Every Second Counts Rodale Books

A once top-ranked cyclist chronicles his downfall after testing positive for doping after winning gold at the 2004 Olympics while also addressing the practice's pervasiveness in the sport and his relationship with Lance Armstrong.

Lance Armstrong: Images of a Champion Penguin

This readable biography of Lance Armstrong surveys his legendary cycling career as well as the details of his life outside of cycling. * Presents a chronological timeline of important events in Lance Armstrong's life and a list of the major awards and races he has won * Includes exciting photographs of this dynamic athlete in action * Provides detailed chapter notes and a bibliographic list of books and magazine articles * Includes a helpful index of people, places, and important cycling races in the life of Lance Armstrong

Hearts of Lions ABC-CLIO

In 2007, Chrissie Wellington shocked the triathlon world by winning the Ironman World Championships in Hawaii. As a newcomer to the sport and a complete unknown to the press, Chrissie's win shook up the sport. A LIFE WITHOUT LIMITS is the story of her rise to the top, a journey that has taken her around the world, from a childhood in England, to the mountains of Nepal, to the oceans of New Zealand, and the trails of Argentina, and first across the finish line. Wellington's first-hand, inspiring story includes all the incredible challenges she has faced—from anorexia to near-drowning to training with a controversial coach. But to Wellington, the drama of the sports also presents an opportunity to use sports to improve people's lives. A LIFE WITHOUT LIMITS reveals the heart behind Wellington's success, along with the diet, training and motivational techniques that keep her going through one of the world's most grueling events.

The Secret Race Cycle of LiesThe Fall of Lance Armstrong

Introduces the life and accomplishments of champion golfer Tiger Woods.

My Pursuit of Lance Armstrong Simon and Schuster

Trading on the sterling reputation that enabled him to survive a widely publicized doping confession, American cyclist “Big George” Hincapie—a record seventeen-time Tour de France participant, Olympian, and key witness in the Lance Armstrong doping case—offers an insightful account of his esteemed career and a sports era defined by performance-enhancing drug use. In this highly anticipated cycling memoir, Big George Hincapie provides the most comprehensive account of a dark period in professional cycling, in which doping scandals have decimated the careers of some of the top athletes in the field. The Loyal Lieutenant reveals how Hincapie’s life has been intrinsically tied to the sport he loves, from his earliest days in Queens, where he was influenced by his Colombian father’s love of cycling and the Colombian “cycling warrior” archetype. Hincapie takes us through his amateur years to the Olympics, and chronicles his exhilarating ride as a professional, including finding his true calling as Lance Armstrong’s most prized “domestique”—leading his then best friend to seven straight Tour de France victories. Hincapie speaks openly about his relationship with Armstrong, how he himself began doping, and why he quit long before the headline-making revelations. His personal evolution is the journey of a man dedicated to coming clean about his past and to restore honor to the sport he loves.

The Making of the World's Greatest Champion (Large Print 16pt) Simon and Schuster

It takes only 12 weeks to train to compete in a triathlon—no matter what level you’re at now!

Imagine being able to successfully compete in a triathlon in just three short months! You can, with fitness expert Tom Holland’s all-encompassing, easy-to-use training manual, The 12-Week

Triathlete.This completely revised and updated editiongives fitness enthusiasts the most exciting, encouraging, and up-to-date exercise information, including 12 brand-new training plans that outline exactly what you need to do every day up until the big event for ultimate triathlon success. Whether you are a beginner or a seasoned triathlete, training for a Sprint, Olympic, Half-Ironman, or Ironman event, this book offers a complete, step-by-step program that will help you strengthen, tone-up, and both physically and mentally prepare for the big day. You will learn how to: —Swim – Start your race confidently, swim strongly surrounded by others, and transition easily from a wetsuit. —Bike – choose the right bike, transport it safely to the race, and fuel yourself properly while you ride. —Run – Don’t bonk, improve your speed, and see your race through to the end. —Put It All Together – Eat right through the 12 weeks, train for each segment of the race, gather your equipment and transport it safely to the race, plan for and avoid last-minute emergencies, and, most of all, have fun and continue to compete in the future. In addition all this, you'll also find insider information on weight-training, endurance training, and speed work, as well as answers to questions like “Can you eat during a race?,” “How do you line up your bike so you can jump right on it?,” and “What is the best way to quickly shed your wetsuit?’ The 12-Week Triathlete is your secret weapon to triathlon triumph—start training today!

