LAILA CALEB

Shade A&C Black

A Parody of Fifty Shades of Grey. Romance. Intrigue. Domination. Control. Subservience. Clarity. Epiphany. Release. EUPHORIA. This book contains absolutely none of those things - it is literally the words "Shades of grey" repeated 50,000 times, and is a practical joke - a physical prop designed to amuse and confound people's expectations.

Colour of Love (xitsonga) Harper Collins

This is the true story of Chuck Bauer, a successful business coach and sales trainer who meets a young woman at his yoga studio. They quickly end up falling into a relationship, and in short order, they move in together and then get married on the Cayman Islands. Their relationship seems like a fairy tale, as Chuck treats his new wife to endless vacations, five-star hotels, and fine dining -- as well as trying to satisfy her every desire. But what starts as a dream relationship turns into a nightmare, as his wife's undying lust for sex drives her to betray him despite everything he did for her. Dive into a seedy world of casual sexual encounters, and stay for the shocking betrayal that nearly destroys a man's life. This is one man's ordeal through a relationship unlike any other, and how he managed to put his life back together afterward. If you know Chuck and have heard any rumors about what might have happened, here, at last, is the full story.

Things are not always black and white in politics - there seem to be about 50 shades of politics! This is a compilation of about one hundred stories telling what happened along the author's way through recent political history. Some are autobiographic, others are funny examples of working in a quirky business and traveling in foreign countries. Some are controversial. Some reveal exactly what-it-was-like.

"Gripping and timely." —People "The YA debut we're most excited for this year." —Entertainment Weekly "A book that knocks you off your feet while dropping the kind of knowledge that'll keep you down for the count. Prepare to BE slain." —Nic Stone, New York Times bestselling author of Dear Martin and Odd One Out Ready Player One meets The Hate U Give in this dynamite debut novel that follows a fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther-inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of the only Black kids at Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the "downfall of the Black man." But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for "anti-white discrimination." Driven to save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?

American Gods meets The Secret History in this "eerie, wistful" (Karsten Knight, author of the Wildfire series) start to a fantasy trilogy about Kaira Winters, the murders that keep happening at her artsy boarding school, and the lengths she must go to in order to protect the people she loves. When Kaira Winters decided to go to Islington—a boarding school deep in the woods of Michigan—she thought she could finally get away from everything she has tried so hard to forget, including some things from her past that she refuses to believe ever actually happened. Everything seemed great until the bodies of murdered students started appearing all over campus. The victims seem to have been killed in some sort of ritual sacrifice. And even worse, Kaira's dreams are giving her clues to the killer's identity. Though she tries to resist, Kaira quickly realizes that she is the only one who can stop the violence, but to do so she must come to terms with her past. She's going to have to listen to the voice that is buried deep within her...the one that claims to have unimaginable power...the one that claims to be an actual goddess. But even if

Kaira can harness the power within her, will it be enough to stop the darkness that has fallen over her school? And if it is strong enough, then what's to stop the goddess from wreaking her own havoc once she's released? Filled with murder, mystery, and a little bit of magic, this fresh genre-bending novel is a thrilling page-turner you won't be able to put down until the very last page.

A Darker Shade of Magic One Hundred Shades of White

An erotic journal in poems, from a rising star in the American poetry scene, author of the highly acclaimed collection *Second Empire*. "A book of love poems that consciously and subversively hearken back to Shakespeare's sonnets, marking Hofmann's position as one of our necessary poets of erotic desire. These short lyrics come together in their discussion of geography, painting, sculpture, and classical music as if to say that love (that queer love!) is indeed as immortal as a poem. Or as Hofmann himself writes, 'There is so much to say. It may take until night.'" —Jericho Brown, Pulitzer Prize-winning author of *The Tradition* *A Hundred Lovers* is a catalog of encounters, sublime, steamy, and frank. Inspired by French autofiction, the poems feel both sharp and diaristic; their lyrical, intimate world brings us everyday scenes imbued with sex. "Eros enters, where shame had lived," the speaker observes, as the poems explore risk and appetite, promiscuity and violence, and, in the wake of his marriage, questions about monogamy and desire. Bringing us both the carefully knotted silk ties of the wedding pair and their undress in a series of Hockney-like interiors where passion colors every object, Hofmann speaks plainly of the saliva, tears, and guts of the carnal, just as he does of the sublime in works of art. *A Hundred Lovers* invites us to consider our own memories of pleasure and pain, which fill the generous white space the poet leaves open to us between his ravishing lines.

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until

she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book. *From the Mixed-Up Files of Mrs. Basil E. Frankweiler* Penguin A Good Morning America Book Club Pick and New York Times Bestseller! From debut author Asha Lemmie, "a lovely, heartrending story about love and loss, prejudice and pain, and the sometimes dangerous, always durable ties that link a family together." —Kristin Hannah, #1 New York Times bestselling author of *The Nightingale* *Kyoto, Japan, 1948*. "Do not question. Do not fight. Do not resist." Such is eight-year-old Noriko "Nori" Kamiza's first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents' imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond—a bond their formidable grandparents cannot allow and that will irrevocably change the lives they were always meant to lead. Because now that Nori has glimpsed a world in which perhaps there is a place for her after all, she is ready to fight to be a part of it—a battle that just might cost her everything. Spanning decades and continents, *Fifty Words for Rain* is a dazzling epic about the ties that bind, the ties that give you strength, and what it means to be free.

Based on an actual historical event but told through fictional diaries, this is the story of May Dodd—a remarkable woman who, in 1875, travels through the American West to marry the chief of the Cheyenne Nation. *One Thousand White Women* begins with May Dodd's journey into an unknown world. Having been committed to an insane asylum by her blue-blood family for the crime of loving a man beneath her station, May finds that her only hope for freedom and redemption is to participate in a secret government program whereby women from "civilized" society become the brides of Cheyenne warriors. What follows is a series of breathtaking adventures—May's brief, passionate romance with the gallant young army captain John Bourke; her marriage to the great chief Little Wolf; and her conflict of being caught between loving two men and living two completely different lives.
