as a fundamental human impulse, one that announces itself at the moment, hidden in infancy, that dreams begin—this is what the poet and critic Randall Jarrell set out to illuminate in this extraordinary book. Here Jarrell presents ballads, parables, anecdotes, and legends along with some of the finest work of Chekhov, Babel, Elizabeth Bowen, Isak Dinesen, Kafka, Peter Taylor, and Katherine Anne Porter. This wonderful anthology, with its celebrated introductory essay, enlarges and deepens our perception of the storyteller's art and its central place in the world of our feelings. Contents  
RANDALL JARRELL: Introduction  
FRANZ KAFKA: A Country Doctor  
ANTON CHEKHOV: Gusev

For fans of *A Snicker of Magic* and *The Miscalculations of Lightning Girl* comes a suspenseful dark fantasy duology, perfect for middle school readers that love stories of magic and sisterhood with a dash of danger. Maren Partridge loves working in her family's dream shop where she can hand-craft any dream imaginable. The shop has only one rule. Dreams cannot be given to a person without their consent. Maren has no problem with this—until her sister, Hallie, has an accident that leaves her in a coma. Maren's certain she can cure Hallie with a few well-chosen dreams. And when no one is watching, she slips her a flying dream. But a strange new customer from the shop has been following Maren and knows what she did. Now she's laid the perfect trap to blackmail Maren into creating custom nightmares for a dark and terrible purpose. As Maren gets drawn further into the sinister scheme, she must make

a choice: to protect her family or to protect the town from her family's magic. Pick up the first book in the *Nightmare Thief* duology if you are looking for: Suspenseful stories of magical realism for kids with a side of danger Gifts for 11 year old girls, 13 year old girls, and any young reader 11-14 that loves fantasy Books that explore bullying, family ties, and feature strong female characters Books for 4th graders, and any classroom with grades 3-8 The Nightmare Thief New Directions Publishing

This collection of new translations brings together the small proportion of Kafka's works that he thought worthy of publication. It includes *Metamorphosis*, his most famous work, an exploration of horrific transformation and alienation; *Meditation*, a collection of his earlier studies; *The Judgement*, written in a single night of frenzied creativity; *The Stoker*, the first chapter of a novel set in America and a fascinating occasional piece, *The Aeroplanes at Brescia*, Kafka's eyewitness account of an air display in 1909. Together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought.

**Laxmi's Mooch** Sourcebooks, Inc. Kathi Diamant brings to light the amazing woman who captures Kafka's heart and kept his literary flame alive for decades. It was Dora Diamant, an independant spirit who fled her Polish Hasidic family to persue her Zionist dreams, who persuaded Kafka to leave his parents and live with her in Berlin the year before he died. Although many credit (or blame) her for burning many of his papers, as he had requested, she also held on to many others - papers that the Gestapo confiscated and that have yet to be recovered. Dora's life

after Kafka- from her days as a struggling agitprop actress in Berlin to her sojourn in Moscow in the 1930s, from her wartime escape to Great Britain, to her first emotional visit to the new nation of Israel - offers a prism through which we can view the cultural and political history of twentieth-century Europe.

**The Dollmaker** Schocken

Franz Kafka is one of the most intriguing writers of the 20th century. In this text the author provides an up-to-date introduction to Kafka, beginning with an examination of his life and then discussing some of the major themes that emerge in Kafka's work.

*On Dolls* Cambridge University Press  
Based on a true story about Franz Kafka  
Inspired by a true story, *Kafka and the Doll* recounts a remarkable gesture of kindness from one of the world's most bewildering and iconic writers. In the fall of 1923, Franz Kafka encountered a distraught little girl on a walk in the park. She'd lost her doll and was inconsolable. Kafka told her the doll wasn't lost, but instead, traveling the world and having grand adventures! And to reassure her, Kafka began delivering letters from the doll to the girl for weeks. The legend of Kafka and the doll has captivated imaginations for decades as it reveals the playful and compassionate side of a man known for his dark and brooding tales. *Kafka and the Doll* is a testament to living life to the fullest and to the life-changing power of storytelling.