Heads UP! Updated Edition William Collins

“The holy grail for disillusioned cycling fans . . . The book’s power is in the collective details, all strung together in a story that is told with such clear-eyed conviction that you never doubt its veracity. . . . The Secret Race isn’t just a game changer for the Lance Armstrong myth. It’s the game ender.”—Outside NEW YORK TIMES BESTSELLER • WINNER OF THE WILLIAM HILL SPORTS BOOK OF THE YEAR AWARD The Secret Race is the book that rocked the world of professional cycling—and exposed, at long last, the doping culture surrounding the sport and its most iconic rider, Lance Armstrong. Former Olympic gold medalist Tyler Hamilton was once one of the world’s top-ranked cyclists—and a member of Lance Armstrong’s inner circle. Over the course of two years, New York Times bestselling author Daniel Coyle conducted more than two hundred hours of interviews with Hamilton and spoke with numerous teammates, rivals, and friends. The result is an explosive page-turner of a book that takes us deep inside a shadowy, fascinating, and surreal world of unscrupulous doctors, anything-goes team directors, and athletes so relentlessly driven to win that they would do almost anything to gain an edge. For the first time, Hamilton recounts his own battle with depression and tells the story of his complicated relationship with Lance Armstrong. This edition features a new Afterword, in which the authors reflect on the developments within the sport, and involving Armstrong, over the past year. The Secret Race is a courageous, groundbreaking act of witness from a man who is as determined to reveal the hard truth about his sport as he once was to win the Tour de France. With a new Afterword by the authors. “Loaded with bombshells and revelations.”—VeloNews “[An] often harrowing story . . . the broadest, most accessible look at cycling’s drug problems to date.”—The New York Times “ ‘If I cheated, how did I get away with it?’ That question, posed to SI by Lance Armstrong five years ago, has never been answered more definitively than it is in Tyler Hamilton’s new book.”—Sports Illustrated “Explosive.”—The Daily Telegraph (London)

If you read just one sports book this year, this is the one! Express on SundayLance Armstrong was one of the most precocious talents the world of cycling had ever seen. Within a year of turning professional in 1992 he was World Champion. In 1994 he won tw

Lance Armstrong Sports Publishing LLC

With close attention to the spheres of sport and religion as important sites of moral currency, this book draws on media coverage of major cases of hypocrisy, attending to differing meanings and consequences of hypocrisy within the US, France and Iceland. Instances come from scandals within the established churches, as well as cases from the National Collegiate Athletic Association, the Tour de France, and the inquest into the Hillsborough Disaster in the UK. It considers the

importance of the context within which moral conduct takes place and the relevance of this for the occurrence of hypocritical action, while exploring also the implications of advances in computer and information technology for controlling messages and monitoring deceit. Identifying the negative effects of the detection of hypocrisy at individual and institutional levels, the author engages with the work of Goffman to argue for the importance of trust in institutions, underlining the necessity of minimizing and correcting hypocritical acts by which this is undermined. A detailed study of hypocrisy and the need for trust, this volume will appeal to scholars and students of sociology with interests in social and moral conduct, sport, religion, Goffman and the notion of social life as artifice.

The Loyal Lieutenant Harper Collins

The tie-in edition of the stunning new film, directed by Stephen Frears and starring Chris O'Dowd (Moone Boy, The IT Crowd) as David Walsh and Ben Foster (3.10 to Yuma) as Lance Armstrong. This book, previously published as Seven Deadly Sins, tells the thrilling story of Walsh's thirteen-year quest to prove that the world's most famous cancer survivor and cycling superstar Lance Armstrong had built his reputation on a lie. From Armstrong's first Tour win in 1999, Walsh was one of very few to question what we were seeing and, in his search for the truth, he was dubbed a 'troll' by the Texan cyclist and found himself ostracised by those who didn't want to upset the narrative that Armstrong seemed to present to a sport in urgent need of renewal. Eventually, thanks in large part to Walsh's persistence, Armstrong was stripped of his titles, banned for life from the sport and forced into admitting to Oprah that he had, after all, been doping and that his seven Tour de France victories were little more than his seven deadly sins. It was one of the biggest sporting stories of the century, and the tale of how it came about is now the basis of a wonderful film.

Sports Devotions for All-Star Kids LernerClassroom

Looks at the life and career of cyclist Lance Armstrong, who overcame cancer and has won seven consecutive Tour de France races.

My Journey Back to Life Routledge

Lance Armstrong's War is the extraordinary story of greatness pushed to its limits; a vivid, behind-the-scenes portrait of perhaps the most accomplished athlete of our time as he vies for a historic sixth straight victory in the toughest sporting event on the planet. It is the true story of a superlative sports figure fighting on all fronts—made newly vulnerable by age, fate, fame, doping allegations, a painful divorce, and an unprecedented army of challengers—while mastering the exceedingly difficult trick of being Lance Armstrong, a combination of world-class athlete, celebrity, regular guy, and, for many Americans, secular saint. With a new afterword by the author, featuring in-depth reporting on: Armstrong's unprecedented seventh consecutive Tour de France victory New blood doping allegations Armstrong's continuing personal and legal battles, and his retirement A fascinating journey through the little-known landscape of professional bike racing, Lance Armstrong's War provides a hugely insightful look into the often inspiring, always surprising core of a remarkable athlete and the world that shapes him.

The Straight Dope Updated Edition Rodale Books

The greatest drugs scandal in Australian sport goes well beyond who took what. What happened at Essendon, what happened at Cronulla, is only part of the story. From the basement office of a suburban football club to the seedy corners of Peptide Alley to the polished corridors of Parliament House, *The Straight Dope* is an inside account of the politics, greed and personal feuds which fuelled an extraordinary saga. Clubs and coaches determined to win, a sports scientist who doesn't play by the rules, a generation of footballers injected with who knows what, sport administrators hell bent on control, an anti-doping authority out of its depth, an unpopular government that just wants it to end ... for three years until the final, crushing judgement handed down by an international tribunal, this was the biggest game in Australia.
