Jesus of Nazareth William Collins
The strong God of Exodus. The ancient poetry of the Psalms, and the eternal teachings of Proverbs. Matthew, Mark, Luke, and the mystical beauty of John. The new heaven and earth of Revelation. Bible verses—an enduring source of guidance, peace, and rejuvenation—are here given a very special treatment in colorful letterpress illustrations that bring each phrase to life in a fresh and meaningful way. The verses are drawn from seven translations (including the New International Version, The New Revised Standard Version, and The King James Bible) and arranged in order, beginning with Genesis 1:1. These selections include 100 of the most distinctly meaningful passages of the Old and New Testament, made even more powerful through the transformative lens of art. Like a contemporary update on medieval illuminated manuscripts, the book combines the timeless words of the Bible with timely artwork—in this case, hand-lettering and illustration in a variety of beautiful styles and remarkable aesthetics from 25 contemporary artists. It's a new and vibrant way to experience the living word.

The Journey from Texts to Translations Chartwell Books
This unique study examines how images in the Old Testament foreshadow God's redemptive plan fulfilled in the New Testament. Images of Redemption Thomas Nelson
She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories

to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Popular Rainbow Good News Bible Rodopi
Perhaps more than in any other period in modern history, our globalized present is characterized by a constant interaction of, and exposure to, different peoples, regions, ways of life, traditions, languages, and cultures. Cross-boundary communication today comes in various shapes: as mutual exchange, open dialogue, enforced process, misunderstanding, or even violent conflict. In this situation, 'translation' has become an inevitable requirement in order to ease the flow of disinterested and unbiased cultural communication. The contributors to this collection approach the subject of the 'translation of cultures' from various angles. Translation refers, of course, to the rendering of texts from one language into another and the shift between languages under precolonial (retelling/transcreation), colonial (domestication), and postcolonial (multilingual trafficking) conditions. It is also concerned with the (in-)adequacy of the Western translation concept of equivalence, the problem of the (un)translatability of cultures, and new postcolonial approaches (representation through translation). Translation here is used as a broader term covering the interaction of cultures, the transfer of cultural experience, the concern with cultural borders, the articulation of liminal experience, and intercultural understanding.
