This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'Ilaj bir-Ruqyah mina'-Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahaf Al-Qahtani, Safar,1409

Praise be to Allah, we thank Him, seek His Help and His Forgiveness. We seek refuge in Allah from the evils of ourselves and that of our bad deeds. He whom Allah guides, is truly guided, and he whom Allah leaves to stray, none can guide him. I bear witness that there is no god but Allah, who has no partner and I bear witness that Muhammad (PBUH) is His Messenger.This publication is a compilation of forty such verses, which are supplications imploring Allah for favours, all of which start with beseeching Allah with His title of the Lord of all.If a person reads it with humility and subjugation, there will be a feeling of contentmentThis is a Dua book in Arabic and English for both children and adults. As people in Ramadan generally do not find enough time to read an extensive collection of duas on a daily basis, this book provides a comprehensive collection of 40 duas. As a child growing up in an Islamic household, I always wanted a Dua book eligible for me to understand and refer to whenever I needed. Nowadays parents continue to contact me inquiring about Duas for their children. I felt it was my calling and duty to publish a children's book made simple for young ones to be able to comprehend and memorize Duas.

[40 Rabbana Dua](#)

All praise is due to Allah Ta'ala, The Supreme Master of all the worlds. Countless Durood and Salaam be upon our beloved Nabi, Sayyidina Muhammad(PBUH). We have been taught by Rasulullah(PBUH) to recite duas at different occasions of our life. From the time we awaken till the time we go to sleep we have been taught to recite these duas. In this manner our entire day passes in the remembrance of Allah Ta'ala. It is mentioned in the Hadith that Rasulullah(PBUH) used to remember Allah Ta'ala at all times. A great amount of the constant remembrance was by means of the recitation of the duas for the various occasions. The recitation of these duas also strengthens our bond with Allah Ta'ala and increases the love for our Creator in our hearts. Parents need to play the very important role of constantly encouraging and reminding their children to recite the duas at the appropriate time. Thus when the child is woken up in the morning, before he enters the toilet and after he leaves, before and after eating and at all other occasions, the parents should remind the child to recite the dua. In this way it will become a part of their lives and the purpose of teaching these duas will be achieved, Insha Allah.
