'Man is a / fascinating animal', Kenneth Sherman writes, and it is this fascination that drives the narrative in *Words for Elephant Man*. Written in the voice of Joseph Merrick, the 'Elephant Man' plagued with a disfiguring condition that ravaged much of his body, Sherman reveals his subject to be more than just a living fascination. Sherman's Merrick, acutely observant, is equally fascinated by those around him. Using found lines from historical record interwoven with his own beautifully rendered verse, Sherman's collection triumphs as a haunting, eloquent portrait of a man whose

body was both disabler and enabler, a man who was both a commodity and a salesman, mechanical and organic, and whose extraordinary circumstances overshadowed the remarkably ordinary desires he shared with humanity. Sherman's Merrick is observant, clever and authentic, and possessed of a voice that resonates through the years and into the hearts and minds of readers.