*The Apparitionists* Simon and Schuster  
Thirty-one tales depicting the humorous, if near tragic conditions of life in the Deep South during the fifties

*Franz Kafka in Context* Princeton University Press

Once upon a time there was a king, and the king commissioned his favorite

wizard to create a magic mirror. This mirror didn't show you your reflection. It showed you your soul—it showed you who you really were. The wizard couldn't look at it without turning away. The king couldn't look at it. The courtiers couldn't look at it. A chestful of treasure was offered to anyone who could look at it for sixty seconds without turning away. And no one could. The Zone of Interest is a love story with a violently unromantic setting. Can love survive the mirror? Can we even meet each other's eye, after we have seen who we really are? Powered by both wit and compassion, and in characteristically vivid prose, Martin Amis's unforgettable new novel excavates the depths and contradictions of the human soul.

*Kafka's Last Love* Golden Books

In this hyperkinetic and relentlessly inventive novel, Japan's most popular (and controversial) fiction writer hurtles into the consciousness of the West. *Hard-Boiled Wonderland and the End of the World* draws readers into a narrative particle accelerator in which a split-brained data processor, a deranged scientist, his shockingly undemure granddaughter, Lauren Bacall, Bob Dylan, and various thugs, librarians, and subterranean monsters collide to dazzling effect. What emerges is simultaneously cooler than zero and unaffectedly affecting, a hilariously funny and deeply serious meditation on the nature and uses of the mind. From the Trade Paperback edition.

*The Beautiful Bureaucrat* Bloomsbury Publishing

A masterful new translation by Michael Hofmann of some of Kafka's most fantastical and visionary short fiction. Animals, strange beasts, bureaucrats, businessmen, and nightmares populate this collection of stories by Franz Kafka.

These matchless short works, all unpublished during Kafka's lifetime, range from the gleeful dialogue between a cat and a mouse in "Little Fable" to the absurd humor of "Investigations of a Dog," from the elaborate waking nightmare of "Building the Great Wall of China" to the creeping unease of "The Burrow," where a nameless creature's labyrinthine hiding place turns into a trap of fear and paranoia.

*Beijing Doll* Penguin

The eagerly anticipated final volume of the award-winning, definitive biography of Franz Kafka How did Kafka become Kafka? This eagerly anticipated third and final volume of Reiner Stach's definitive biography of the writer answers that question with more facts and insight than ever before, describing the complex personal, political, and cultural circumstances that shaped the young Franz Kafka (1883-1924). It tells the story of the years from his birth in Prague to the beginning of his professional and literary career in 1910, taking the reader up to just before the breakthrough that resulted in his first masterpieces, including "The Metamorphosis." Brimming with vivid and often startling details, Stach's narrative invites readers deep inside this neglected period of Kafka's life. The book's richly atmospheric portrait of his German Jewish merchant family and his education, psychological development, and sexual maturation draws on numerous sources, some still unpublished, including family letters, schoolmates' memoirs, and early diaries of his close friend Max Brod. The biography also provides a colorful panorama of Kafka's wider world, especially the convoluted politics and culture of Prague. Before World War I, Kafka lived in a society at the threshold

of modernity but torn by conflict, and Stach provides poignant details of how the adolescent Kafka witnessed violent outbreaks of anti-Semitism and nationalism. The reader also learns how he developed a passionate interest in new technologies, particularly movies and airplanes, and why another interest—his predilection for the back-to-nature movement—stemmed from his "nervous" surroundings rather than personal eccentricity. The crowning volume to a masterly biography, this is an unmatched account of how a boy who grew up in an old Central European monarchy became a writer who helped create modern literature.

Investigations of a Dog: And Other Creatures Vintage

Louise Belinda Bellflower lives in Rochester, New York, in 1896. She spends her days playing with her brother, Joe. But Joe gets to ride a bicycle, and Louise Belinda doesn't. In fact, Joe issues a solemn warning: If girls ride bikes, their faces will get so scrunched up, eyes bulging from the effort of balancing, that they'll get stuck that way FOREVER! Louise Belinda is appalled by this nonsense, so she strikes out to discover the truth about this so-called "bicycle face." Set against the backdrop of the women's suffrage movement, *Born to Ride* is the story of one girl's courageous quest to prove that she can do everything the boys can do, while capturing the universal freedom and accomplishment children experience when riding a bike.

