in a small-town frontier province in 1947, just before Partition, Tamas tells the story of a sweeper named Nathu who is bribed and deceived by a local Muslim politician to kill a pig, ostensibly for a veterinarian. The following morning, the carcass is discovered on the steps of the mosque and the town, already tension-ridden, erupts. Enraged Muslims massacre scores of Hindus and Sikhs, who, in turn, kill every Muslim they can find. Finally, the area's British administrators call out the army to prevent further violence. The killings stop but nothing can erase the awful memories from the minds of the survivors, nor will the various communities ever trust one another again. The events described in Tamas are based on true accounts of the riots of 1947 that Sahni was a witness to in Rawalpindi, and this new and sensitive translation by the author himself resurrects chilling memories of the consequences of communalism which are of immense relevance even today.

 'Sevasadan' is one of the most representative novels of Munshi Premchand. Soon after it was published, the novel kicked up national debates on such pertinent social issues as prostitution and the place of women in the Indian society. Social taboos dominated the scenario as much as reformers' zeal to tight the rot in the social value system. The story oscillates round a glamour-struck young girl's life. who was brought up with utmost love and care but whose father had to suffer ignominy at the hands of his adversaries for taking a once-in-lifetime bribe and being jailed for that. Her prospective engagement was broken because her mother, now made a destitute with her daughters, failed to meet the demand of dowry from the bridegroom's family. Hapless and stranded, she, along with her mother and sibling sister, was under care of her maternal-uncle. gets married to a middle-aged pauper and pushed to life-long poverty. She failed to get what she had been dreaming for since her

childhood. She fought continual battles between aspiration for a respected prosperous lifestyle, and the existing value system which forced her to live with poverty. By the turns of events she ends up into a life of a tawaif, hatefully tries to come out of the nuisance but the irony of fate makes her the centre-point of all debates on how prostitutes could be rescued and rehabilitated. 'Sevasadan' exposes the time Premchand lived in. It also reflects how seriously the author had waged a battle, which is being fought in the Indian society even today.
Kabir Says Pearson Education India
 Kabir was a 15th century Indian spiritual master who left a legacy of extraordinary poems which continue to capture the imagination of a diverse audience today. The poems downplay the importance of ritual and austerity, and teach that God is not confined to centers of worship or places of pilgrimage but found everywhere in creation. Most importantly, God is within us and this is where we must meet him. Kabir elevates us into the realm of the spirit - a world of beauty, majesty, even

romance, where the relationship between lovers is a recurring metaphor for our relationship to the divine. For the last century, Rabindranath Tagore's classic translation, "Songs of Kabir," has been the standard, but over the years it has suffered the ravages of time. In "Kabir Says," David Masterman has reworked Tagore's translation and breathed new life into it for the 21st century reader. But this edition goes beyond merely updating language and style; it considerably enhances the poetic form and flow of the English translation, and a new introduction and appendix have also been added to add depth to the reader's understanding.
