Internationally beloved opera star Deborah Voigt recounts her harrowing and ultimately successful private battles to overcome the addictions and self-destructive tendencies that nearly destroyed her life. Call Me Debbie is one of the most electrifying performances of Deborah Voigt's life. The brilliantly gifted opera soprano takes us behind the velvet curtains to tell her compelling story—a tale of success, addiction, music, and faith as dramatic as any role she has performed. For the first time, she talks about the events that led to her dangerous gastric bypass surgery in 2004 and its shocking aftermath: her substantial weight loss coupled with the “cross addiction” that led to severe alcoholism, frightening all-night blackouts, and suicide attempts. Ultimately, Voigt emerged from the darkness to achieve complete sobriety, thanks to a twelve-step program and a recommitment to her Christian faith. Colored by hilarious anecdotes and juicy gossip that illuminate what really goes on backstage, Voigt paints diverting portraits of the artists with whom she's worked, her most memorable moments onstage, and her secrets to great singing. She also offers fascinating insight into the roles she's

played and the characters she loves, including Strauss's Ariadne and Salome, Puccini's Minnie, and Wagner's Sieglinde, Isolde, and Brünnhilde, sharing her intense preparation for playing them. Filled with eight pages of color photos, *Call Me Debbie* is an inspirational story that offers a unique look into the life of a modern artist and a remarkable woman.

"They say the eyes are the window to the soul. You look at Harvey Slater and you'll see a homicide detective chasing cigarettes with a few fingers of bourbon. You look into his eyes, and you'll see a hitman who spends his nights making "untouchable" criminals disappear for the Los Angeles Police Department. But all it takes is a blonde bombshell from his past and a crime syndicate trying to muscle in while Mickey Cohen's in prison to open Slater's eyes to who he really is"--Page 4 of cover.

Returning from the local shop, he meets an eccentric old lady, Alice Berthier, who lives with her mute sister, Clemence. Haunted by memories of a tragic past, Alice takes comfort in her new companion, and he, in turn, is drawn into her mysterious world. As his family recedes into the background, her stirring tales of the Hopi and the Arizona desert become the only salve to his despondent soul