*Kafka* SCB Distributors

Winner of the Commonwealth Prize New York Times Book Review—Notable Fiction 2002 Entertainment Weekly—Best Fiction of 2002 Los Angeles Times Book Review—Best of the Best 2002 Washington Post Book

World—Raves 2002 Chicago Tribune—Favorite Books of 2002 Christian Science Monitor—Best Books 2002 Publishers Weekly—Best Books of 2002 The Cleveland Plain Dealer—Year's Best Books Minneapolis Star Tribune—Standout Books of 2002 Once upon a time, when the earth was still young, before the fish in the sea and all the living things on land began to be destroyed, a man named William Buelow Gould was sentenced to life imprisonment at the most feared penal colony in the British Empire, and there ordered to paint a book of fish. He fell in love with the black mistress of the warder and discovered too late that to love is not safe; he attempted to keep a record of the strange reality he saw in prison, only to realize that history is not written by those who are ruled. Acclaimed as a masterpiece around the world, Gould's *Book of Fish* is at once a marvelously imagined epic of nineteenth-century Australia and a contemporary fable, a tale of horror, and a celebration of love, all transformed by a convict painter into pictures of fish.

**1Q84** Oxford University Press  
A NEW YORK TIMES NOTABLE BOOK OF 2015 NAMED A BEST BOOK OF THE YEAR by Time Out, Bustle, The Atlantic, Electric Literature, Kobo, Kirkus and more... "Riveting... thrillerlike...drolly surreal...Ultimately, *The Beautiful Bureaucrat* succeeds because it isn't afraid to ask the deepest questions." The New York Times Book Review, Editor's Choice "A joyride..." -Karen Russell  
NAMED A MUST READ OF THE SUMMER by the Chicago Tribune, Los Angeles Times, Bustle, The Huffington Post, BuzzFeed, HelloGiggles and more... A young wife's new job pits her against the unfeeling machinations of the universe in a first novel Ursula K. Le Guin hails as

"funny, sad, scary, beautiful. I love it." In a windowless building in a remote part of town, the newly employed Josephine inputs an endless string of numbers into something known only as The Database. After a long period of joblessness, she's not inclined to question her fortune, but as the days inch by and the files stack up, Josephine feels increasingly anxious in her surroundings-the office's scarred pinkish walls take on a living quality, the drone of keyboards echoes eerily down the long halls. When one evening her husband Joseph disappears and then returns, offering no explanation as to his whereabouts, her creeping unease shifts decidedly to dread. As other strange events build to a crescendo, the haunting truth about Josephine's work begins to take shape in her mind, even as something powerful is gathering its own form within her. She realizes that in order to save those she holds most dear, she must penetrate an institution whose tentacles seem to extend to every corner of the city and beyond. Both chilling and poignant, *The Beautiful Bureaucrat* is a novel of rare restraint and imagination. With it, Helen Phillips enters the company of Murakami, Bender, and Atwood as she twists the world we know and shows it back to us full of meaning and wonder-luminous and new.

*My First Day* Courier Corporation  
Runaway children who meet up with monsters. A giant talking bug. A secret world of mouse-people. The stories of Franz Kafka are wondrous and nightmarish, miraculous and scary. In *My First Kafka*, storyteller Matthue Roth and artist Rohan Daniel Eason adapt three Kafka stories into startling, creepy, fun stories for all ages. With *My First Kafka*, the master storyteller takes his rightful place alongside Maurice Sendak, Edward

Gorey, and Lemony Snicket as a literary giant for all ages.

**Hard-Boiled Wonderland and the End of the World** Macmillan

One year before his death Frank Kafka had an extraordinary experience. Having a walk through Steglitz Park, in Berlin, he found a little girl crying heartbroken. She had lost her doll. To calm her down Frank introduced himself as the Dolls's Postman, and told the little girl that the doll was away on a trip but had sent a letter for her that will be delivered by himself the following day. For three weeks Frank focused exclusively on the doll's letters that he handed on every day to the girl. Nobody has ever known who that little girl was and what happened with the letters.

*Love in the Time of Cholera* (Illustrated Edition) Princeton University Press

Many adults name this book as their favorite Little Golden Book. Generations of kids have interacted with lovable, furry old Grover as he begs the reader not to turn the page—for fear of a monster at the end of the book. “Oh, I am so embarrassed,” he says on the last page . . . for, of course, the monster is Grover himself! This all-time favorite is now available as a Big Little Golden Book—perfect for lap-time reading.

**A Table of Green Fields** Penguin UK

A visually stunning story of resilience and determination by an award-winning new author-illustrator team, perfect for back to school. This is no ordinary first journey. The rainy season has come to the Mekong Delta, and An, a young Vietnamese boy, sets out alone in a wooden boat wearing a little backpack and armed only with a single oar. On the way, he is confronted by giant crested waves, heavy rainfall and eerie forests where fear takes hold of him. Although daunted by the dark unknown, An realizes that he is not alone and continues to paddle. He knows it will all be worth it when he reaches his destination--one familiar to children all over the world.
