The Cultic Motif in the Book of Daniel Peter Lang

The official 2011 Journal of the Indiana Conference of The United Methodist Church with proceedings of the Third Annual Session at Ball State, Muncie, Indiana, June 8-11, 2011.

A Reappraisal Westminster John Knox Press

In this volume from the Evangelical Exegetical Commentary, Paul Tanner argues that the book of Daniel is the Old Testament blueprint of the Bible's overarching eschatological narrative.

Tanner examines key aspects of the book of Daniel such as the revelation of Israel's future in relation to gentile kingdoms, God's exaltation of Daniel as a channel through whom he reveals his will and God's sovereign control of the nations under whom Israel is being disciplined. Tanner provides exegetical insight to help readers better understand not only how God worked in Israel's history through Daniel, but how he sovereignly directs all of world history - for all time.

Daniel asserts that the meaning of history is that God's kingdom is coming. As it does, faithful people persevere in their work for God. In this Tyndale commentary, Paul House shows how Daniel rewards readers who embrace its historical, literary, and theological features as key means of personal and community formation.

The Eerdmans Companion to the Bible Evangelical Exegetical Commentary: Daniel

"Jesus Christ entered into the history of our world. Christianity, therefore, has historical basis. The backbone of history is chronology. Whereas history is a systematic account of events in relation to a nation, institution, science, or art; chronology is a science of time. It seeks to establish and arrange the dates of past events in their proper sequence. Thus chronology serves as a necessary framework upon which the events of history must be fitted. In this book (the author) attempts to establish certain fixed dates in our Lord's life." - Dr. Harold W. Hoehner. Dr. Hoehner has

gathered a vast amount of data, both from Scripture and extrabiblical sources, to support his conclusions concerning key dates in the life of our Lord, among them: - The Date of Christ's Birth - The Commencement of Christ's Ministry - The Duration of Christ's Ministry - The Year of Christ's Crucifixion He carefully documents his position and compares the date available-- including a study of Greek words, Roman law, and Jewish customs and prophecy.

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any

textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time. Numerous references and allusions to cult are investigated with linguistic, literary, and contextual analyses. The findings are then related to the main theological themes of the book such as judgment, eschatology, kingdom, and worship. It is evident that the idea of cult plays a dominant role in Daniel, and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship. For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel, *The Cultic Motif in the Book of Daniel* is a must-read.

Ernest C. Lucas identifies the central theme of the book of Daniel as the sovereignty of the God of Israel. With even-handedness

and clarity, he demonstrates that there is much in Daniel that is readily understandable and applicable, and that there are also theological depths that are rewarding for those willing to wrestle with the issues they raise.

This work on Hebrew Syntax is designed as a practical quick-reference manual for students moving from the study of elementary Hebrew grammar to that of Hebrew syntax and exegesis. This manual provides an easily accessible list of syntactical options for verbs, participles, nouns, and clauses. Each syntactical option is carefully illustrated. In addition, three helpful supplements are provided to assist those engaged in the task of exegesis. The first covers the most commonly encountered figures of speech. The second provides a complete list of signs and symbols appearing in the text-critical apparatus of the Hebrew Bible. The third provides a comprehensive list of Latin words and abbreviations appearing in the text-critical apparatus. With this manual in hand, the student has the basic tools in hand necessary for understanding Hebrew syntax and doing serious exegesis in the Hebrew Bible. The author holds a PhD in Hebrew studies from the Univ of Texas at Austin and has taught Hebrew language and exegetical courses for nearly forty years. He is also the author of the in-depth commentary on the Book of Daniel for the Evangelical Exegetical Commentary series. *Why the End of the World is Not in Your Future* Moody Pub

This volume goes beyond a mere presentation of the author's interpretation of Old Testament prophecy. It quotes Bible scholars from different corners of the theological ring to help the reader discover the meaning of Scripture of himself.

David R. Anderson, Ph.D. (President, Grace School of Theology) Fred Chay, Ph.D. (Professor of Theology, Grace School of Theology) Joseph Dillow, Th.D. (Retired President, BEE World) J. Paul Tanner, Th.M., Ph.D. (Middle East Director, BEE World) Ken Wilson, M.D. (D. Phil., University of Oxford, Patristics) "The Free Grace movement has been accused by some within the Reformed tradition of being new or novel and diminishing the gospel. Is that a fair characterization? A Defense of Free Grace Theology is a scholarly yet irenic response to the overextended criticism of Grudem and others of Free Grace theology by five of its leading scholars. The nature of faith and its relationship to assurance is a crucial issue in theology and practice. Here is a work of clarity and charity that not only addresses the concerns of the critics but outlines a robust theology of Salvation solidly built on a biblical foundation. For all of us who are concerned about the gospel, this is a must read." David L. Allen, Ph.D. Dean and Distinguished Professor of Preaching Southwestern Baptist Theological Seminary Today there are many theological issues and arguments concerning a variety of significant theological topics. However, the topic of, and biblical evidence for, soteriology is perhaps the most important issue of the day or for any day. Although evangelicals do agree salvation is by grace alone through faith alone in Christ alone, they do not always agree on some of the implications and consequences. A Defense of Free Grace Theology is a rejoinder to Dr. Wayne Grudem's critique of Free Grace Theology and a response to other Reformed theologians' articulations and conclusions. The contributors to this book seek to biblically describe and defend a true Grace Theology and answer the deficiencies and criticisms that have been expressed.

The Grace New Testament Commentary: Matthew-Acts

The book of Daniel is a literary rich and complex story known for its apocalyptic style. Written in both Hebrew and Aramaic, the book begins with stories of Daniel and three Jewish young men

Hananiah (Shadrach), Mishael (Meshach), and Azariah (Abednego) who are exiles among the remnant from Judea in Babylon in sixth century b.c.e. It ends with Daniel's visions and dreams about the Jewish community that offer comfort and encouragement as they endure persecution and hope for deliverance into God's kingdom. Newsom's commentary offers a fresh study of Daniel in its historical context. Newsom further analyzes Daniel from literary and theological perspectives. With her expert commentary, Newsom's study will be the definitive commentary on Daniel for many years to come. The Old

Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing. The editorial board consists of William P. Brown, Professor of Old Testament, Columbia Theological Seminary in Decatur, Georgia; Carol A. Newsom, Charles Howard Candler Professor of Old Testament, Candler School of Theology at Emory University in Atlanta, Georgia; and Brent A. Strawn, Professor of Old Testament, Candler School of Theology at Emory University in Atlanta, Georgia.
